### ***Still More 2022 GNRS Exposure for Inland Mopars***

Several weeks ago I sent an email to all Inland Mopars Car Club members with a link to a video I found online that covered almost everything that was on display at the 2022 Grand National Roadster Show. Here is the link in case you missed my email:

[Grand National Roadster Show 2022 - GNRS Car Show Pomona - YouTube](#)

Our club display comes up about the 53.00 minute mark. Take a look if you haven't seen the video, or watch it again. This was an outstanding GNRS.

On the heels of that video came an email from club member Jason Gibbons advising of another web article titled *21 Cool Muscle Cars from the Grand National Roadster Show!*

<https://www.motortrend.com/features/muscle-cars-grand-national-roadster-show-2022>

Check out this web article and you will see why Jason has every right to be both proud and excited. Not only is his outstanding 1970 Plymouth Duster the first car pictured in the article, but author Johnny Hunkins leads with, "You are no doubt familiar with past winners at the GNRS. The names Chip Foose, Troy Ladd, Boyd Coddington, Andy Brizio and George Barris are names you know, but do you know the name Jason Gibbons? It's likely you don't, because he's just a regular guy from Rancho Cucamonga, California, and he's the owner of the regular-dude third -gen Hemi-powered Green With Envy 1970 Plymouth Duster which we happen to think is pretty cool."

**Bits 'n Pieces: The Subject of Participation, Again**

Unfortunately, no where in the Constitution, or on the membership application, is there a requirement for members to participate in any club function. This requirement was not needed when the club was formed in 1994 and we had 100 members a couple of years later but has become an issue the past few years when trying to hold the Mopars in May Car Show, as well as the fund raiser at the GNRS. We have had the help of the Mopar Club of San Diego for many years helping with judging. This year will be no different. If you are local in Southern California, then plan on helping at the car show or lack of member participation will doom the car show.

Members should bring their Mopars for display in the club vehicle area. Do not register your vehicle. Club members are not eligible for judged awards but a club member vehicle does get picked for an award by an anonymous guest judge.

## President's Message (cont)

Continued from Page 1

Congrats Jason! Pretty cool indeed to be linked with those builder names!

In addition to Jason's Duster, the 21 cars picked by Johnny Hunkins include five additional Mopars. Pay particular attention to pic 5 of 21 because in the background is the very cool 1937 Dodge pickup belonging to our own Bill Heckman that was also part of our 2022 Inland Mopars Car Club display at the GNRS. And you may not know that Bill Heckman received parts from the building of the twin-turbo 540ci wedge-powered 1966 Dodge Coronet belonging to Rich Mehas that is shown in pic 4 of 21.

Coming up on March 5 is a combined club activity with both the Mopar Club of San Diego and South Bay Mopars: a visit to our favorite "Party Barn" at Don and Ann Long's property in Corona. Mike Keller sent out an email to all club members on February 6<sup>th</sup> advising address, time, and bring your own lunch info. See you there!

Entries are starting to roll in for our 2022 "Mopars in May" charity-benefit car show on the grounds of Southwest Carpenters Training Center in Ontario so it is now full speed ahead with planning, advertising and all things car show related. Mark your calendars if you haven't already done so for May 15, 2022. As previously mentioned, we have requested assistance from our contacts at Fort Irwin for some people to help with the show operations and duties. Our contact at Fort Irwin assured us they will be able to provide some help to us. We have also been in contact with our friends at Mopar Club of San Diego and should have their assistance again to help with show vehicle judging. We will need every club member to help make our annual car show the outstanding event it is known to be.

Lastly, the club activity for car show judging at a Southwest Carpenters event has been cancelled since they are no longer planning on having a car show at their event.

Reminders:

- Sam Frisby will happily accept your 2022 club dues if you have not yet paid
- Our March 6<sup>th</sup> club meeting will be held at our usual location, the banquet room at Cactus Cantina restaurant in Riverside. 9am for breakfast with the meeting getting started as close to 10am as possible.

As always, thank you to everyone for all you do to make Inland Mopars Car Club the very best it can be - the club's reputation is a direct reflection of the membership //

## Fort Irwin Toy Drive 2021

The toy drive for Fort Irwin officially kicked off at the Mopars in May Car Show. We did the Gassers 7 event at the Automobile Driving Museum on August 28<sup>th</sup> with the toy booth, info & donation jar. Saturday September 4<sup>th</sup> of Labor Day weekend we had the toy drive booth at the Inglis Classics Open House & Car Show in Hesperia. October 30<sup>th</sup> was the Champion Cooling Car Show, again benefitting the Ft. Irwin toy drive, at a new location in Lake Elsinore. November 6<sup>th</sup> was the Get Together at Ramona Tire followed by Mopars & Friends at MoTech Performance November 20<sup>th</sup>. Another toy drive event was held December 4<sup>th</sup> at the Automobile Driving Museum in El Segundo. The Toy Drive & Pot Luck party at the Longs was Saturday December 11<sup>th</sup>. A couple of new December toy drive events came up. December 16<sup>th</sup> at the Highway 39 Events Center in Anaheim, presented by the Highway 39 Events Center, MAC Speed & Custom, Adams Polishes, The Truck & Car Shop, along with Inland Mopars, hosted the Toy Drive & Car Show. December 18<sup>th</sup> in Apple Valley at Jess Ranch Marketplace, Inglis Classics hosted the Holiday Car Show and toy drive. These additional events resulted in two toy deliveries since we only had two 24 foot trailers and tow vehicles available. The first toy delivery was a filled 24 foot trailer with toys and bikes. The second delivery was a full 24 foot trailer with bikes and scooters donated by our friends in El Cajon. Thank you Hilton Vail & friends. The second trailer was the just emptied 24 foot trailer with another 50 plus smaller bikes plus another 30 plus boxes full of toys donated at the Highway 39 Event Center and the Apple Valley events.

# The National Training Center and Fort Irwin Celebrate Christmas in January

By Casey Slusser January 18, 2022

Fort Irwin, Calif. — On Saturday, Jan. 8th, 2022, kids in Fort Irwin got an after Christmas surprise.

Fort Irwin Family and Morale, Welfare, and Recreation hosted its annual “Christmas in January” toy giveaway, sponsored by Inland Mopars. For the past eight years, the Inland Mopars members have been involved with the Fort Irwin's annual toy drive.

The Inland Mopars car club set up donation boxes and collected toys throughout southern California. The car club provided 162 bicycles and over 3,000 toys for the children of the Fort Irwin Community ensuring all the kids in the community got a taste of some Christmas magic.

Taking extra health and safety precautions the toy give away was held as a drive-thru event.

Long before the doors opened, the line of cars full of excited kids wound around the parking lot and down the street. While the volunteers labored, Santa Claus sat in a throne seat overseeing the efforts ensuring each child received a toy and cheery wave.

“Inland Mopars Car Club considers it an honor to be able to do this for our warriors kids,” Ken Hamer, Inland Mopars Car Club President said. “Seeing the smiles and joy on the children's faces when they get a new toy, stuffed animal or bicycle is wonderful. This is truly a 'feel good' operation.”

The Fort Irwin community was overwhelmed with gratitude.

“Thank you so much for this event,” Rachel Williams said. “Much more than I expected, and the boys are beyond happy to have new toys.”

Every child who attended received a gift, which included blue tooth speakers, ring lights, Barbie dolls, Paw Patrol items, Tonka Trucks, Nerf blasters and more. As hundreds of bikes were raffled off, the event saw over 1,500 service members and their families received toys during the Christmas in January Event.

### Toy Delivery and Distribution (Christmas in January)

photos by Brandi Crist and LaToyla Atkins

This year the toy delivery was different than in past years. The original toy delivery when Phil & Mary Leatherman were doing the toy drive, would be the day after their Christmas Toy Drive Party. Last year, because of Covid and this event being something new for the Fort Irwin organization taking it over, we waited another week after when the toy drive party would have been. One day with two trailers, one bikes and one toys. This year we again had the toy trailer and a bike & scooter trailer. The problem was Fort Irwin had another event scheduled for the day after the toy drive party plus we had another event pop up for that following week, which meant we needed to have an empty trailer in 4 days. So on

Wednesday December 15<sup>th</sup> it was off to Fort Irwin for the first trailer delivery. SGM Killea and Miss LaToyla Atkins of MWR, had helping hands lined up to unload. The fire department and military police, as well as some civilians, made quick work of unloading 100 plus boxes filled with toys, plus a dozen bikes, from the 24 foot trailer. It took months of collecting, a couple of hours to load and 30 minutes to get everything unloaded and into containers to wait for sorting.

After toy drive events on December 16<sup>th</sup> & 18<sup>th</sup> (covered elsewhere) it was once again on the road to Fort Irwin. This time Paul Roddy joined me and the refilled toy trailer while Michael Harding and Ken Hamer pulled the bike & scooter trailer. A few more group photos and then the two trailers were unloaded. The bike trailer had 60 bikes and 40 razor type scooters. The other trailer had 30 plus boxes filled with toys plus another 50 smaller, boxed bikes.

One of the highlights of the first toy delivery was being there for Tom Boggs' (Santa Claus) retirement celebration after 32 years of combined military and civilian service plus multiple stints as Santa.

### Toy Delivery and Distribution (cont)

Saturday January 8<sup>th</sup> was the day scheduled for Christmas in January, or as we refer to it, toy distribution. Bill & Debbie Whitson arrived at the Fort Irwin visitor center first followed by Paul Roddy & Mike Keller. Michael Harding arrived next. We had five members of 909 Camaros join us. Ken Hamer got there in time for the group photo and awarding of the appreciation plaque. So once again the Inland Mopars Truck Club showed up.

**Inland Mopars President Ken Hamer accepting the Certificate of Appreciation from Colonel Jason A. Clarke, Fort Irwin Garrison Commander**

Originally scheduled for an outside, walk up event, that all changed with Covid on the rise. The event was changed to a drive up event similar to last year. There were four lines of vehicles, each with filled out kid info prior to getting to the front of the line. One car from each line pulled up in front of the Field House where all the toys and bikes had previously been sorted by age groups and boys or girls or either. Bikes were awarded to kids in an

drawing then announced using Facebook Live. Families could come in to pick up their bikes once they had been notified on-line. Depending on the child's age they could get a 20 inch or a smaller, learners bike, which were still in boxes and would take some minor assembly.

Kids names in the drum, pulled then notified on Facebook Live. Inland Mopars & 909 Camaros members did the pulling.

### FICA's Christmas in January

On 8 Jan 2022, FMWR hosted Christmas in January. Christmas in January is an annual event, sponsored by the Inland Mopars, that provides bicycles and toys to the Fort Irwin community. This year, 162 bicycles and 3,000+ toys were distributed to the community in a drive thru and virtual raffle. Over 1,500 families received toys during the distribution.

- THE CAR WAS BUILT IN 1967 BY MY DAD AND I, AS MY HIGH-SCHOOL RIDE.
- THE CAR WAS PAINTED IN THE DRIVEWAY BY MY DAD, AND THE INTERIOR WAS STITCHED BY RAUL, IN ONTARIO, CA.
- THE CAR IS POWERED BY A BIG-BLOCK, WITH A 727 TORQUEFLITE TRANS.
- THE CAR WAS PARKED AND STORED FOR 21 YEARS. IN 2018, THE CAR WAS REMOVED FROM STORAGE. THE CAR HAS ONLY HAD A THOROUGH CHECK-OVER, AND HAS BEEN MADE TO BE SAFELY-DRIVEN AGAIN! FINALLY, AFTER A GOOD CLEANING, AND DETAILING, IT'S A TRUE SURVIVOR!

**Sherm Taylor Scholarship Endowment**

Some of you will remember Sherm Taylor as the big guy at the Chaffey College Car Show. He was an automotive instructor and ended up wearing many different hats at Chaffey. Last year he was diagnosed with pancreatic cancer and had started treatment. He passed away in March. Sherm had a 440 engine he was selling before his passing. It is still listed in the Nuts & Bolts section of this newsletter. His sister decided to leave it to Chaffey College after his passing so Chaffey will be using the funds raised towards the scholarship endowment under his name. If you haven't heard about the endowment in his name yet, you can make a donation either on-line or checks can be made out to the Chaffey College Foundation & mailed to the address below:

REMANUFACTURING SERVICE  
1967-1976 A-BODY  
1962-1978 B-BODY  
1970-1974 E-BODY

Why buy Taiwan made reproductions when you can get the highest quality remanufactured door hinges, using only original, Mopar made hinge cores.

I Remanufacture a complete line of Mopar application only door hinges using only new, high quality US made components. No import parts ever.

Over 25 years experience remanufacturing Mopar only door hinges.

I remanufacture the following hinge applications: 1967-1976 A-body, 1962-1965 B-body, 1967-1970 B-body, 1971-1978 B-body, 1970-1974 E-body. I can refurbish your old hinges with quick turn-over time.

Cores are occasionally available for an additional cost. Check with us first.

Refurbish process:

- \* Disassemble and inspect for damage or excessive wear or rust pitting. Must meet my quality standards (undamaged, unaltered, rebuildable). If they pass inspection: then I remove door check pins (these are pressed in and must be cut out). Remove pins and bushings in upper hinges.
- \* Square up hinge bodies. Bore & ream to fit oversized pivot pins in lower hinges. NO BUSHINGS.
- \* Install new roller pins by MIG welding with new wave springs and refurbished rollers.
- \* Tighten upper hinges.
- \* Prime hinges with Automotive grade primer. Compatible with enamel or lacquer.
- \* Install new Oil-lite bronze bushings and new pins in upper hinges.
- \* Lube all pins and other moving parts with a Teflon lube.
- \* Install pins and "S" lower pivot springs.
- \* Chase all threads with proper sized thread chaser die.
- \* Mark hinge install location on hinge bottoms.

- 1970 Challenger (only) SE, WSS, OEM, rear finish panel. These are not reproduced and are a must to restore a '70 Challenger Special Edition car. The one I have has been professionally restored and is ready for application. I am asking \$1,200.00 which is a fair price for something made of unobtainium. NOS can reach \$2,000.00. I do not have the factory fasteners available. These are just as hard to find.
