**Visitors Welcome**

**Meeting 1<sup>st</sup> Sunday of the month except as noted in February, April & July**

**Bits 'n Pieces: The Subject of Dues & Participation**

Believe it or not, Inland Mopars does have a Constitution and By-Laws document. It was last amended in November 2013 to change the date of officer nominations and elections and how the voting would take place as noted in Article III: Directors and Officers. These two amendments would be effective January 1, 2014. That is not the subject that is important at this time. The important item is covered in Article II: Membership and Dues, Item 4. It is shown below. The full Constitution and By-Laws document can be found elsewhere in this newsletter.

4. A member's privileges shall terminate upon non-payment of dues within thirty (30) days of notice. Dues shall be due on or before January 1<sup>st</sup> and are delinquent February 1<sup>st</sup> of each year.

Unfortunately, no where in the Constiution is there a requirement for members to participate in any club function. This requirement was not needed when the club was formed in 1994 and we had 100 members a couple of years later but has become an issue the past few years when trying to hold the Mopars in May Car Show, as well has the fund raiser at the GNRS. If you are local in Southern California, then plan on helping at the car show or lack of member participation will doom the car show.

## President's Message (cont)

Continued from Page 1

As mentioned in the past couple of newsletters, the club needs every member's assistance at our Fort Irwin Toy Drive Christmas Party on December 11. Please plan on being at the party venue no later than 3:30pm.

The club also needs the assistance of every club member for our annual fundraiser event. If you are not familiar with our annual club fund raiser event, the Grand National Roadster Show (GNRS) at the Fairplex in Pomona, Inland Mopars works the main show concession booth that sells t-shirts, jackets, and all show souvenir items. We are limited to four club members per work shift in the concession booth in the main show building so first come/first served on the show sign-up list. *The early work shift (11AM-4PM) on Friday, January 28, is full. All other work shifts still have openings available - first come/first served so contact me ASAP and let me know your preferred work shift.* I will also have the sign-up list at the club meeting on December 5.

As always, those who volunteer to work the GNRS will receive free entry and parking to the show for their work day. The time before/after your work shift is yours to enjoy the event. If you have never attended the GNRS before, the building we work in contains the entrants competing for the title of "America's Most Beautiful Roadster". In addition, all of the buildings at the Fairplex are filled with cars on display and most of the areas between the buildings will be filled with cars on Friday, Saturday and Sunday.

Since our November club meeting was held at a car show, nominations and election of club officers for the 2022 calendar year were postponed to our December 5<sup>th</sup> club meeting in order to be able to have more club members in attendance.

At our December club meeting we will also be discussing the results of the initial planning meeting that was held on November 27 for our 2022 "Mopars In May" charity-benefit car show so please make every effort to attend.

Another very important topic for discussion and decisions is our monthly club activities. We are always open for new ideas to complement our traditional activities, so bring those new ideas.

### REMINDERS:

- Sam Frisby will happily accept your 2022 club dues if you want to pay them before the start of 2022.
- Our December 5<sup>th</sup> club meeting will be held at our usual location, the banquet room at Cactus Cantina restaurant in Riverside.

As always, thank you to everyone for all you do to make Inland Mopars Car Club the very best it can be - the club's reputation is a direct reflection of the membership //

### Preferred Parking?

Here's a pic Tim and Diane Baer sent to Ken. It's located in Ash Fork, Arizona.

**About this space:** DeSoto's offers a unique link to the Route's past (Get your Kicks on Route 66!). DeSoto's was the Flagship Texaco Gas Station in Ash Fork. DeSoto's was converted to a Beauty Salon in 2001 and operated until 2011. DeSoto's offers the unique opportunity now, not just to pass by and take a photo, now you can stay. They are close to the Grand Canyon, Williams Bearizona, and much more!!!

**The space:** I-40 is near where guests can travel to other nearby locations. Flagstaff, Williams, Seligman, Prescott, and Laughlin Nevada are not too far from Kingman Arizona.

**Guest access:** Guests will enjoy the entire house but there is an exception. This used to be a salon, however equipment stayed in place for owners personal use only. Guests can sit and take photos with it only! Guests can use the television in the Salon.

Other things to note: The train does go thru Ash Fork and sounds it's horn from time to time.

## 4<sup>th</sup> Annual Champion Cooling Classic Car & Truck Show

photos by Norma Johnston, Paul Roddy, Jason Gibbons, Mike Counts & Barbara Tafoya

It was a nice, early drive to Lake Elsinore to the Lambs Fellowship location on Saturday October 30<sup>th</sup>. Vendors were in the process of setting up prior to the cars coming in. The toy drive booth got set up and was close to being ready when vehicles started rolling in. Michael Harding had the setup mapped out so everyone knew where they should be going. Soon the toys started and didn't stop until the awards ceremony began. There was a wild "Mad Max" style '68 Charger spewing smoke & flames. Members in attendance as participants were Mike Counts, Bill Heckman, Paul Roddy, Norma Johnston, Sil Brander, Bill & Debbie Whitson, Jason Gibbons, Lonnie & Robin Clabaugh, Alan Detwiler. Leo & Barbara Tafoya helped Mike in the toy drive booth.

# 909 Camaros Toy Drive Meet & Greet

photos by Ed Saucerman & Paul Roddy

Jason Gibbons received the invite to the 909 Camaros Meet & Greet at the Bass Pro Shops parking lot in Rancho Cucamonga and passed it on. You ask "Why did we get invited?" Simple. 909 Camaros had a toy donation box and would have it at the meet and greet to collect toys. We needed to be there to collect any toys that were dropped off. For a small two plus hour get together the results were outstanding. Check out the photos. Paul & Kelly Roddy brought their truck (fortunately), Jason brought his Duster & I brought the Demon. In addition to us & 909 Camaros you had a few 909 Mopars & Fastlane Mopars as well as some local independents show up. Next time you see an invite from 909 Camaros do not hesitate to go see what is going on. They have supported us a couple of times this year and they are not afraid to drive their cars.

for the Kids at Ft. Irwin

**\*BENEFITTING FORT IRWIN MILITARY FAMILIES\***

Saturday November 6<sup>th</sup> started out bright and sunny and stayed that way for us to be able to hold a dry Get Together and Toy Drive at Ramona Tire in Rancho Cucamonga. Members in attendance were Bill & Debbie Whitson, Norma Johnston, Jason Gibbons, Joe Bolin and Mike Keller. We held steady at 35 vehicles which filled the area we had due to Home Depot setting up their Christmas tree lot. Ramona Tire provided coffee and plenty of donuts. The band was playing, the burgers & dogs were grillin', and the toys were coming in. We had some repeat participants and some new ones. One of these days we are going to grow. Ramona Tire donated three O'Reilly Auto Parts buckets full of cleaning supplies to our goodie give away. All in all, everyone seemed to have a good time and the kids at Fort Irwin benefitted.

We had a little bit of everything

## IECMC Veteran's Day Classic Car Show

Sunday November 7<sup>th</sup> was the Inland Empire Classic Mustangs Club Veteran's Day Classic Car Show at the March Air Reserve Base Bldg N in Riverside. This was also to be the site of the November club meeting. David Castagno, Robin Clabaugh, Mike Counts, Mike Keller, Paul Roddy, and Bill & Debbie Whitson entered vehicles in the show. Mike Counts '72 Road Runner was one of the participants picks. Lonnie Clabaugh had a previous errand so got there later with his "in progress" truck. See meeting minutes for items discussed at the meeting.

**RIVERSIDE CARS & COFFEE AT J&M SPEED CENTER**

Sunday November 21<sup>st</sup> was the Riverside Cars & Coffee being held at J&M Speed Center. J&M was one of our Fort Irwin toy donation box locations so it made sense that their November event would benefit the kids at Fort Irwin. Not sure how many cars they had but the bed of the J&M shop truck was overflowing with toys, as was the donation box.

## **If You Have A Combat Vet**

Solid advice. If you have a Combat Veteran in your family and you don't like their moods and behavior around the holidays; please consider these six things:

1.) Your combat veteran has served in countries where people are blessed to receive a tattered pair of shoes or have clean water to drink; he/she no longer lives the "first world illusion" and no longer cares that if you buy one play station you can get a second one for fifty percent off. In fact, they find it hard to appreciate any of the gluttonous commercialism and overindulgence that permeates American holidays. Standing watch, boring as it was, had so much more purpose than going to the mall.

2.) Your Combat Veteran is thankful for the most basic things; not thankful for mega-sales and million dollar parades. They are thankful to be alive; thankful to have survived both the wars far away and the wars they struggle with inside.

3.) Your Combat Veteran is thankful that it wasn't them that got killed, but their celebrations are forever complicated by guilt and loss over those that were. Some of the most thankful times in their life were some of the scariest. Their feelings of thanks and celebration often conjure memories that are equally painful.

4.) Your Combat Veteran is not like you anymore. At some point, for some period of time, their entire life boiled down to just three simple things: when will I eat today, when will I sleep today, and who will I have to kill or will try to kill me today? They are not like you anymore.

5.) Your Combat Veteran does not need a guilt-trip or a lecture; they already feel detached in their grief while others so easily embrace the joy of the season. They need understanding and space; empathy not sympathy.

6.) Your Combat Veteran does love his/her family and is thankful for the many blessings in their life ... and they are thankful for you.

To all brothers and sisters of the uniform who all struggle with one thing or another as we go into this holiday season, reach out to those you love. You didn't fight alone on the battlefield and you don't have to fight alone at home.

## Grand National Roadster Show (GNRS) Again

As Ken mentioned in a previous President's Message, we will again be working the GNRS as the annual club fund raiser. For those newer members, the GNRS is usually held the last weekend in January. It is where the America's Most Beautiful Roadster trophy is awarded so there are some high dollar cars there. Don't be confused by the name of the show thinking this is an all roadster show. The show is open to all kinds of cars.

Our role in this show is we work the souvenir booth for the days they are open. We usually take the show hours each day, add an hour before & an hour after, and then split it in half. It usually ends up being 5-6 hours. It isn't hard work but it can get crazy busy on Friday & Saturday. If you work the booth you get free parking as well as entry into the show so plan on viewing the cars either before or after your shift.

We also do an Inland Mopars club display with 4-5 member cars on display inside the secure building for the weekend. This year's display cars belong to Jason Gibbons, 1970 Plymouth Duster; John Smithson, 1965 Plymouth Satellite; Chris Thompson, 1970 Plymouth Superbird, Bill Heckman, 1937 Dodge Pickup; and if ready, Sil Brander, 1984 Hellcat powered Dodge Rampage (Rambo). We have a couple of event flyer racks in the display for Mopar events as well as open show events. An entry form for the Friday, Saturday and/or Sunday Drive-in is available at Rodshows.com, or ask me, in case you want to be part of the weekend show. Booth signup days & times shown below. Limited to 4 persons per shift. Ken will have the signup sheet starting at the November meeting. Give him a call if you know you won't make the meeting but would like to work the show.

## The Zimmerman Automobile Driving Museum Car Show

Saturday December 4<sup>th</sup> started out a little chilly but soon warmed up. The Christmas with the Clauses Car Show had a new charity but still drew lots of vehicles. Those vehicles came with toys for the Fort Irwin toy drive. Thanks to those in attendance for their contributions. More coverage next month.

**Sherm Taylor Scholarship Endowment**

Some of you will remember Sherm Taylor as the big guy at the Chaffey College Car Show. He was an automotive instructor and ended up wearing many different hats at Chaffey. Last year he was diagnosed with pancreatic cancer and had started treatment. He passed away in March. Sherm had a 440 engine he was selling before his passing. It is still listed in the Nuts & Bolts section of this newsletter. His sister decided to leave it to Chaffey College after his passing so Chaffey will be using the funds raised towards the scholarship endowment under his name. If you haven't heard about the endowment in his name yet, you can make a donation either on-line or checks can be made out to the Chaffey College Foundation & mailed to the address below:

On-line at <https://chaffey.kindful.com/?campaign=1118679>

Snail mail to Chaffey College Foundation  
5885 Haven Ave,

Please note Sherm Taylor scholarship in the memo section.

USA MOPAR DOOR HINGE  
REMANUFACTURING SERVICE  
1967-1976 A-BODY  
1962-1978 B-BODY  
1970-1974 E-BODY

Why buy Taiwan made reproductions when you can get the highest quality remanufactured door hinges, using only original, Mopar made hinge cores.

I Remanufacture a complete line of Mopar application only door hinges using only new, high quality US made components. No import parts ever.

Over 25 years experience remanufacturing Mopar only door hinges.

I remanufacture the following hinge applications: 1967-1976 A-body, 1962-1965 B-body, 1967-1970 B-body, 1971-1978 B-body, 1970-1974 E-body. Most are in stock, primed, ready to paint and install. Or I can refurbish your old hinges with quick turn-over time.

Normally available for exchange or out right with a refundable core charge (\$60.00 if/when available).

Refurbish process:

- \* Disassemble and inspect for damage or excessive wear or rust pitting. Must meet my quality standards (undamaged, unaltered, rebuildable). If they pass inspection: then I remove door check pins (these are pressed in and must be cut out). Remove pins and bushings in upper hinges.
- \* Square up hinge bodies. Bore & ream to fit oversized pivot pins in lower hinges. NO BUSHINGS.
- \* Install new roller pins by MIG welding with new wave springs and refurbished rollers
- \* Tighten upper hinges.
- \* Prime hinges with Automotive grade primer. Compatible with enamel or lacquer.
- \* Install new Oil-lite bronze bushings and new pins in upper hinges.
- \* Lube all pins and other moving parts with a Teflon lube
- \* Install pins and "S" lower pivot springs
- \* Chase all threads with proper sized thread chaser die
- \* Mark hinge install location on hinge bottoms
- \* Package in moisture proof, sealed heavy thickness transparent packaging
- \* Box up, enclose packing slip, install and adjust instructions from service manual
- \* Ship out by US Priority Mail
