Ken Hamer

### **Reminders:**

- *Our May 2<sup>nd</sup> club meeting will be held at our 2021 "Mopars In May" car show venue, the Southwest Carpenters Training Center, 3250 Shelby Street, Ontario 91764*
- *Sam Frisby will happily accept your 2021 club dues if you haven't already paid them*

### **THANK YOU!**

The month of November with the annual Thanksgiving holiday is the traditional time period to offer "Thanks", and as much as I enjoy traditions, I am going to break with it and use the month of May to offer my "Thank You" for the following:

### Annual Inland Mopars Car Club "Un-Holiday" Party

- David and Tanya Miller for their wonderful hospitality by hosting our annual party at their home in Rancho Cucamonga
- VP Norma Johnston for all of her time and effort in planning, decorations, and making the arrangements for the caterer and the beautiful cake
- Everyone who attended and helped make this a fun evening for all
- "Mother Nature" for providing outstanding weather

Our 2021 "Un-Holiday" party was one of the best ever. In addition to the good food, all those in attendance had a chance to get together with friends for a very relaxing time and just have fun. The gift exchange provided some great entertainment with a number of additional "exchanges" that went on after the initial individual gift selections. Fun was had by all. You missed a great evening if you couldn't make it to this year's party. Make sure to make plans to attend the 2022 party.

### 2021 Bataan Memorial Death March

The morning of the same day as our "Un-Holiday" party, the Team RWB chapter at Fort Irwin hosted the 32<sup>nd</sup> annual Bataan Memorial Death March event in Yermo. Thank you to both Mike Keller and Paul Roddy for accompanying me and helping to distribute bottled water and packaged energy bars to the event participants at our club-sponsored Water Stop. It was a very early day as we needed to be in Yermo at 6:30AM.

### 2021 "Mopars in May" Car Show

- Jason Gibbons for stepping up to take the reins as Car Show Chairman and the great job he is doing in both planning and organization of our 20<sup>th</sup> annual all-Mopar charity-benefit car show
- Mike Keller for providing knowledge and assistance from his years of experience planning and organizing our prior car shows
- ALL club members who have volunteered their time and effort to make all aspects of our upcoming show a success. Your time, effort, and dedication make our annual car show the outstanding success it is. We couldn't do it without you!

### Diane Baer and "Team Tofoya"

The office of club Secretary is a difficult position to fill when the need arises. Tim and Diane Baer are relocating to Prescott Valley, Arizona. Thank you to Diane for the great job she has done as the most recent club Secretary. We tried to come up with all sorts of unique options where she could continue to record the Minutes of our monthly club meetings but none of the options proved practical - just funny and silly. So, Thank You to Leo and Barbara Tofoya for stepping up as "Team Tofoya" to take on the responsibilities of club Secretary going forward.

Also, please join me in welcoming our newest Inland Mopars Car Club members who joined following our April club meeting:

- Cliff and KC Clark from Chino Hills. They have both a 1940 Dodge D-15 Coupe and a 2021 RAM 1500.
- Don and Mary Danley from Riverside. Their Mopars include a 1969 Plymouth Road Runner convertible 'tribute', a 1995 Dodge Ram 2500 and a 2020 RAM 2500.

Welcome to the madness!

Planning continues for our 20<sup>th</sup> annual "Mopars In May" charity-benefit car show scheduled for May 23<sup>rd</sup> at the Southwest Carpenters Training Center in Ontario. Pre-registrations continue to arrive daily by both mail and online registration. With still a week to go for online pre-registrations, our current vehicle online pre-registrations are 50% above the total received in 2018; our swapper/vendor online pre-registrations are currently over 6 times the number we received in 2018. We still need more vendors and more items for the Opportunity Drawing at our show. Please continue your efforts. We need all club members' support to make this show successful.

As always, thank you to everyone for all you do to make Inland Mopars Car Club the very best it can be - the club's reputation is a direct reflection of the membership //

## Inland Mopars Unholiday Party

photos submitted by Norma Johnston & Tanya Miller

You knew you at the right place when you pulled up to Dave & Tanya Miller's home by the Welcome Inland Mopars signage. In case you still weren't sure, when you walked out onto the deck there was more Welcome Inland Mopars signage on the lower patio. The other hint were all the cars parked on the street.

Host Dave Miller had everything organized & ready to go

Norma had arranged to have the buffet style meal catered by California Cookout. The menu for this year's dinner would be a Taco Bar with a Baja package. Menu package included: Entrée: Taco Bar - your choice of any or all Chipotle Shredded Beef, Citrus Grilled Chicken, and Tender Chile Pork Verde Tacos plus Cheese Enchiladas. The Baja Package Sides included - Mexican Rice, Mexican Beans, Cilantro Caesar Salad, Chips and Salsa. Inland Mopars supplied the non-alcoholic drinks (bottled water, lemonade, iced tea) and Cake for dessert.

After social time it became full-on dinner time. If you left hungry it was your own fault. After dinner & a bit more social time, it became "gift exchange" time. Men brought a gift for a man & the ladies brought a gift for the ladies. Ken had everyone on the list draw a card and then had them pulled to see who would be the next person to draw from the two piles of gifts on the table. After the first person drew then the next person had the choice of drawing from the table or stealing something someone else had already chosen. Each gift was limited to only being stolen twice. All in fun. I think everyone left happy, but not before cake. Cleanup was done very quickly & Dave & Tanya's deck & patio were almost back to normal.

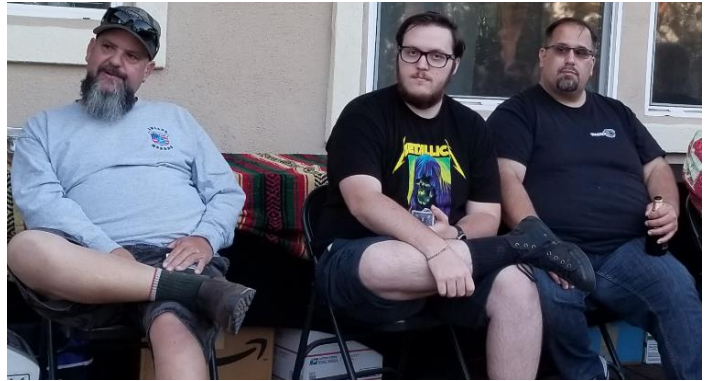

Thanks to Norma for her planning and thanks to Dave & Tanya for the use of their home.

# 32<sup>nd</sup> Annual Bataan Memorial Death March Part 1

## The Bataan Death March

On April 9, 1942 tens of thousands of American and Filipino Soldiers were surrendered to Japanese forces and were forced to march more than 60 miles in the scorching heat through the Philippine jungles. Thousands died and those who survived faced the hardships of prisoner of war camps.

The POWs would not see freedom until 1945 when U.S.-Filipino forces recaptured the lost territory.

During the Bataan Death March, approximately 10,000 men died.

This year marks the 79th Anniversary of the Bataan Death March.

## Team Red, White & Blue Mission

The mission of Team Red, White & Blue is it to enrich the lives of America's veterans by connecting them to their community through physical and social activity.

Team Red, White & Blue is the antidote to the isolation and health challenges they face.

We insist that all veterans have the opportunity to reclaim what was most precious about their military service: an unwavering sense of belonging born of challenges that show us what each of us is capable of. Together, we strive to make tomorrow better. Together, we will increase mental and physical health. Together, we will find strength and success.

## **A Flag for Every Hero**

The following is an email from the "Flag for Every Hero" program Coordinator Brennan Leininger:

### **Memorial Day 2021!**

I hope this e-mail finds everyone safe and doing well. I wanted to share some great news about the upcoming Memorial Day weekend. I have been advised that **WE WILL** almost certainly be able to return to the cemetery and continue our "A Flag for Every Hero" tradition of placing flags for the holiday weekend. Of course, things can change between now and then, but our planning efforts are in full force as we are praying for the best.

With this news, of course, things will look different this year. There will be no morning ceremony, and everyone will be required to follow all current safety guidelines. Our planning committee will be hard at work between now and then to best adjust to the changes, and I will be sending out more details as they are confirmed.

What I know now is the following:

*May 29, 2021 (Saturday) - Flags will be placed out*

*June 1, 2021 (Tuesday) - Flags will be picked up and stored*

Please be patient as we continue to monitor everything going on and keep an eye out for my updates as the dates get closer. As I know many of you are, I am excited to get back out to RNC, to gather as a community honoring our service members and remembering their sacrifices by placing flags.

Thank you for your continued support and understanding over the last year.

Brennan Leininger

REMANUFACTURING SERVICE  
1967-1976 A-BODY  
1962-1978 B-BODY  
1970-1974 E-BODY

Why buy Taiwan made reproductions when you can get the highest quality remanufactured door hinges, using only original, Mopar made hinge cores.

I Remanufacture a complete line of Mopar application only door hinges using only new, high quality US made components. No import parts ever.

Over 25 years experience remanufacturing Mopar only door hinges.

I remanufacture the following hinge applications: 1967-1976 A-body, 1962-1965 B-body, 1967-1970 B-body, 1971-1978 B-body, 1970-1974 E-body. Most are in stock, primed, ready to paint and install. Or I can refurbish your old hinges with quick turn-over time.

Normally available for exchange or out right with a refundable core charge (\$60.00 if/when available).

Refurbish process:

- \* Disassemble and inspect for damage or excessive wear or rust pitting. Must meet my quality standards (undamaged, unaltered, rebuildable). If they pass inspection: then I remove door check pins (these are pressed in and must be cut out). Remove pins and bushings in upper hinges.
- \* Square up hinge bodies. Bore & ream to fit oversized pivot pins in lower hinges. NO BUSHINGS.
- \* Install new roller pins by MIG welding with new wave springs and refurbished rollers
- \* Tighten upper hinges.
- \* Prime hinges with Automotive grade primer. Compatible with enamel or lacquer.
- \* Install new Oil-lite bronze bushings and new pins in upper hinges.
- \* Lube all pins and other moving parts with a Teflon lube
- \* Install pins and "S" lower pivot springs
- \* Chase all threads with proper sized thread chaser die
- \* Mark hinge install location on hinge bottoms
- \* Package in moisture proof, sealed heavy thickness transparent packaging
- \* Box up, enclose packing slip, install and adjust instructions from service manual
- \* Ship out by US Priority Mail

- 1970 Challenger (only) SE, WSS, OEM, rear finish panel. These are not reproduced and are a must to restore a '70 Challenger Special Edition car. The one I have has been professionally restored and is ready for application. I am asking \$1,200.00 which is a fair price for something made of unobtainium. NOS can reach \$2,000.00. I do not have the factory fasteners available. These are just as hard to find.

**This is the motor Sherm Taylor was selling before his passing. His sister decided to leave it to Chaffey college after his passing and they will be using the funds raised towards the scholarship endowment under his name. If you haven't heard about the endowment in his name yet, we just started the fundraising about a week and a half ago with an initial goal of \$12,000. The car club approved a donation last Friday and with all the funds that are currently committed we should be at about \$19,000!!! So our new goal is \$24,000.**
