President's Message

Ken Hamer

We're On A Roll

Here we are getting ready to start another trip around the Sun, and let us all hope it is so much better than the trip we all took in 2020!

As far as Inland Mopars Car Club, I believe this could be one of the best years ever for the club. Our finish to 2020 was extremely strong. Back in March when COVID-19 restrictions began to hit and eliminate so many of all the plans we had made for the upcoming calendar year, we were wondering how we were going to be able to take care of the activities we had scheduled that so many outside the club have come to look forward to. It turned out to be one of those "Bad News/Good News" stories. The "bad news" was that our annual "Mopars In May" all-Mopar charity-benefit car show had to be cancelled because of COVID-19 related restrictions from the State of California.

Even more troubling to many of us was the unsure status of what we were going to be able to do to support our annual Toy Drive for the soldier's kids at Fort Irwin. That worry proved to be unfounded and turned into "good news" due to both creativity and hard work by club members and the incredible generosity of car enthusiasts in SoCal and around the country.

The "good news" resulted in the largest delivery of toys and bicycles ever from Inland Mopars Car Club to Fort Irwin! Saturday December 19th, we delivered two 24-foot enclosed car trailers to the Directorate of Emergency Services at Fort Irwin. One of the trailers was completely full of bicycles and a couple of wagons. The other trailer was completely full, top-to-bottom, side-to-side and end-to-end, of toys. Hopefully you had the chance to see the photos that were distributed via email. The folks at Fort Irwin were completely blown away when they saw how full the trailers were when we lowered the tailgates. They told us multiple times that they couldn't believe that so much was being done for the kids. Another interesting comment I heard was they were very thankful that there was so much in the way of items (bicycles, scooters, balls, etc.) that would require the kids to get outside and play (exercise) rather than sitting inside playing games.

Bits 'n Pieces: Ontario Police Museum Blood Drive

Bob Kallas at the Ontario Police Museum submitted the following:

Lifestream Blood Bank is having a Blood Drive at our location (site of the Guns & Hoses Car Show, 2500 Archibald Ave, Ontario, 91761) on February 13, 2021. Pre sign up may be necessary(?). I'll advise. This is a Help the Helpers Event & is open to the 1st 50 Donors. Please advise if any members would like to donate. We might be able to make a Cruise out of it. Also there is a free lunch Certificate Deal Pending for all who make a donation. Thank you. Bob 909 243-4712.

President's Message (cont)

Continued from Page 1

Everyone that had anything at all to do with the 2020 Toy Drive effort has every right to be proud. Give yourselves a big pat on the back. Y'all done good!

But our 2020 efforts are not completely done with. Although all toys were picked up from our collection box locations prior to the toy delivery, several of the collection boxes were left in place and will be picked up immediately following Christmas. Any late collected toys will be stored and used as part of our 2021 Fort Irwin Toy Drive.

Another benefit of our Toy Drive efforts is we now have several new club members that joined at our toy drive events, so club growth is part of that "roll" the title mentioned.

Next up is the Toy Distribution to the kids at Fort Irwin. I am sure our Toy Drive Coordinator, Mike Keller, will have a report on both the Toy Drive and the upcoming Toy Distribution in this newsletter so look for it.

We are hopeful we can turn 2020's "bad news" into just as resounding "good news". In case you were unable to attend the December club meeting then you missed the announcement that Mike Counts had to step down as Car Show Chairman due to his work schedule. Jason Gibbons stepped up, grabbed the reins and is going full speed ahead with coordinating our 2021 "Mopars In May" car show. Our new car show venue has been secured and plans are coming together very nicely. Not only did the car show venue change, but so did the beneficiary of our charity efforts. Proceeds from our 2021 charity-benefit car show will now benefit the 2021 Fort Irwin Toy Drive. This should give us a very nice kickoff to that effort. THANK YOU to all who volunteered to head individual portions of our 2021 "Mopars In May" car show. As always, it will take all club members working together to make our 2021 car show a success. I'm sure Jason will have more to report at upcoming club meetings.

REMINDERS:

- Sam Frisby will happily accept your 2021 club dues if you haven't already paid them
- Our January 3rd club meeting will be held at our usual location, currently the parking lot at Cactus Cantina in Riverside. Please make every effort to attend so you can keep up on club news and activities. Also, please keep an eye on your email as I will forward updated meeting location information should the weather forecast indicate inclement weather for our meeting date and time. I will also advise any changes to COVID-19 restrictions that may have any impact

As always, thank you to everyone for all you do to make Inland Mopars Car Club the very best it can be - the club's reputation is a direct reflection of the members //

Meeting Minutes - December

The December 6th, 2020 meeting of Inland Mopars, held at Cactus Cantina in Riverside, was called to order at 10:21 AM by our Sergeant-at-Arms, Mike Counts. Some of us arrived earlier to enjoy breakfast on their patio. Our meeting opened with the Pledge of Allegiance. Ken thanked all for attending and reminded us that tomorrow, December 7th, is Pearl Harbor Remembrance Day. A moment of silence will be observed at 9:55 AM our time to commemorate the attack which took place 79 years ago.

Members present; Tim & Diane Baer, Sil & Carol Brander, Lonnie & Robin Clabaugh, Mike Counts, Sam Frisby, Ken & Judy Hamer, Michael Harding, Bill Heckman, B.J. Hayden, Norma Johnston, Mike Keller, Ed Lowrie, Dave Miller, Paul Roddy, John Smithson, Leo & Barbara Tafoya, Chris Thompson, and Bill & Debbie Whitson.

Missing today: Bob Schive, as his wife was ill.

Happy Birthday wishes to our club members with November birthdays: Linda Sobiecki, Ed Sobiecki, Al Lavoie, and MaryAnn Gaspers.

Possible Visitor/New Club Members

- New club members Alan & Brenda Detwiler joined November 21st at the Motech Performance Ft. Irwin Toy Drive event; they own a 1967 Plymouth GTX.
- New club members Bob & Lyn Schive joined November 28th at the Bob's Big Boy Ft. Irwin Toy Drive event in Norco; they own a 1969 Plymouth Sport Satellite convertible. Bob was encouraged to join Inland Mopars by our club website.
- New club member Bob Wilson joined November 28th at the Bob's Big Boy Ft. Irwin Toy Drive event in Norco; he owns a 1955 DeSoto Firedome, among his collection of cars.

Treasurer's Report - Sam gave the treasurer's report for November, with a big smile, once he had finished taking care of the many 2021 dues payments members had given him this morning. Sam also reported that we now have 39 member families in 2020 with the recent additions of new members.

Club Social Media

- **Club Website** - Joey Garcia was unable to be with us today.
- **Facebook** - Mike Counts reported that we are up to 780 post "likes". Debbie Whitson let us know that she had been awarded as an Inland Mopars "Top Fan" on Facebook today!
- **Instagram** - Jason Gibbons was unable to attend today's meeting.

Announcements/Prior Club Business or Activities

- Club Event - 2020 Fort Irwin Toy Drive
 - GoFundMe Campaign Update
 - Total of \$2,115.00 donated to date via GoFundMe Campaign
 - * Net proceeds to buy toys = \$2,047.96 after fees
 - * Ken has a spreadsheet of transactions
 - * All net proceeds except \$450.01 previously forwarded to Norma Johnston to go toy shopping
 - * Ken gave Norma a check for \$450.01 to Norma today

Meeting Minutes - December (cont)

Continued from Page 4

Announcements/Prior Club Business or Activities (cont)

- Club Event - 2020 Fort Irwin Toy Drive (cont)
 - Norma received a \$50.00 donation from a friend at work, Dave Miller's sister in Colorado contributed \$50.00, and Norma received a \$20.00 donation from a grocery store customer in line near her who inquired about the toys in Norma's cart. She has a carload of toys ready for boxing after our meeting this morning.
 - Mike Keller shared the news of significant donations he has received:
 - The Champion Cooling Systems show in October raised \$800.00 in cash donations which allowed more than \$1,600.00 worth of toys to be purchased. Mike presented an appreciation plaque to Michael Harding for Champion's partnership. Michael shared that Champion will be hosting a Cars & Coffee the third Saturday of the month from 7-9 AM with food truck and music if enough participation.
 - \$500.00 from Don and Ann Long, who have hosted previous Toy Drive parties in their "Party Garage".
 - \$250.00 from Susie and David, of Hot Desert Mopars.
 - When Mike was delivering an appreciation plaque at PMR, a customer asked what it was for & decided he was going to donate \$200.00.
 - Charlie Buel & friends, who has previously donated large amounts of toys and bicycles, let Mike know he has a large donation coming.
 - Hilton Vail & friends have 68 bicycles for Ft. Irwin kids. The VFW event is next Saturday and there will be toys he will be picking up & delivering to our toy storage.
 - Mike also shared that his goal is to fill two trailers; Fort Irwin expects to have between 1,500 and 3,000 kids to provide toys for.
 - Ken has a bag of toys from MAC (Minor Auto Care) who hosts the Big Wednesdays Car Shows in Placentia.
 - Sil said the toy storage at his home is "damn full" and the overflow is in the warehouse; Dave Miller offered to help with storage if needed.
 - Mike does not have a confirmed date yet from Fort Irwin for the toy delivery. It will probably be December 19th or 20th because we will still be in the process of collecting toy donation boxes. He has appreciation plaques for the businesses hosting the collection boxes. When picking up boxes, please save them for our 2021 toy drive.
 - We do not have a date yet for Fort Irwin's toy distribution, "Christmas in January".
 - Champion Cooling System's Cars & Coffee will be the 19th this month & will be collecting toys & donations for the toy drive. These would be delivered to Fort Irwin in January if the toy delivery gets scheduled for the same day.
- Club Event - November 14, Fort Irwin Toy Drive @ Ramona Tire, Rancho Cucamonga. 33 cars signed in; toys were donated plus \$50.00 in cash. The band from last year once again entertained us but not in the rain this year. Ramona Tire provided Subway sandwiches, chips & drinks rather the previously provided hamburgers & hot dogs due to COVID restrictions. We did the opportunity drawing with lots of stuff given away.

Meeting Minutes - December (cont)

Continued from Page 5

Announcements/Prior Club Business or Activities (cont)

- Club Event - November 21, Mopars & Friends @ MoTech Performance, Murrieta, Open House & Fort Irwin Toy Drive. There were 40-50 cars; 75 people signed in; 3 favorites were awarded: vintage, modern muscle, and non-Mopar. We received \$240.00 in cash for the Fort Irwin Toy Drive and once again did the opportunity drawing with lots of stuff given away.
- Club Event - November 28, Fort Irwin Toy Drive @ Bob's Big Boy, Norco. There were over 150 cars at this event, including a truck club. Lots of toys were donated by generous people. John Force and Jack Beckman attended. This was Rick Campbell's final event here, as he is moving to South Carolina.
- Club Event - There was discussion about visiting Charlie Buell's garage in Vista; lots of cars and cool stuff. Mike Keller will check on a possible visit in January for our club members.

Annual Club Activities - Status Reports

- 2021 Grand National Roadster Show
 - 2021 show dates announced as May 14th-16th.
 - Vehicle entry deadline is February 1st, 2021. Entry form available at www.rodshows.com.
 - Club display vehicles:
 - Jason Gibbons' Duster (confirmed).
 - Sil Brander has offered "Rambo" since it should be finished in time. It will be wrapped, not painted, so no worries about paint being completed in time.
 - John Smithson's '65 Plymouth Satellite was proposed for the third car in our club display. This car is a true survivor as it was John's dad's car and had been in storage since 1987. John said it is shining up good. All were in favor of including the Satellite.
 - Sam proposed having an alternate car. Another suggestion was Chris Thompson's Superbird which he drove to our meeting today. B.J. made a motion that we have four cars in our club display, and Leo seconded the motion; none were opposed. There will be further discussion about how much of the \$150 entry fee to be covered by the club. Leo reminded Chris to send photos of the Superbird to Jason.
- 20th Annual Mopars In May Car Show
 - Mike Counts had advised Ken that he needs to step down from the Show Coordinator position due to work commitments. We thanked Mike for all his efforts.
 - Jason Gibbons has stepped up and said he will serve as the 2021 Car Show Coordinator; a round of applause for Jason. His prime responsibility is coordination and follow-up; delegate and coordinate...because all of us will volunteer to help in any way possible

Continued on Page 7

Meeting Minutes - December (cont)

Continued from Page 6

Annual Club Activities - Status Reports (cont)

- 20th Annual Mopars In May Car Show (cont)
 - Norma will continue with opportunity awards.
 - Dave will continue to work with vendors and swappers; Ken will forward revised letter with new show location with a copy to Jason.
 - Bill Heckman will continue with parking vendors and swappers.
 - Lonnie will continue with trophies and plaques.
 - Mike Counts will oversee parking show cars with Tim and Paul assisting.
 - Date is set for May 23rd, 2021; Set-up day is Saturday May 22nd.
 - Barry Jenkins at SW Carpenters advised B.J. Hayden that Inland Mopars is approved to have our 2021 All-Mopar car show at the SW Carpenters Training Center in Ontario (this is the correct name for the facility). It is adjacent to the old Ontario Motor Speedway site on Shelby Street. Barry Jenkins requested a 2021 show flyer be sent to him as soon as possible. Ken will ask Jason to forward to him as soon as it's updated
 - Ken will advise Jason that club members approved adding a 'Carpenters Union Member' class for only union members to display their cars no matter make or model. We all were in agreement to make this a 'participant judged' class.
 - The charity this show will benefit is the Fort Irwin Toy Drive.
 - Insurance coverage documents:
 - Ken contacted Hagerty Insurance and they will provide Insurance Declaration documents before our policy renews on 02/02/21.
 - Ken also requested that renewal documents be sent to him ASAP so we can renew our coverage for 2021. They will check and advise.
 - Flat Screen TV;
 - Ken informed Jason of the flat screen TV that we already purchased and advised this should be shown on the 2021 show flyer.
 - We did not use the TV that Lonnie and Robin donated to the club as a prize at the Toy Drive Car Show at Bob's Big Boy last month as it was not advertised for this event. It was decided that we would use that TV first, and depending on size of our 2021 Mopars in May, we may give away two TVs; to be decided closer to the show..
 - Additional update info will be distributed as soon as available.
- 2021 Annual "Unholiday" Party
 - Norma updated us that we will be having; 'where' is pending.

Future Club Events/Planning/Business

- Mike Keller made us aware that our meeting date for April, 2021 falls on Easter Sunday, and the meeting date for July, 2021 falls on 4th of July. It was agreed that we should postpone our meeting dates one week for these two months.
- Regarding Mopars in May 2021, Lonnie brought up that we should consider noting on our flyer that shade canopies are allowed with weights (no stakes) to prevent possible damage to sprinkler systems, as there are no trees for shade at our new location.

Meeting Minutes - December (cont)

Continued from Page 7

Future Club Events/Planning/Business (cont)

- Sam has a 10x20 canopy that can be used for our opportunity drawing area, etc. Tim also has a 10x20; Leo and Sil also have shade that we can use which would need to be staked or weighted. Renting is also an option if necessary.
- Norma has blanket throws and robes which were donated by Sam Frisby for sale today; these would make great gift items.

Round Table Discussion

- Mike Keller - Ed Lowrie donated \$100.00 and Chris Thompson donated \$200.00 to the Fort Irwin Toy Drive funds today.
- Dave Miller - his yellow Valiant will be 'racing only' going forward.
- Bill Heckman - working with John Smithson on his Satellite.
- John Smithson - working on the Satellite.
- Sil Brander - working on the 'restore' for his damaged '59 Plymouth.
- Michael Harding - may work with a 3rd shop on this engine with compression issues (360 stroker small block); suggestions were offered for troubleshooting and solutions.
- Judy Hamer - her son and grandson from Oklahoma gave them a surprise visit for Thanksgiving; he now owns a Challenger Hellcat he bought with 9,000 miles on it.
- Chris Thompson - working a lot, like 96 hours/week. He bought the Road Runner Superbird in May; we all enjoyed seeing it today.
- Ken Hamer - waiting on the hood scoop for the Dart to be painted.

There being no further business, the meeting was adjourned at 11:39 AM.

Respectfully submitted,

Diane Baer, Recording Secretary

High Tech Back-Up Sensor

Many of the newer cars have a Back-Up Sensor that warns the driver before the rear bumper actually comes in contact with something. Who invented this sensor?

I'll bet you think it was Ford, maybe GM; how about Chrysler? No.

Then how about Mercedes Benz, or possibly the French or Italian car manufacturers? No.

It was a Japanese farmer named Kawasaki.....

His invention was simple and effective.

It emitted a high-pitch squeal just before the vehicle itself backs into something.

Here's where the idea came from

Mopars & Friends at MoTech Performance

When I pulled in at MoTech Performance RJ & crew were busy setting up the food area for donuts, drinks & pizza for lunch. Chris had been moving vehicles out of the shop so everything seemed to be going smoothly.

The registration/opportunity drawing/toy drive booth set up was complete. Norma arrived with her Barracuda and an opportunity drawing basket. The inside of the shop had project cars to check out. There was an industrial complex full of vehicles to check out. There were munchies & drinks to tide you over until noon.

A little before noon pizza was delivered by our host. The guests went through most of the pizzas. It was decided that a little after 1:15 would be a good time to start the official proceedings. A couple of discreet Inland Mopars members had picked their three favorite cars. No judging, just cars they liked best. Robert Juarez from Fontana received the trophy for Favorite Modern Muscle with his 2006 Dodge Magnum SRT. Woody Widman from San Marcos received the trophy for Favorite Vintage Muscle with his 1970 Plymouth Cuda AAR. Bob Guibord from Temecula received the newly added trophy for Favorite Non-Mopar with his 1967 Pontiac GTO convertible. Yes, we did have a lot of "Friends" (defined as not a Mopar) show up and it was great.

Mopars & Friends at MoTech Performance
2020 Open House & Toy Drive for Ft. Irwin
 Hosted by Inland Mopars & MoTech Performance

Saturday November 21, 2020, 10:00 a.m. - 2:00 p.m.
 41715 Elm St., #301, Murrieta, CA 92562

Refreshments will be provided 10:00 to 1:00 (please confirm attendance)
 MoTech Performance Shop Tours
 Free Toy Handouts at Ft. Irwin January 2020

Directions

From the North (15 & 215) going North
 Exit 15 or 215 Hwy at Murrieta Hwy Springs Rd and make a right. Go to Jefferson Ave. Make a left. Go to Elm Street & make a right. Make a right at the first driveway just past the storage unit at 41715 Elm Street. Proceed to the facility in the rear complex.

From the South (15) going North
 Exit 15 Hwy at Winchester Rd (79). Make a left onto Winchester Rd. Go over the 15 Hwy to Jefferson Ave. Make a right. Go to Elm Street & make a left. Make a right at the first driveway just past the storage unit at 41715 Elm Street. Proceed to the facility in the rear complex.

For more info or to confirm for head count/food purposes:
 Mike 951-212-0817 / mikesj70@gmail.com
 Please donate a new, unopened toy valued at \$10 or more for the Ft. Irwin toy drive (you are not limited to the amount of toys you donate) #mopars

We had 75 people sign in but I know there were a few who may have come & gone without being counted so I would say we had closer to 85. Everyone who signed in, toy or not, received a drawing ticket for a few appreciation items. We had members from 12 different clubs sign in but I am guessing there were more than that who didn't sign in.

Thank you to MoTech Performance for once again hosting this event. Thanks to all who supported the event. The kids at Ft. Irwin will be glad you did.

MOTEC
PERFORMANCE

Bob's Big Boy Toy Drive Cruise

When I pulled in the Bob's Big Boy parking lot in Norco you would have thought the event had already started, there were so many cars there and it was only 11:15 for a noon starting event. Retro Rick Campbell did a great job getting the word out & people were looking for a car oriented event to participate in. Cars came & went but at one point over 140 cars were counted. Masks & social distancing was observed.

Rick had it set up so anyone bringing a toy could roll a dice to see how many free raffle tickets they would get. And the people responded with the largest amount of toys collected at any of our 2020 toy drive events. In addition to the usual car crowd, NHRA funny car drivers Jack Beckman & John Force were in attendance. Jack brought out his bright yellow El Camino. Rick also had a large raffle/opportunity drawing & awards presentation. This would be one of Rick's last events in So Cal because they will be retiring to South Carolina this coming year.

Thanks to Rick, Susan, Bob's Big Boy & everyone who attended & brought toys and/or made a monetary contribution.

Bob's Big Boy Toy Drive Cruise (cont)

Ft. Irwin Toy Drive 2020

The toy drive for Ft. Irwin officially started off slowly at the NHRA Mopar Racer's Autograph Session at Glendora Dodge in February and then came to a screeching halt in March due to COVID-19. A toy drive committee was formed in July to see what options we had. Not being a 501c non-profit eliminated a few things. Toy donation boxes were the big thing we went with along with the GOFUNDME link as well as contacting previous toy party goers.

Champion Cooling Systems moved their show date & location a couple of times and were finally able to hold it in October, where we did collect toys & monetary donations. A couple of weeks later the Ramona Tire Get Together & Toy Drive had sunny weather and more toys & monetary donations. The following week was the Mopars & Friends at MoTech Performance with a larger turnout of cars and people than we had previously seen. November wrapped up with the Bob's Big Boy Cruise.

In the meantime, toy donation boxes were filling up in most locations, checks started coming in & the GOFUNDME link was staying busy. Camille Counts had volunteered to help the Ontario fire department distribute toys for another organization. When they had finished they still had toys left so she called her husband Mike to bring the truck & it was filled, inside & out. Hilton Vail & friends in El Cajon purchased 68 bikes for us. They also purchased a bunch of razor scooters along with additional toys. Like Camille, they were part of another toy distribution which had toys left over. Hilton & his wife packed their Tahoe & delivered them to our toy storage.

While all this was happening our dedicated toy shopper, Norma, had been shopping until she couldn't fit anymore in her car. She would say she had toys, they would get picked up, boxed & delivered to toy storage, and she would start again. Typical shopping spree results below. Thank you Norma.

Our usual toy storage location had pretty much been filled after the Bob's Cruise so it was decided to encroach into a secondary area. By the time toy trailer loading came, that area had more toys than our initial storage area. In the past, when we would do the trailer loading, the items from the initial storage would be loaded, then the trailer would be taken to the Long's for the toy drive party and be

Ft. Irwin Toy Drive 2020 (cont)

final loaded there. This year there would not be a party. All the items in the secondary storage area made up for lack of a party. Many of those items were purchased with funds, either by check, GOFUNDME or cash, donated by people who would have usually attended the party. The resulting amount of toys shows how generous people, especially car people, can be when it comes to supporting our military.

Left; inside 24-foot trailer loaded with initial storage items. About 1/3 full, top to bottom, side to side.

Right; Hilton Vail helping load from secondary storage. Bags of stuffed animals in the foreground. Stacks of razor scooters on the left.

Left; Tim loading razor scooters. Hilton can't believe the amount of boxes & toys.

Right; Paul finishing loading boxes & loose toys.

Below, from left; Mike, Bill & Tim adding a cardboard wall to hopefully keep everything from shifting (nope); 24-foot full load before door gets closed; 24-foot toy bike trailer with 68 bikes before a couple of wagons were added.

Thank you to the storage & loading team for coming out on a Friday: Sil & Carol Brander, Paul Roddy, Tim & Diane Baer, Lonnie & Robin Clabaugh, Bill & Debbie Whitson, Hilton & Lenda Vail, and Judy Hamer. An additional thank you to Sil & Carol for providing pizza & drinks.

Ft. Irwin Toy Drive 2020 (cont)

After the trailers were loaded, Paul & I hitched up the trailers & headed for home(s) since they were on the way to Fort Irwin.

Saturday morning saw Ken Hamer arrive at Paul's early to transfer more toys he had picked up from the last of the Big Wednesday car cruise boxes. Paul & Ken left early and I followed him up, meeting at the Ft. Irwin Road exit. Tim & Diane followed. We met Sgt. Williar at the visitor center parking. We followed him in without a hitch since they already had visitor passes ready for us. I had let them know the room where we had been delivering toys in the past would not be big enough so they found another building.

When we pulled in we were met by the emergency services personnel, who were Santa's elves this year. (Yes Debbie, firemen.) The bike trailer was the first to be unloaded. A line was quickly formed and bikes were moved inside. The bike trailer was moved, then the toy trailer moved into place. Stuffed animals first, then a group picture, and then trailer unloading. First from the back door, then from the side door.

Months of work was unloaded in less than an hour. Mrs. Claus was there to keep an eye on things.

Ft. Irwin Toy Drive 2020 (cont)

Toy delivery is done. Now toy distribution. Ft. Irwin is still working on the details of toy distribution but due to COVID restrictions, it will not be the same as in the past. There can't be families lined up for hours with no social distancing. So it will look different but the results will be the same. Hopefully we will see happy smiling faces.

There will be a drawing for the bikes, 68 plus 2 smaller bikes plus 4 that needed to be assembled. Those 69 were from Hilton Vail & friends. One of Hilton's other friends purchased 120 Walmart \$25 gift cards which will also be given out according to whatever way is decided on.

Toy distribution will be held January 23rd. I do not have the times yet. If you are interested in going I will need a copy of your driver's license so it can be submitted to Ft. Irwin ahead of time to get you screened & a visitor's pass issued to get you on base. Do not wait until the last minute.

Thank you to all who made this possible

Planning has started for 2021

Ft. Irwin Toy Drive 2020 (cont)

Please support the following businesses that supported us by having a toy donation box on their premises

USA MOPAR DOOR HINGE
REMANUFACTURING SERVICE
1967-1976 A-BODY
1962-1978 B-BODY
1970-1974 E-BODY

Why buy Taiwan made reproductions when you can get the highest quality remanufactured door hinges, using only original, Mopar made hinge cores.

I Remanufacture a complete line of Mopar application only door hinges using only new, high quality US made components. No import parts ever.

Over 25 years experience remanufacturing Mopar only door hinges.

I remanufacture the following hinge applications: 1967-1976 A-body, 1962-1965 B-body, 1967-1970 B-body, 1971-1978 B-body, 1970-1974 E-body. Most are in stock, primed, ready to paint and install. Or I can refurbish your old hinges with quick turn-over time.

Normally available for exchange or out right with a refundable core charge (\$60.00 if/when available).

Refurbish process:

- * Disassemble and inspect for damage or excessive wear or rust pitting. Must meet my quality standards (undamaged, unaltered, rebuildable). If they pass inspection: then I remove door check pins (these are pressed in and must be cut out). Remove pins and bushings in upper hinges.
- * Square up hinge bodies. Bore & ream to fit oversized pivot pins in lower hinges. NO BUSHINGS.
- * Install new roller pins by MIG welding with new wave springs and refurbished rollers
- * Tighten upper hinges.
- * Prime hinges with Automotive grade primer. Compatible with enamel or lacquer.
- * Install new Oil-lite bronze bushings and new pins in upper hinges.
- * Lube all pins and other moving parts with a Teflon lube
- * Install pins and "S" lower pivot springs
- * Chase all threads with proper sized thread chaser die
- * Mark hinge install location on hinge bottoms
- * Package in moisture proof, sealed heavy thickness transparent packaging
- * Box up , enclose packing slip, install and adjust instructions from service manual
- * Ship out by US Priority Mail

Mention you are a member of Inland Mopars Car Club, FABO, FBBO, or FEBO and receive a 10% discount from revised 2020 retail prices (effective June 1, 2020):

| | |
|------------------------------|-----------------------|
| A-body 67-76 Retail \$210.00 | Member price \$190.00 |
| B-body 62-65 Retail \$210.00 | Member price \$190.00 |
| B-body 67-70 Retail \$210.00 | Member price \$190.00 |
| B-body 71-78 Retail \$260.00 | Member price \$230.00 |
| E-body 70-74 Retail \$210.00 | Member price \$190.00 |

All prices are exchange plus refundable core charge plus and Priority Mail shipping. PAY-PAL, Postal Money Orders accepted.

Also New factory key blanks and door springs are available.

Thank you for all of your prior and future business: REMEMBER-MOPAR OR NO CAR.

Ads will run until I hear they are no longer needed.

Please contact me with any changes, additions or deletions. Phone & e-mail are on Page 1.

Wanted

- Looking for a '69 Dodge Charger, motor not important. Sergeant Major at Ft. Irwin looking to replace his car.

Contact Mary Leatherman: e-mail leatherman.mary48@gmail.com

- Looking for a '69 GTX convertible lens for the dash. No more info than that.

Contact Smilin' Ed: cell: 702-807-1408 or e-mail moparsoflasvegas@cox.net

For Sale - California

- Chrysler 440 engine engine, rebuilt with best of everything, balanced to one gram, \$3000

Contact Sherm Taylor 909-758-6933 or
e-mail Sherm.Taylor@chaffey.edu

- 1965 Barracuda big back window, the speedometer cluster as well as the chrome pieces along with a few other Barracuda pieces.
- 1950 5 window Dodge pickup. It is completely there but needs to be put back together.
- 1956 Dodge pickup. Complete, was running when we parked it but needed a fuel pump.

Moving out of state so for any of the items above call Marie Hubert at 909-709-5010 or e-mail: grandmamarie5@gmail.com

Nuts & Bolts- (cont)

For Sale - California

- 1950 Plymouth with blown HEMI. I brought the complete car with motor, transmission and rear end, wheels and tires, from Fresno. I have it all at my shop in Rancho Cucamonga still on the trailer. We have some interest and now the car is local and can be seen easily. Please let our Mopar friends know of this unusual and monster engine. Asking price has been reduced.

Call Rich at 909-921-6313 or e- mail richmehas@gmail.com

Nuts & Bolts- (cont)

For Sale – California
