President's Message

Ken Hamer

Reminder:

- *Our July club meeting is Sunday, July 11th, at Cactus Cantina in Riverside due to the normal meeting date being on July 4th*

AAR (After-Action Report)

The July PM is centered on the After-Action Report from our 2021 "Mopars in May" charity-benefit car show. Our 20th annual car show was the biggest and best one so far and resulted in a lot of good things but also a few things that need some improvement.

First, a huge 'THANK YOU' to Jason Gibbons for volunteering to take the reins as Car Show Chairman after long-time Chairman Mike Keller made the decision to center his efforts on our annual Fort Irwin Toy Drive. Jason did an outstanding job in taking over both the organization and coordination of the various aspects of our annual car show.

Also 'THANK YOU' to the club members that headed various portions of the car show and those that helped in any way.

Our 2021 car show was the first to be held at the outstanding venue of the Southwest Council of Carpenters Training Center in Ontario. This location provided an expansive lawn area (Carpenter's Union Park) for the show that was appreciated by show participants, vendors, spectators and club members alike. 'THANK YOU' to Mike Counts for the great layout that gave access to all of the various vendors at the show and encouraged both participants and spectators to walk around the entire show area in order to see everything.

'THANK YOU' to Lonnie Clabaugh for the outstanding and unique trophies he built for the show. Winners were thrilled to receive such unique hardware.

And again, 'THANK YOU' to the club members who participated with car show registration, parking, show entry judging, organizing and working both the opportunity drawing and t-shirt sales. I apologize if I left anything out. We could not have had such a wonderfully successful 2021 car show without all who helped.

Bits 'n Pieces: All That Car Show Stuff Didn't Load the Trailer by Itself

The Wednesday before our Mopars in May Car Show a group of club members assembled to stuff goodie bags, organize "raffle" prizes & get the trailer loaded for the Sunday deployment. This was necessary because we had no dedicated room where this could be done the day before the show & stored over night. Thanks to all, especially Sil & Carol for storing all the items.

Standing from the left: Randy Whitson, Norma Johnston, Jerry Shory, Lonnie & Robin Clabaugh, Carol Brander, Bill & Debbie Whitson, Mike Keller, Leo & Barbara Tafoya, & Jim Froelich. Sil Brander is seated. Not shown is Judy Hamer, who took the photo.

President's Message (cont)

Continued from Page 1

Of course, 'THANK YOU' to the Southwest Council of Carpenters for permitting us to hold our car show on the grounds of their Training Center in Ontario. 'THANK YOU' letters were mailed to both the Executive Board members in Los Angeles and the Executive Board members at Local 909 in Ontario.

The bulk of time at our June 6 club meeting was spent on club member review of our recent car show and discussion on improvements necessary for future car shows. There were several areas of improvement discussed and suggestions provided, but the one area that was discussed the most was club member participation. The "bottom line" conclusion from the discussion was we need more participation in all aspects of our car show to ensure both the success and continuation of our annual charity-benefit car shows.

Although our membership numbers are increasing, Inland Mopars is still a relatively small club and our car show requires a much higher percentage of member participation in order to prevent the bulk of the efforts falling on just a few. We realize there is a small percentage of club members who live outside of the Southern California area and cannot participate in our annual car show because of this. We also realize that there are also going to be a small percentage of club members with either temporary health or family issues that preclude their participation. But the remaining bulk of our club membership should be in attendance and be ready to help in all aspects of the show wherever needed. Please remember, our annual car show supports the club's charitable activities.

Our discussions at the June 6 club meeting also resulted in some great suggestions for improvements and we will be acting on these suggestions throughout the year in order to improve our 21st annual "Mopars in May" charity-benefit car show scheduled for May 15, 2022. It's on the calendar so make sure your time is open and you will be there to help.

Each month, I close this message with the same words. They are always true, but this month they seem to be more apropos. Please don't just skim over them when you get to them.

I plan to send out an updated 2021 Inland Mopars Car Club Event Calendar by email prior to the July 11 club meeting. Please review it and be ready to provide some suggestions for club activities, especially for July and August as currently we do not show any club activities on the calendar for those months.

Unfortunately, one of the favorite annual activities has been cancelled due to the continuing COVID-19 situation: the annual "Concert for Heroes" on July 3 at Riverside National Cemetery has been cancelled until 2022.

Our club event schedule starts getting more active in September as our annual Toy Drive events start ramping up.

And speaking of our annual Toy Drive, the time to start securing locations for our 2021 Holiday Toy Drive donation boxes is NOW! Please check with the locations you helped secure for our 2020 donation boxes to make sure they are still on board for 2021. We can always use more locations as well. We will discuss this further at the July club meeting.

As always, thank you to everyone for all you do to make Inland Mopars Car Club the very best it can be - the club's reputation is a direct reflection of the membership. //

Announcements/Prior Club Business or Activities

- A Flag for Every Hero - no one attended.
- Mike Keller brought up the Sherm Taylor scholarship endowment in remembrance of Sherm Taylor, who was an automotive instructor at Chaffey College. Sherm had personally supported the Fort Irwin toy drive and had encouraged the Chaffey College Car Club to support it as well. A motion was made that a \$500 donation be made. It was seconded. Mike Keller will get the check mailed.
- Mike Keller made a motion that a trophy in the amount of \$75 be sponsored by Inland Mopars for the Mopar Club San Diego car show in September. SD brought 19 vehicles (car show & swap) to Mopars in May as well as helped with the judging. The motion was seconded. Mike Keller will get the check mailed.
- Ken let us know that we have also sponsored a \$100 trophy for the 30th Annual Vets Show in Oct.

Announcements/Prior Club Business or Activities

- Mike Keller gave a short report on the Fort Irwin Class of 2021 Parade. Heard it went well. Unfortunately with the rescheduling of the date & times Inland Mopars was not able to participate. Heard from one of the participants that they had a good time, everyone appreciated them being there, and they were fed. He would like to be informed of anything else we do up there.
- Mike Keller has attended the High Desert Car Club Council Car Show in Hesperia, the High Desert Fords & Mustangs Car & Bike Show in Victorville and the Hesperia Elks Car Show in Hesperia, hoping to make contacts for Fort Irwin toy donation box locations. Would be nice to have a few other Mopars there.
- Mike Keller has show flyers in the flyer rack in front of his car for the following events:
 - June 12th - Stars & Stripes Car Show in Rancho Cucamonga.
 - June 13th - 4th Annual Route 66 East Valley Car Show in Pomona. Bill Heckman is registered.
 - June 19th - High Desert Marines 8th Annual Car & Motorcycle Show in Victorville.
 - July 24th - Cruise for Paws Car Show in Hesperia. (Mike has sponsored a couple of trophies in the name of Inland Mopars.)
 - August 15th - 14th Annual Wounded Warrior Car Show in Redondo Beach.
 - September 4th - Inglis Classics Grand Opening, Super Car Show & Toy Drive in Hesperia. (Inland Mopars will have the Fort Irwin toy drive booth there.)
 - September 18th - Mopar Club San Diego All-American Car Show in La Mesa (east of San Diego).
 - October 2nd - Patriots & Paws Hometown Heroes Car & Motorcycle Show in Anaheim.
 - October 3rd - Ontario Elks 12th Annual Car Show in Ontario.
 - October 16th - Sun City Cruisers 10th Annual Classic Car & Motorcycle Show in Apple Valley.
- October 10th - 30th Annual Veterans Memorial Car Show at Sylvan Park in Redlands. It was mentioned at our car show they had 538 registrations with a 600 car limit. Inland Mopars is sponsoring & presenting the award for Best Mopar.
- November 7th - Inland Empire Classic Mustang Club Veteran's Day Classic Car Show in Riverside at March Air Reserve Base. Same day as November Club meeting & same weekend as the Nitro Revival. Will need to discuss options.
- November 20th - Mopars & Friends at MoTech Performance Open House & Toy Drive in Murrieta. An Inland Mopars sponsored Fort Irwin toy drive event.

Annual Club Activities/Business Status Reports/Upcoming Events

- 20th Annual Mopars In May Car Show:
 - We had 286 cars/vehicles in the show. Do not have a count of vendors/swappers
 - Ken thanked everyone who helped at the show.
 - Ken has sent a thank you letter to the Carpenters Union.
 - Has an appreciation plaque been sent to the porta potti company?

Annual Club Activities/Business Status Reports/Upcoming Events (cont)

- 20th Annual Mopars In May Car Show (cont):
 - Members voted to reimburse Jason for all expenses related to the powder coating raffle prize.
 - We sold out of shirts, which was a good thing. There are people still asking about shirts. Bad thing is we would have to order a minimum of 100 for a reorder. We need a count to determine if there will be a reorder.
 - Members after show observations, suggestions & recommendations:
 - NOT ENOUGH MEMBERS PARTICIPATING. We had 42 total club members x 2 (Most are couples) as of show date. Less than 20 members were working show.
 - It was suggested that the show was too much work for the working club members, with the club participation that we had, and should keep the show at the present size. Could use more help.
 - Sil suggested buddying up with another club for the show. Members thought that it would end up being a conflict of interest between club charities.
 - Sil suggested that Ft. Irwin contribute help with parking, etc., as this is in support of their toy drive.
 - Cut the size of the opportunity drawing. Too time consuming finding the raffle items for each number.
 - There was no street signage where to park, handicap, show cars, spectators, etc.
 - Porta potties, need more. They ran out of supplies very early (no t.p., hand towels, water at hand wash stations).
 - Modify the layout of the show to improve space efficiency for cars.
 - Switch sides for classic car and modern car parking.
 - Move the vendors to the cement area for more room for cars on grass.
 - Open gates earlier for vendors.
 - Have a hard cut-off time for entries at gate.
 - Revamp the judging forms.
 - Use the legacy window registration forms so class numbers are at the top of the form and can be seen. Use legacy color forms to differentiate judged & display.
 - Have enough judges for each class.
 - More food vendors.

Future Club Activities/Business Status Reports/Upcoming Events

- June club activity suggestions:
 - 4th annual Route 66 East Valley Car Show, Sunday, June 13, at Temple Beth Israel Preschool, 3033 N. Towne Ave, Pomona.
 - Cruisin' Brea Father's Day Car Show, Sunday, June 20, downtown Brea.

There being no further business, the meeting was adjourned at 11:53 am.

Respectfully submitted,

Barbara & Leo Tafoya, Secretary (Team Tafoya)

GNRS TV Trivia, or You Too Could be a Star

As most males occasionally do, we remote surf. On one of those adventures I came across CARS.TV. There was a show description of Grand National Roadster Show and the air date was fairly new so I checked it out. It ended up being a few years old but that didn't matter. There were several listed as GNRS but there are some hiding with incorrect descriptions. There was one that the subject was "The Hotrod". While talking about the car, they showed it multiple times. And who should be walking in the background but our own Ken Strathman. Four different times. See if you can spot him on CARS.TV. On Spectrum, it is Channel 190.

Sherm Taylor Scholarship Endowment

Some of you will remember Sherm Taylor as the big guy at the Chaffey College Car Show. He was an automotive instructor and ended up wearing many different hats at Chaffey. Last year he was diagnosed with pancreatic cancer and had started treatment. He passed away in March. Sherm had a 440 engine he was selling before his passing. It is still listed in the Nuts & Bolts section of the newsletter. His sister decided to leave it to Chaffey College after his passing so Chaffey will be using the funds raised towards the scholarship endowment under his name. If you haven't heard about the endowment in his name yet, you can make a donation either on-line or checks can be made out to the Chaffey College Foundation & mailed to the address below:

On-line at <https://chaffey.kindful.com/?campaign=1118679>

Snail mail to Chaffey College Foundation
5885 Haven Ave,
Rancho Cucamonga, CA 91737

Please note Sherm Taylor scholarship in the memo section.

A memorial graphic with a red and white checkered background. On the left, the text "REMEMBER THE MOOSE:" is written in large, bold, white letters. Below it, a black box contains the text "IN LOVING MEMORY OF SHERM TAYLOR" in white. At the bottom left is the "ENGINES BY the MOOSE" logo, which includes a stylized moose head. On the right side of the graphic is a circular portrait of Sherm Taylor, the same man as in the smaller image above.

Mopars in May 2021 Part 1

photos by Jason Gibbons, Tish Anderson, Jerry Shory & Paul Roddy

Mopars in May 2021 had a new location & a new date. The location changed from the California School for the Deaf, Riverside to the Southwest Carpenters Training Center in Ontario. Normally held the third Sunday in May, 2021 was moved to the fourth Sunday to accommodate the Grand National Roadster Show, usually held in January but due to Covid, had moved to May 14-16. (Inland Mopars has been working the GNRS souvenir booth since 2003 as a club fund raiser.) The new location & date change didn't seem to deter many. With 286 show vehicles and a sold out vendor/swap area, you got the idea that people were tired of not being able to go to a car show, whether to actually participate or spectate. There were representatives from at least 26 clubs, both classic & modern. There were a few empty spaces which will allow for growth next year at the same location.

If you missed it, Google "2021 Mopars in May" for several car show videos. Mark your calendars for May 15, 2021, the Sunday after Mother's Day, for the 21st Annual Mopars in May Car Show & Swap.

Ft. Irwin Toy Drive 2021

The toy drive for Ft. Irwin officially kicked off at the Mopars in May Car Show. We collected seven boxes of toys plus cash donations of \$230. We are next scheduled to be at the Automobile Driving Museum on August 28th with the toy booth, info & donation jar. Saturday September 4th of Labor Day weekend there will be a toy drive at the Inglis Classics Open House & Car Show in Hesperia. October 30th will be the Champion Cooling Car Show, again benefitting the Ft. Irwin toy drive, at a new location. November 6th is the Get Together at Ramona Tire followed by Mopars & Friends at MoTech Performance November 20th. The cruise nights at Farmer Boys & Legends in Rancho Cucamonga have not started back up yet so those toy drive events are still pending.

The Toy Drive party at the Longs is scheduled for Saturday December 11th.

I hope to have contacted all of last year's toy donation box sites by the July 11 club meeting & have a few new sites. I have also been contacted by the Kiwanis about a toy drive event. Hope to have more info soon.

When contacting businesses about doing a toy donation box, please make sure they are not obligated to another toy drive. This happened at a couple of automotive retail stores last year & I found our box tucked away out of sight.

2021 Toy Drive schedule so far:

- May 23 - Mopars in May, Inland Mopars (happened)
- August 28 - Automobile Driving Museum, booth, donation jar
- October 30 - Champion Cooling Systems, Lake Elsinore
- November 6 - Ramona Tire, Rancho Cucamonga
- November 20 - Mopars at MoTech Performance, Murrieta
- December 11 - Toy Drive Party at the Longs

USA MOPAR DOOR HINGE
REMANUFACTURING SERVICE
1967-1976 A-BODY
1962-1978 B-BODY
1970-1974 E-BODY

Why buy Taiwan made reproductions when you can get the highest quality remanufactured door hinges, using only original, Mopar made hinge cores.

I Remanufacture a complete line of Mopar application only door hinges using only new, high quality US made components. No import parts ever.

Over 25 years experience remanufacturing Mopar only door hinges.

I remanufacture the following hinge applications: 1967-1976 A-body, 1962-1965 B-body, 1967-1970 B-body, 1971-1978 B-body, 1970-1974 E-body. Most are in stock, primed, ready to paint and install. Or I can refurbish your old hinges with quick turn-over time.

Normally available for exchange or out right with a refundable core charge (\$60.00 if/when available).

Refurbish process:

- * Disassemble and inspect for damage or excessive wear or rust pitting. Must meet my quality standards (undamaged, unaltered, rebuildable). If they pass inspection: then I remove door check pins (these are pressed in and must be cut out). Remove pins and bushings in upper hinges.
- * Square up hinge bodies. Bore & ream to fit oversized pivot pins in lower hinges. NO BUSHINGS.
- * Install new roller pins by MIG welding with new wave springs and refurbished rollers
- * Tighten upper hinges.
- * Prime hinges with Automotive grade primer. Compatible with enamel or lacquer.
- * Install new Oil-lite bronze bushings and new pins in upper hinges.
- * Lube all pins and other moving parts with a Teflon lube
- * Install pins and "S" lower pivot springs
- * Chase all threads with proper sized thread chaser die
- * Mark hinge install location on hinge bottoms
- * Package in moisture proof, sealed heavy thickness transparent packaging
- * Box up, enclose packing slip, install and adjust instructions from service manual
- * Ship out by US Priority Mail
