President's Message

Ken Hamer

Reminders:

- *Our March club meeting is Sunday, March 7th, at Cactus Cantina in Riverside. I will send an email update a day or two before to confirm if our club meeting will be inside or outside*
- *Sam Frisby will happily accept your 2021 club dues if you haven't already paid them*

Club Activity Updates

The turnout at our February club meeting was a little light - possibly because it was on a Saturday rather than our standard Sunday meeting day. So this is an update on our upcoming club activities, both for those that didn't attend the February club meeting and a reminder for those that may have forgotten.

But first, please join me in welcoming our newest Inland Mopars Car Club members, Catherine Harris and Steve Boris from Holbrook, New York. Catherine reached out to Inland Mopars and expressed interest in joining because she owns the 1967 Dodge Coronet R/T that her mother drove off the showroom floor from Moss Motors Dodge in June of 1967! The Coronet is a true all-original survivor including the original factory paint and the original California license plate. Catherine said she felt it was only right that her Coronet be part of a Southern California Mopar car club. Welcome Catherine and Steve! We hope you are able to make a trip out to SoCal sometime in the future.

Before I start with annual club events here is some news about something new at Fort Irwin. Ms. LaToyla Atkins, the new Special Events Coordinator for the Family Morale, Welfare and Recreation services at Fort Irwin has asked Inland Mopars for a favor. Following

Bits 'n Pieces: OPM Blood Drive Update

The Ontario Police Museum hosted a Lifestream Blood Bank blood drive at the museum location in Ontario on February 13th. This was a Help the Helpers event with 19 people successfully making donations. Two others were deferred.

Of the 19, 16 donated whole blood, 2 did double red cell donations, and 1 donated plasma. Firehouse Subs furnished free lunch coupons for all who made a donation. Plus you got the free "Count on Me" shirt, cookies, Chex Mix, etc., water, or juice by spending 15 minutes in the canteen. Call Lifestream at 800-879-4484 to make that next appointment. Mention reservation code "MRPM". Or use this link <https://www.lstream.org/OPM/> to register online.

the success of our 2020 Fort Irwin Toy Drive and the "Christmas in January" event, she is asking if club members would help with a planned activity for some of the kids on base that are graduating in 2021 and may possibly not be able to participate in an actual graduation ceremony. Ms. Atkins feels that graduating from high school, or even kindergarten, is a big milestone in life and she wants to show them the community cares. She is in the initial idea and planning stages of a "Class of 2021" parade on base and asked Inland Mopars club members help by having our cars as part of the parade. Each car would have a banner with a graduate's name on it. After the parade the graduate would have their photo taken with the car and banner. Cars may either be driven out to Fort Irwin or trailered. She would love to have as many of our classic Mopars, hot rods or race cars as possible but will also appreciate our daily drivers. The planned date is Saturday, May 29th. We will discuss this more at upcoming club meetings as more information is available.

OK, on to upcoming club event updates. First, our annual club "UnHoliday" party is being planned for April. Because of the uncertainty of restaurant availability due to the continuing COVID-19 issue, Dave and Tanya Miller volunteered their home patio in Rancho Cucamonga for this event. Norma Johnston is busy with the planning. The preliminary plans are to have the food catered and, yes, we will have our usual gift exchange. (See page 7 for info from Norma. Catering cost breakdown has not been included in newsletter.)

Planning continues for our 20th annual "Mopars In May" charity-benefit car show scheduled for May 23rd at the Southwest Carpenters Training Center in Ontario. Pre-registrations are arriving by both mail and online registration. In addition to mailings to past show participants, we have car show information notices on socialcarculture.com, various Mopar-specific websites, and Car Show Chairman Jason Gibbons arranged to have our show listed on dodgegarage.com website.

Check it out on <https://www.dodgegarage.com/events/538/mopars-in-may> and you'll see our show listed along with other major Mopar shows and events across the country. We will update with more information at our March club meeting.

We need more vendors and more items for the Opportunity Drawing at our show. Please continue your efforts. We need all club members' support to make this show successful.

Lastly, Rob McLean from 'down under' said to say "G'DAY" to everyone.

As always, thank you to everyone for all you do to make Inland Mopars Car Club the very best it can be - the club's reputation is a direct reflection of the membership //

Meeting Minutes - February

 - The remaining gift cards which were used for teen gifts will be directed to families of lower ranked enlisted personnel at Ft. Irwin for groceries, etc.
 - Mike Keller shared that some of the toys were donated to the kids at the Marine Corps Logistics Base nearby as there was a need there this year
 - Norma shared that we received more toy donations for boys this year and were short on toys for girls. We'll keep in mind for next year.

Annual Club Activities/Business Status Reports/Upcoming Events

- Club insurance policy has been renewed for another year and premium paid.
- 2021 Grand National Roadster Show scheduled for May 14-16 has been **CANCELLED**.
- February club activity - Saturday, Feb 20 - Mike Keller has talked with Charlie Buel and tentatively scheduled a visit for anyone interested in seeing Charlie's garage and collection of "stuff" at his man-cave in Vista. Mike will confirm the Wednesday before and update us. We will probably meet in Temecula at 10:00 to arrive at Charlie's at 11:00. This is the same day as Champion Cooling's "cruise" from 7:00-9:00 AM in Lake Elsinore in case anyone wants to stop there first.
- Ken asked for any ideas for future monthly club activities that could be done and comply with current COVID-19 restrictions. Suggestions were:
 - Sun 2/7 - Performance Online (POL) cruise to Orange County
 - Sat 2/13 - Ontario Police Dept. Museum - Car Club Cruise and Lifestream Blood Drive
 - Sat 3/27 - Bonelli Bluffs Vintage Trailer, Car, Truck & Motorcycle Show, San Dimas
- 2021 Annual "Unholiday" Party - We usually hold this event in February or March. Norma asked that we hold it in April since planning still needs to be done. Since it is difficult to plan a restaurant event now, having it at a member's home was suggested. Dave Miller offered to host it at his home with his wife Tanya. Norma will work on food and cost. Either a potluck or catered food was suggested. Dave and Tanya have tables and chairs available. A tentative date of April 17th from 4:00-9:00PM. We will have our usual gift exchange opportunity. **(See page 7 for info from Norma. Catering cost breakdown has not been included in newsletter.)**
- Ken received several emails from Ms. LaToyla Atkins, MWR Special Events Coordinator at Fort Irwin (MWR - Family & Morale, Welfare & Recreation). She thanked Inland Mopars for "Christmas in January" toy drive support and invited club members to participate in a special event on May 29th at Fort Irwin. This would involve our cars in a parade to honor graduates and a photo opportunity at the end for each graduate with the car which carried their name banner as a memento for them. She was hoping for 10-15 cars to participate. Ken read the emails and asked for opinions, such as should we take our 'classic' Mopars or daily drivers, considering the distance we would need to drive them. Ken will respond that about 12 of us are interested and ask about the type of vehicle, also confirm that a driver license copy would be required for anyone who has not been screened previously.

 - Scheduled for Sunday, May 23rd, 2021; set-up day will be Saturday, May 22nd.
 - Updated insurance coverage documents have been received from Hagerty Insurance and copies forwarded to Southwest Carpenters.
 - New requirement from Southwest Carpenters - require "COI" (Certificate of Insurance?) from each vendor no later than three weeks before the show date. Does this apply to swappers or just commercial vendors?
 - Placement of spectator parking, swappers, show cars, food vendors were discussed as well as entrances. Glendora Dodge trailer needs a flat area as do food vendors.
 - We will arrive at 5:00-5:30AM for set up. Flier says gate is open from 7:00-10:00AM and show is 8:00AM-3:30PM. At past shows, cars began lining up at 6:00AM.
 - B.J. brought up there is no overnight parking allowed per Carpenters Union. Both gates will be unlocked at 5:00AM. Our emails go to Los Angeles, need to be communicated to Ontario location.
 - Mike Keller brought up there is no storage for items set up on Saturday (raffle items, goodie bags, awards, etc.). We do not have classroom storage as in previous years at CSDR. Will need to bring a trailer as was done in 2015-2017.
 - Norma suggested doing raffle item & goodie bag prep on the Wednesday before the show (May 19th) at the Brander's then brought to setup on Saturday.
 - Saturday prep on site would be event layout, signage.

Ft. Irwin Toy Drive 2020 Follow Up

As mentioned in last month's Scat Pack News, before the first toy was distributed, the Fort Irwin Provost Marshal/Director of Emergency Services (DES), LTC Rahsaan Jackson, presented Inland Mopars Car Club with a Certificate of Appreciation. Ken accepted this on behalf of all of the club members. It is shown below. The colors did not scan very well. Yes there is a date typo.

Also mentioned in last month's Scat Pack News, before the beginning of the bicycle-winner selection process, Colonel Martin presented Inland Mopars Car Club with a Certificate of Appreciation from Fort Irwin. Again, Ken accepted on behalf of all of the club members. It is shown below.

Christmas in January event continues for 11th year, despite pandemic

Courtesy of the Directorate of Emergency Services (DES)

FORT IRWIN, Calif. — Saturday, Jan. 23 was a special day for the desert dwellers of the National Training Center and Fort Irwin military community. The Garrison was buzzing with activity before sunrise. The preparation was powered by flashlights glaring, diesel engines churning, and clanking of hundreds of toys being stacked into trucks— all to the melody of Christmas music.

Casey Slusser, Fort Irwin Public Affairs As the prep crews were staging at the Rotational

Unit Forward Marshaling Area (RUFMA), the Inland Empire MOPAR Club convoyed in late model Ram pickup-trucks from various locations, to our remote corner of the High Desert to kick off the 11th annual Christmas In January event.

The event officially kicked off at high noon, like previous years under ominous skies, and blistering winds. This year, the event took place in the RUFMA. By using the RUFMA as the toy distribution site, it allowed a drive-through style event, in which residents drove up to the toy distribution site and volunteers handed toys through the vehicle windows. Once toys were received, residents could simply drive away. This maximized Centers for Disease Control and Prevention best practices for the pandemic, such as social distance and protective barriers, and ensured both visitors and volunteer staff were as safe as possible throughout the event. The NTC Command teams and family members came out to support the event. Approximately 500 families attended the drive-through portion of the event. Matt Livingston, Chief of the Community Recreation Division of the FMWR, was active behind the scenes in supporting the event this year and he had the following feelings about the event:

Ft. Irwin Toy Drive 2020 Follow Up (cont)

“I think I speak for all of the FMWR team when I say that it is truly an honor and privilege to be involved in the annual Christmas in January event,” Livingston said. “While FMWR is responsible for bringing special events and programs to the Fort Irwin community all year around, this event holds a special place in our hearts. It brings us joy to see the smiles and excitement on all the kid’s faces as they line up and receive the presents. We look forward to teaming up with the Inland MOPAR team for Christmas in January and hope this wonderful program continues each and every year.”

The pandemic dampened spirits from coast to coast for the better part of the year, and, rather than accept defeat, for all things fun, the Garrison team, showed what kinds of things are possible with a little vision and planning. “The show must go on,” is an old Hollywood mantra which the Golden State’s “Guardians” channeled to complete the mission and spread some Goodwill.

The origins of the Christmas in January event revolved around big hearted, patriotic members of the Inland MOPARs who wanted to give something back to the military community. Some of the members are veterans, others had family members who served, and some never served at all, but all adore the troops, gift-giving, and classic muscle cars. That adoration and mutual partnership has entered its 11th year and is still going strong. Each year the MOPAR Club donates toys to the Fort Irwin team to show support for the NTC and Fort Irwin mission and spread some cheer for our residents. Col. Jeanette Martin, and Command Sgt. Maj. Paul Fedorisin had boots on ground through the entirety of the event, providing proactive command guidance, and thanking volunteers and visiting families.

Following the drive-through portion of the event, cold winds and rain dampened the forecast, but not the spirits, as the virtual bike raffle commenced, at the Sandy Basin Conference Center. The raffle was live streamed on the Garrison Facebook page ([facebook.com/FtIrwin](https://www.facebook.com/FtIrwin)), which allowed a socially-distanced opportunity to announce the winners, and for families to retrieve children’s bicycles. Martin and Fedorisin presented a certificate of appreciation to the MOPAR Club, for their enduring support to the community. Sgt. Maj. Fred Killea with the Directorate of Emergency Services coordinated several supporting actions

Ft. Irwin Toy Drive 2020 Follow Up (cont)

for the event, and he said that he was humbled by the generous donations provided by MOPAR this year and looks forward to helping out next year.

The Christmas in January event reminds parents of what it feels like to be a child again. It provides a sense of purpose, direction, and motivation for the soldier, DA civilian, civilian, and family member volunteers who facilitate the event. Additionally, the families with children are afforded a final holiday gesture of generosity to start off the new year. The Garrison team truly cares about the quality of life for families who call Fort Irwin home. Rather than spending time with loved ones, the Garrison assembled a small Army of volunteers to support the event. As the night closed, and the final bikes were peddled out of Sandy Basin by celebratory youth and parent, the Inland Empire MOPAR convoy waved farewell and the Garrison crew closed everything down, dimmed the lights, locked the doors, and disappeared into the night, knowing that they accomplished something truly special. From the Christmas Tree Lighting in December to the Christmas in January, we wish you all, a happy New Year.

Courtesy of NTC/Fort Irwin Directorate of Emergency Services

Inland Mopars can take credit for pushing the toy drive and delivering the toys & bikes but thanks really goes out to all the generous citizens for their donations. We couldn't have done it without them.

February Club Activity – Visit to *Walk in the Past*

Saturday, February 20, Ken Hamer, Tim Baer, Paul Roddy, Sil Brander, Bill & Debbie Whitson, Bill Heckman & Mike Keller met in Temecula for a trip to Charlie Buel's 4000 sq ft building full of "stuff". We had no idea what he had other than he had a lot of it. And he was looking to liquidate some of it to be able to get his vehicles in without having to rearrange every time. This was in addition to the 3000 sq ft workshop with in progress vehicles.

We were joined by members Jeff Walker, Bill Baugh, Bob Gough, Larry & Debbie Johnson and Robert from the Mopar Club San Diego.

From restored Coke machines to 15 Cushman scooters to a couple of vintage vehicles, the floor was filled. There were working miniature motors. There was a 1931 soda fountain, with bar stools. A hand built John Deere tractor that looked like it came from John Deere. The walls were also filled with memorabilia. The photos that follow give you an idea of what he has. Ken Hamer supplied the period correct black & white photos. Charlie can be reached at (760) 212-6777.

USA MOPAR DOOR HINGE
REMANUFACTURING SERVICE
1967-1976 A-BODY
1962-1978 B-BODY
1970-1974 E-BODY

Why buy Taiwan made reproductions when you can get the highest quality remanufactured door hinges, using only original, Mopar made hinge cores.

I Remanufacture a complete line of Mopar application only door hinges using only new, high quality US made components. No import parts ever.

Over 25 years experience remanufacturing Mopar only door hinges.

I remanufacture the following hinge applications: 1967-1976 A-body, 1962-1965 B-body, 1967-1970 B-body, 1971-1978 B-body, 1970-1974 E-body. Most are in stock, primed, ready to paint and install. Or I can refurbish your old hinges with quick turn-over time.

Normally available for exchange or out right with a refundable core charge (\$60.00 if/when available).

Refurbish process:

- * Disassemble and inspect for damage or excessive wear or rust pitting. Must meet my quality standards (undamaged, unaltered, rebuildable). If they pass inspection: then I remove door check pins (these are pressed in and must be cut out). Remove pins and bushings in upper hinges.
- * Square up hinge bodies. Bore & ream to fit oversized pivot pins in lower hinges. NO BUSHINGS.
- * Install new roller pins by MIG welding with new wave springs and refurbished rollers
- * Tighten upper hinges.
- * Prime hinges with Automotive grade primer. Compatible with enamel or lacquer.
- * Install new Oil-lite bronze bushings and new pins in upper hinges.
- * Lube all pins and other moving parts with a Teflon lube
- * Install pins and "S" lower pivot springs
- * Chase all threads with proper sized thread chaser die
- * Mark hinge install location on hinge bottoms
- * Package in moisture proof, sealed heavy thickness transparent packaging
- * Box up, enclose packing slip, install and adjust instructions from service manual
- * Ship out by US Priority Mail

Thank you for giving blood today. Did you know you can donate blood every 56 days, up to six times a year? With recent world events taking their toll, managing the local blood supply is more challenging than ever and we need heroes like you! It is safe and easy to donate and you help make a lifesaving difference for cancer patients, premature infants, surgical patients, and accident and trauma victims. Hundreds of people need blood every day and because of that, we need you to give as often as you are able.

Don't miss out on the chance to grab our limited-edition donor hat when you give again in March or April!
