## President's Message

Ken Hamer

### Reminders:

- *No club meeting on April 4<sup>th</sup> since the first Sunday in April is Easter*
- *Our April club meeting is Sunday, April 11<sup>th</sup>, at Cactus Cantina in Riverside*
- *Sam Frisby will happily accept your 2021 club dues if you haven't already paid them*

### Another Something New with Fort Irwin!

Before I get into all that's jammed into the middle of April, please join me in welcoming our newest Inland Mopars Car Club members, Vance and Katie Carriere from Redlands. They were inspired to join us from what they have seen on our Facebook site. Their pride and joy Mopar is a 1965 Dodge Dart GT convertible. Vance says they picked up a trophy at one of our 'Mopars in May' car shows at CSDR a couple of years ago with it. Welcome to the madness!

You should all be aware that our annual club "Unholiday" party is Saturday, April 17<sup>th</sup>, at the home of David and Tanya Miller in Rancho Cucamonga. Norma Johnston has put a great deal of time and effort organizing this event and has done an outstanding job. This year's edition will be catered by California Cookout from Upland and will feature a taco bar with chipotle shredded beef, citrus grilled chicken and tender chili pork verde for the tacos, and cheese enchiladas. The Baja Package side dishes are Mexican rice, Mexican beans, cilantro Caesar salad, chips and salsa. If you leave hungry it will be your own fault! See the flyer on Page 10.

We needed to guarantee a minimum of 30 in order to get the catering and had a little over 20 club members commit attending when this was discussed at the March club meeting. Every club member received an email notice early in March with the event flyer and menu. The event flyer specified that Norma needed to receive an RSVP and payment no later than the end of March. I'll be honest, it was troubling to find out that as of March 25 Norma had not yet received

the necessary RSVPs or payment. Another reminder email was sent out so I am hopeful y'all got the message and notified Norma that you will be at the party.

So, what's new with Fort Irwin? We received notice just after mid-March that Team RWB (RedWhiteBlue) at Fort Irwin is hosting the 32<sup>nd</sup> annual Bataan Memorial Death March in Yermo, CA, (near Peggy Sue's Diner) earlier in the day on April 17<sup>th</sup>. See article on Page 12.

2021 marks the 72<sup>nd</sup> anniversary of the Bataan Death March. On April 9, 1942, tens of thousands of American and Filipino soldiers were surrendered to Japanese forces and forced to march more than 60 miles in the scorching heat through the Philippine jungles. Thousands died and those who survived faced the hardships of prisoner of war camps. The POWs would not see freedom until 1945 when U.S.-Filipino forces recaptured the lost territory. During the Bataan Death March, approximately 10,000 men died.

The Bataan Memorial Death March event in Yermo is open to the public at no cost to participate.

Marchers will honor the heroic service members who defended the Philippine Islands during WWII, sacrificing their freedom, health, and in many cases, their very lives. Participants will choose between one of two courses: the full 26.2-mile marathon length or the 14.2-mile honorary length. These are not numerous laps around a track surrounding a football field. Both challenging courses will take marchers through the high desert terrain up into the Calico hills above Yermo. The event information listed various sponsorship opportunities and one jumped out as something Inland Mopars could support with a minimum of club member participation. I felt this was an important consideration because of our annual "Unholiday" party scheduled for later in the day.

Inland Mopars is sponsoring a 'Water Stop' station on one of the courses. We will have individual bottles of water and energy bars available for the marchers. Because of our scheduled "Unholiday" party later in the day I asked for, and was granted, sponsorship of the first water stop so we will be able to break it down early and head home.

Fort Irwin Team RWB graciously offered to make this our first Toy Drive event of 2021 and will provide a collection box at the event registration and start/finish area. Because of this now being a Toy Drive event Mike Keller will be joining me to help man our Water Stop location. Of course, all club members are welcome to either participate or help support this event. Just be ready for an early morning drive to the desert because this event is scheduled to start at 7:30am and we will have to be there earlier to setup and be ready for the very first group of marchers. Please let me know if you may be interested in helping support this event. If you wish to participate, you can find sign-up information at: [Fort Irwin Team RWB Bataan Memorial Death March Online Registration \(runsignup.com\)](https://runsignup.com)

Planning continues for our 20<sup>th</sup> annual "Mopars In May" charity-benefit car show scheduled for May 23<sup>rd</sup> at the Southwest Carpenters Training Center in Ontario. Pre-registrations continue to arrive

daily by both mail and online registration. We still need more vendors and more items for the Opportunity Drawing at our show. Please continue your efforts. We need all club member's support to make this show successful.

As always, thank you to everyone for all you do to make Inland Mopars Car Club the very best it can be - the club's reputation is a direct reflection of the membership //

  - "Period Correct" B&W photos were included in the March newsletter. Mike Keller was kind with his wording, as Ken had his camera on B&W setting, oops.
  - Comments from those who went: Bill Whitson - "great!", Bill Heckman - "enjoyed, wished Charlie was interested in selling some of his items", Sil - "favorite item was the calliope"; all enjoyed the lunch after at The Hat!

### Annual Club Activities/Business Status Reports/Upcoming Events

- Suggestions were requested for a March club event. Bill Heckman signed up for Bonelli Bluffs Vintage Trailer, Car, Truck, and Motorcycle Show 3/27 in San Dimas. Registration closes 3/24. Bill suggested meeting at the café at the Cable airport before the show gate opens for breakfast or meeting in the parking lot at 8:00 AM. The gates for the show are open 8:30-9:45 AM.
- **A reminder, our club meeting for April has been moved to the 11<sup>th</sup>, as Easter is April 4<sup>th</sup>.**
- 2021 Annual "Unholiday" Party (club event)
  - Saturday, April 17<sup>th</sup> at Dave and Tanya Miller's home in Alta Loma.
  - Please see the March newsletter and recent email for event flyer. Norma shared that she has secured catered Mexican food, with a 30-minimum headcount. She needs a firm headcount by 4/1. We will have a taco bar with beef, chicken, pork verde, cheese enchiladas, and Baja Package sides (rice, beans, Caesar salad, chips & salsa).   - Daily driver/classic Mopar/race car/open headers are all okay to participate in the parade.

### Annual Club Activities/Business Status Reports/Upcoming Events (cont)

- 20<sup>th</sup> Annual Mopars In May Car Show (club event)
  - Scheduled for Sunday, May 23<sup>rd</sup>, 2021; set-up day will be Saturday, May 22<sup>nd</sup>.
  - Updated insurance coverage documents have been received from Hagerty Insurance and copies forwarded to Southwest Carpenters.
  - New requirement from Southwest Carpenters - require "COI" (Certificate of Insurance?) from each vendor no later than three weeks before the show date.
    - Confirmation of COI requirement requested from Luba Mirzazadeh.
    - Received email 2/23 from Luba advising Ms. Glenda Jenkins, Asst. Director of Property Management will contact us with information regarding COIs.
    - No contact as of 3/5; sent email to Ms. Jenkins requesting call back ASAP.
    - Ken will follow up 3/8 via email (no phone number yet).
  - Ken called and discussed COI issue with Hagerty Insurance (our club insurance carrier).
    - Hagerty confirmed show attendee vendors/swappers are not covered under our club's policy; only our club members are covered.
    - Hagerty provided name for source of cost-effective, short-term insurance, [www.americanspecialtyexpress.com](http://www.americanspecialtyexpress.com)
    - Provided company name to Jason should it turn out non-commercial vendors/swappers need COI; commercial vendors should be covered by their company's policy.
    - Discussion about making them "club members for the day of show". Comments from members:
      - Concerns over club's liability, opens up problem if we "add" members for the day, could we add "day of show" coverage to policy or add at next renewal for future event, could we add as "additional insured" through Hagerty?
      - We usually have 10-12 paid "swappers".
      - Ken will discuss all of this with Ms. Glenda Jenkins.
  - Need to talk with Dave Miller regarding his connection with portable toilets.
  - Sam Frisby has arranged for D.J. Carl, who did the Elks Show in Ontario, for a \$300.00 fee; will be with us from 5:00 AM through end of the day. Carl has his own generator, so no need for our club to provide. Ken will let Jason know that this is taken care of.
  - Norma shared that she has a COVID-19 release form for the show, not required, but a good idea for participants and spectators. She will also donate 150-200 black masks as well as pens which can be dropped in a basket after use.
- June Club Activities
  - Ken received email invitation to 4<sup>th</sup> Annual Route 66 East Valley Car Show, Sunday, June 13<sup>th</sup>
    - 3033 N Towne Ave, Pomona (Temple Beth Israel).
    - All-makes show.
    - \$35 pre-registration by April 30<sup>th</sup> includes event t-shirt, dash plaque, and goodie bag.
    - \$40 day-of-show registration includes dash plaque and goodie bag.
    - Event had been listed in the March newsletter June 2021 Upcoming Events.

ALL FUTURE EVENT DETAILS WILL BE POSTED AS SOON AS THEY BECOME AVAILABLE."

### Round Table Discussion

- Norma - Save the date, October 2<sup>nd</sup>, for Patriots and Paws' show. Bill Heckman made a motion to make it our club event for October; Norma seconded the motion; all in favor. Norma also shared that she is moving forward on house remodel; 'Baby' will be staying with a friend in Anaheim.
- Lonnie - There will be a car show at Bates Nut Farm in Valley Center on Sunday, April 25<sup>th</sup>. Debbie shared that it may be the same day as Corn Feed Run in Chino. - John - Working on the Satellite (tires, out and running, should be finished next month).
- Bill Heckman - Working on the '37 Dodge, polishing wheels, then tires. Also asked if there are Mopars in May flyers available at Carpenters Union for apprentices and employees to pick up? Ken will check on with Luba Mirzazadeh and cc Barry Jenkins.
- Tim - Boxing and boxing for upcoming move.
- Paul - New flooring going in downstairs at home.

### Round Table Discussion (cont)

- Sil - His "dented" Plymouth has gone to detail. 'Rambo' has had its color and graphics finalized, and wheel tubs and sheet metal work is in progress; it will go to powder coat at the end of this month.
- Joey - The Duster needs repaint; same color. He is committed to EFI. In January, he and Daemon had COVID-19 and were quarantined at home.
- Sam - Asked about Carpenters' Class for Mopars in May; Ken advised there is a spot on the registration flyer where they will check the box for Carpenters' Class and he will remind Barry and Luba that they will need to check that box to be entered in this class. On line registrations are going to Ken and in mail, to Jason.

There being no further business, the meeting was adjourned at 11:24 AM.

Respectfully submitted,

Diane Baer, Recording Secretary

## 32<sup>nd</sup> Annual Bataan Memorial Death March

hosts  
the 32nd annual

April 17th, 2021  
Yermo, CA

*Honoring the heroic service members who defended the Philippine Islands during World War II, sacrificing their freedom, health, and, in many cases, their very lives.*

### The Bataan Death March

On April 9, 1942 tens of thousands of American and Filipino Soldiers were surrendered to Japanese forces and were forced to march more than 60 miles in the scorching heat through the Philippine jungles. Thousands died and those who survived faced the hardships of prisoner of war camps.

The POWs would not see freedom until 1945 when U.S.-Filipino forces recaptured the lost territory.

During the Bataan Death March, approximately 10,000 men died.

This year marks the 79th Anniversary of the Bataan Death March.

**Team RWB - Fort Irwin Chapter** is hosting the 32nd annual Bataan Memorial Death March on April 17th, 2021. This challenging course will take you through the high desert terrain of Yermo, California.

The location was chosen for ease of access to I-15, hotels and restaurants as well as the proximity to Fort Irwin and Marine Corps Logistics Base Barstow.

Marchers choose between the full 26.2 mile marathon length or a 14.2 mile honorary distance. Participants register for the march at <https://bataanmarch.com/>. Registration includes access to It's Your Race Virtual Mobile app which will automatically track participants pace, distance and overall time and post it to the Bataan Memorial Death March results page.

## 32<sup>nd</sup> Annual Bataan Memorial Death March (cont)

The White Sands Missile Range decision to host the 32nd annual Bataan Memorial Death March virtually for the first time in event history has allowed Team RWB - Fort Irwin the opportunity to host the event in Yermo, CA and bring together veterans, community members, local businesses and organizations.

With the generous support of sponsors and volunteers this event will encourage local participation from the surrounding communities. With this event, Team RWB hopes to encourage comradery amongst its current and future members while honoring the lives lost during the Bataan Death March.

By supporting this event - you will be helping Team RWB - Fort Irwin Chapter to host a safe route for participants to complete this memorial march.

### MISSION

The mission of Team Red, White & Blue is it to enrich the lives of America's veterans by connecting them to their community through physical and social activity.

Team Red, White & Blue is the antidote to the isolation and health challenges they face.

We insist that all veterans have the opportunity to reclaim what was most precious about their military service: an unwavering sense of belonging born of challenges that show us what each of us is capable of. Together, we strive to make tomorrow better. Together, we will increase mental and physical health. Together, we will find strength and success.

Our chapters deliver local, consistent, and inclusive opportunities for veterans and the community to connect through physical and social activity. Volunteers host regular fitness activities, social gatherings, and community service events, and facilitate building strong local connections with members and organizations within the community.

1970-1974 E-BODY

Why buy Taiwan made reproductions when you can get the highest quality remanufactured door hinges, using only original, Mopar made hinge cores.

I Remanufacture a complete line of Mopar application only door hinges using only new, high quality US made components. No import parts ever.

Over 25 years experience remanufacturing Mopar only door hinges.

I remanufacture the following hinge applications: 1967-1976 A-body, 1962-1965 B-body, 1967-1970 B-body, 1971-1978 B-body, 1970-1974 E-body. Most are in stock, primed, ready to paint and install. Or I can refurbish your old hinges with quick turn-over time.

Normally available for exchange or out right with a refundable core charge (\$60.00 if/when available).

Refurbish process:

- \* Disassemble and inspect for damage or excessive wear or rust pitting. Must meet my quality standards (undamaged, unaltered, rebuildable). If they pass inspection: then I remove door check pins (these are pressed in and must be cut out). Remove pins and bushings in upper hinges.
- \* Square up hinge bodies. Bore & ream to fit oversized pivot pins in lower hinges. NO BUSHINGS.
- \* Install new roller pins by MIG welding with new wave springs and refurbished rollers
- \* Tighten upper hinges.
- \* Prime hinges with Automotive grade primer. Compatible with enamel or lacquer.
- \* Install new Oil-lite bronze bushings and new pins in upper hinges.
- \* Lube all pins and other moving parts with a Teflon lube
- \* Install pins and "S" lower pivot springs
- \* Chase all threads with proper sized thread chaser die
- \* Mark hinge install location on hinge bottoms
- \* Package in moisture proof, sealed heavy thickness transparent packaging
- \* Box up, enclose packing slip, install and adjust instructions from service manual
- \* Ship out by US Priority Mail
