Holiday Thanks and 2022 Club News

There are a bunch of THANK YOUs to distribute for the recent Holiday activities!

- First to Don and Ann Long for again letting Inland Mopars use their truly outstanding "Party Garage" for our 2022 Fort Irwin Toy Drive Christmas Party.
- Norma Johnston for doing countless hours and trips shopping for the Fort Irwin toy drive.
- Lonnie and Robin Clabaugh, Jim Froelich, Bill Heckman, Mike Keller, Paul Roddy, Ken & Kim Strathman and Bill & Debbie Whitson for helping set up and decorate on Friday, December 10 for the party. Upon arrival at Don and Ann Long's "Party Garage" we found the tables and chairs already setup from another party they had the previous weekend so only add to add a few more tables and chairs.
- To the club members who helped with the party and with the cleanup afterward. Your assistance was very much appreciated.
- Michael Harding, Mike Keller and Paul Roddy for making the drive to Fort Irwin on December 19 to make the final delivery of two enclosed car trailers containing toys and bicycles for the soldier's kids.
- Lonnie and Robin Clabaugh, Jim & Anita Froelich, B.J. Hayden and David & Tanya Miller for distributing "Wreaths Across America" Christmas wreaths to club members family gravesites at Riverside National Cemetery on December 18.

The annual Fort Irwin Toy Drive has become Inland Mopars' signature charity activity event and could not happen without the continuing absolutely outstanding efforts of Mike Keller.

Mike puts an incredible amount of time and effort into the annual Toy Drive. There is a great deal of time throughout the year involved in planning, coordination, and communication for all of the various cruise events and car shows where toys are collected. In addition, the same has to be done for the multitude of business locations where collection boxes are located for the final few months of the Toy Drive. Then there is the planning and coordination of the Toy Drive party and the all of the communication involved with hundreds of invitations sent out to the SoCal car enthusiast community.

Assailant suffers injuries from fall

Orville Smith, a store manager for Best Buy in Augusta, Ga., told police he observed a male customer, later identified as Tyrone Jackson of Augusta, on surveillance cameras putting a laptop computer under his jacket. When confronted the man became irate, knocked down an employee, drew a knife and ran for the door.

Outside on the sidewalk were four Marines collecting toys for the Toys for Tots program. Smith said the Marines stopped the man, but he stabbed one of the Marines. Cpl. Phillip Duggan, in the back; the injury did not appear to be

severe.

After Police and an ambulance arrived at the scene Cpl. Duggan was transported for treatment.

"The subject was also transported to the local hospital with two broken arms, a broken ankle, a broken leg, several missing teeth, possible broken ribs, multiple contusions, assorted lacerations, a broken nose and a broken jaw...injuries he sustained when he slipped and fell off of the curb after stabbing the Marine," according to a police report.

Just in the final couple of weeks prior to the final delivery of toys and bicycles to Fort Irwin, Mike drove in excess of 1800 miles taking care of Toy Drive activities.

THANK YOU is simply not enough.

Those few of us who helped deliver the toys to Fort Irwin know the gratitude both expressed and felt by the individuals at Fort Irwin involved in both the receiving and distribution of the toys and bicycles. They know both the importance and what it means to the soldier's kids and their families at this time of year. If you would like to see for yourself the smiles and joy on the faces of the kids, then take a little time out of your day on Saturday, January 8, 2022, and take a drive to Fort Irwin to witness the "Christmas in January" toy distribution event. You will need to forward copies of your California Driver License to Mike Keller before the end of the year so he can forward them to Fort Irwin for security clearance so you can be permitted onto the base.

You will see the true meaning of Christmas.

Saturday November 20th was the date of the 4th Annual Mopars & Friends at MoTech Performance in Murrieta. Another sunny So Cal day. We had 64 bodies sign in but as usual, not everyone signs in. We collected a bunch of toys. Chris Field of MoTech provided waters & soda, morning munchies, lunch pizza & salad. Cookies for dessert. We did a bunch of give aways in appreciation for all who brought toys.

We would like to thank Chris Field and his staff for once again hosting the open house and toy drive, as well as feeding everyone. Thanks to the clubs who showed up; Diamond Valley Mopars, Mopar Club of San Diego, West Coast AMCs, & Drifters. There may have been others but information was not provided. Thanks also to those not in a club who came out to support us. And thanks to the Inland Mopars members who made the drive to Murrieta, helped with the booth & toy loading.

The Zimmerman Automobile Driving Museum Car Show

Saturday December 4th started out a little chilly but soon warmed up. Mike & Ken H. attended with the toy drive booth. The Christmas with the Clauses Car Show had a new charity but still drew lots of vehicles. Those vehicles came with toys for the Fort Irwin toy drive. We had walk-ups delivering toys, including the El Segundo Girl Scouts. Before we were even set up, the director wheeled out a cart full of toys donated by The Vette Set, who couldn't make it. When we had finished boxing everything up for transport, we had collected over 13 boxes of toys plus three trash bags full of stuffed animals. Thanks to those in attendance for their contributions. We will do it again next year.

Highway 39 Event Center Toy Drive & Car Show

photos by Debbie Whitson

The Toy Drive and Car Show at the Highway 39 Event Center in Anaheim was one of those unplanned events for us until I received a phone call in late November followed up with a text from Eric Minor of MAC Speed And Custom. It was going to be on a Thursday night. Even with the threat of rain, cars showed up. Probably not as many as had been hoped for but they were there. Bring a toy and get a free dinner. Not hot dogs or hamburgers but a dinner. Plus you were seated among the owner's car collection. And there was a band playing.

At the end of the night we had four tables stacked with toys. We boxed up 25+ boxes full of toys, which was our most succesful toy drive event to date. And that did not include the 50 smaller boxed bikes for smaller kids. Bill & Debbie Whitson and Bill's brother Barrie & his wife were there to enjoy the show and help box toys & get them in the trailer as the rain started.

Hope to do it again in 2022.

The Holiday Car Show at Jess Ranch Marketplace in Apple Valley was the brain child of Tanya Inglis of Inglis Classics in Hesperia. Inglis Classics had an grand opening car show back in September where we collected a few toys. Inglis Classics also had a toy donation box at their facility, which was emptied a couple of times.

The car show drew 80 registered vehicles from the high desert area and provided toys to fill another eight boxes for the trip to Fort Irwin. One pickup pulled up and just started unloading toys and cosmetics. There were also some walk ups. This would be another event that should happen in 2022.

Thank you to all involved.

Fort Irwin Toy Drive & Pot Luck photos by Paul Roddy & Debbie Whitson

In 2014 when we made that first trip to Phil & Mary Leatherman's home we knew they had a Christmas party and collected toys for Fort Irwin. Members of the club made the trip to Corona in November, a month before their party. The club had voted to buy toys as well as each member family purchase a toy so when we showed up Phil & Mary were completely surprised. That trip led to doing an annual get together at Phil & Mary's in November. It first started as a reason to get Mopar owners involved but grew to where we welcomed anyone with a toy. All these toys were added to what would be gathered at their pot luck Christmas party.

When Phil & Mary decided to move to Texas and we took over the toy drive we didn't have a clue about gathering toys. Fortunately Phil knew Don & Ann Long and said we should contact them about continuing the toy drive pot luck party, which we did. Making a long story short, Don & Ann were up for doing the event which we have done the last 3 out of 4 years. I think we are still working out the invite process because I keep hearing we have missed people. Hopefully 2022 will be better.

The 2021 toy drive & pot luck party was held on Saturday December 11th at the 12,000 sq ft party barn. There were almost 200 people enjoying the venue, bringing toys and eats. After almost an hour of mingle time, it was time for the Color Guard from Fort Irwin to bring in the colors. The Pledge of Allegiance was said. Unfortunately the PA decided to take a dump for the night, so no Star Spangled Banner or music for the evening.

We were lucky enough to have a color guard from Fort Irwin this year. They wore the circa 1901 model uniforms for the 11th Cavalry Regiment that was constituted on February 2, 1901. The Soldiers belong to the Horse Detachment, 11TH ACR! They drove a couple of hours to join us. They brought a couple of their horses with them so after presenting the colors, they moved the horses over to the western town for photos in front of the stable. I heard quite a few took advantage of the photo opportunity.

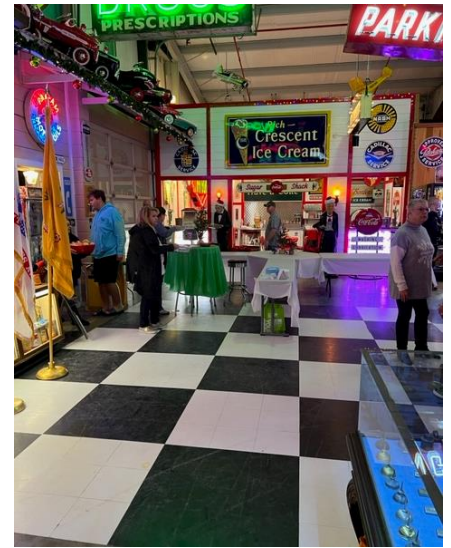

Color guard after presenting the colors

Colors for the evening

Fort Irwin Toy Drive & Pot Luck (cont)

After colors, out came the food. Everyone lined up instead of going by tables but there was plenty of food. Desserts came out later & there were plenty of those. We did present Don & Ann an appreciation plaque. One also went to Phil & Mary in appreciation for creating the toy drive for Fort Irwin. They drove in from Texas for the event. Also in attendance this year from El Cajon were Hilton & Lenda Vail who, with a group of their friends, were responsible for the trailer filled with 60 bikes and 40 scooters along with a Tahoe filled with toys. Little Guys Street Rods were there in force & had made a sizable donation. With 200+ people in attendance it is impossible to single out everyone but all in attendance should be proud of their contribution. We couldn't do this without a lot of help.

When everything quieted down, the place was quickly cleared & cleaned, tables & chairs put away, and almost looked like we had never been there. The color guard and a few lucky people were then treated to an elevator ride to the upstairs man cave. Words can't describe it.

Color guard with SGM Killea from Fort Irwin. He has been very helpful with toy deliveries the past two years.

Fort Irwin Toy Drive & Pot Luck (cont)

And in case you were wondering, the toy trailer was filled with toys plus 9 bikes. Thank you to all the trailer and toy box stuffers. Every time I looked there were different people filling boxes. But back to Don's man cave.

Sherm Taylor Scholarship Endowment

Some of you will remember Sherm Taylor as the big guy at the Chaffey College Car Show. He was an automotive instructor and ended up wearing many different hats at Chaffey. Last year he was diagnosed with pancreatic cancer and had started treatment. He passed away in March. Sherm had a 440 engine he was selling before his passing. It is still listed in the Nuts & Bolts section of this newsletter. His sister decided to leave it to Chaffey College after his passing so Chaffey will be using the funds raised towards the scholarship endowment under his name. If you haven't heard about the endowment in his name yet, you can make a donation either on-line or checks can be made out to the Chaffey College Foundation & mailed to the address below:

On-line at <https://chaffey.kindful.com/?campaign=1118679>

Snail mail to Chaffey College Foundation
 5885 Haven Ave,
 Rancho Cucamonga, CA 91737

Please note Sherm Taylor scholarship in the memo section.

USA MOPAR DOOR HINGE
REMANUFACTURING SERVICE
1967-1976 A-BODY
1962-1978 B-BODY
1970-1974 E-BODY

Why buy Taiwan made reproductions when you can get the highest quality remanufactured door hinges, using only original, Mopar made hinge cores.

I Remanufacture a complete line of Mopar application only door hinges using only new, high quality US made components. No import parts ever.

Over 25 years experience remanufacturing Mopar only door hinges.

I remanufacture the following hinge applications: 1967-1976 A-body, 1962-1965 B-body, 1967-1970 B-body, 1971-1978 B-body, 1970-1974 E-body. I can refurbish your old hinges with quick turn-over time.

Cores are occasionally available for an additional cost. Check with us first.

Refurbish process:

- * Disassemble and inspect for damage or excessive wear or rust pitting. Must meet my quality standards (undamaged, unaltered, rebuildable). If they pass inspection: then I remove door check pins (these are pressed in and must be cut out). Remove pins and bushings in upper hinges.
- * Square up hinge bodies. Bore & ream to fit oversized pivot pins in lower hinges. NO BUSHINGS.
- * Install new roller pins by MIG welding with new wave springs and refurbished rollers.
- * Tighten upper hinges.
- * Prime hinges with Automotive grade primer. Compatible with enamel or lacquer.
- * Install new Oil-lite bronze bushings and new pins in upper hinges.
- * Lube all pins and other moving parts with a Teflon lube.
- * Install pins and "S" lower pivot springs.
- * Chase all threads with proper sized thread chaser die.
- * Mark hinge install location on hinge bottoms.
- * Package in moisture proof, sealed heavy thickness transparent packaging.
- * Box up, enclose packing slip, install and adjust instructions from service manual.
- * Ship out by US Priority Mail.

Mention you are a member of Inland Mopars Car, FABO, FBBO, FEBO or E-Bodies.org and receive a member discount off of 2022 retail prices (effective January 1, 2022):
