## **President's Message**

Ken Hamer

### ***Club Member Support & Participation***

There was a discussion at our March club meeting regarding the future of our annual "Mopars In May" charity club car show. The discussion was member-driven and centered around the fact that we need more club member participation at our annual car show.

Here is the 'bottom line':

### **We need participation from more of our club members.**

As with most organizations we have a small group of members who do the bulk of the work. Unfortunately, none of us are getting any younger and our annual car show requirements seem to take more of a toll on those working the show each succeeding year.

At the close of the discussion, I said that I would send out an email to each club member family in California and Arizona that has paid their 2022 club membership dues asking their opinion on continuing our car show and also asking for their commitment to work the car show if the club membership decides to continue with the show. I advised that if we did not receive commitments from 50% of our current club membership then the car show would immediately be cancelled and all entry monies received to date would be returned. The deadline for email replies was set at March 26 so we will know the results at our April 3<sup>rd</sup> club meeting.

At the time I sent the email, the list of dues-paid club member families included 29 families and a total of 49 individuals.

In addition to our club members, we always have some members from The Mopar Club of San Diego who volunteer to help with judging the entries to our car show.

We have also requested some assistance from our main charity beneficiary, Fort Irwin.

Please plan to attend our April 3<sup>rd</sup> club meeting to learn the results of our club member decision. I will also have current car show entry information ready for discussion.

Shortly after sending out the above-mentioned email, we received notice from our 2021 Car Show Chairman, Jason Gibbons, that he was

resigning from the position. Jason's resignation leaves big shoes to fill since he did an outstanding job organizing and coordinating the 2021 car show. A volunteer stepped forward to serve as the 2022 Car Show Chairman and will need all of our support if the decision is made to continue the car show.

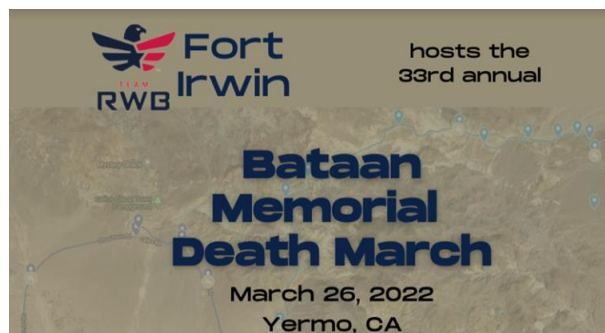

On to something else. We only had two cars representing Inland Mopars at the 2022 "Muscle Cars at the Strip" event in Las Vegas, and both came home with awards! Sil and Carol Brander's "Rambo" came home with the Ultimate Mopar Best of Show award, and Bill and Debbie Whitson's 1964 Plymouth Fury came home with another 1<sup>st</sup> Place in class award. Way to go! (Photo courtesy of Hemmings & Jeff Koch.)

On March 26 Inland Mopars will support one of the water stops at the 2022 "Bataan Memorial Death March" event being put on by Team Red White & Blue, Fort Irwin Chapter. Like last year this will take place in Yermo. We will be supplying both bottled water and energy bars at one of the last water stops before the finish line of the 14.2 honorary distance section. In 2021 we were at the first stop so this should be quite a difference to see the participants after their hike through the hills in the Mojave Desert.

Our April 3<sup>rd</sup> club meeting will be held at our usual location, the banquet room at Cactus Cantina restaurant in Riverside. 9am for breakfast with the meeting getting started as close to 10am as possible.

As always, thank you to everyone for all you do to make Inland Mopars Car Club the very best it can be - the club's reputation is a direct reflection of the membership. //

## Meeting Minutes - March

The March 6, 2022 meeting of Inland Mopars was held at the Cactus Cantina in Riverside. Bill Whitson, Sergeant-at-Arms, called the meeting to order at 10:00 AM. Bill led the Pledge of Allegiance. Ken Hamer opened the meeting by thanking all who were in attendance.

**Members present:** Sil & Carol Brander, David "DC" Castagno, Lonnie & Robin Clabaugh, Cliff Clark, Sam Frisby, Jim Froelich, Joey Garcia, Ken Hamer, B.J. Hayden, Bill Heckman, Mike Keller, David Miller, Paul Roddy, Leo & Barbara Tafoya, Bill & Debbie Whitson, Harry Windhorst.

**Known Missing today:** Jason Gibbons works Sundays, Norma is on vacation in Florida.

**Visitors:** None documented.

**New Members:** None documented.

**Happy Birthday wishes** to our club members with March birthdays: Mary Donley, Paul Roddy, Ken Strathman, Larry Torres, Kim Strathman, Scott Whiteman, David "DC" Castagno.

**Treasurer's Report** - Sam went over the past months finances. He purchased a new printer for Mike. Total paid families are now at 29.

### **Club Social Media**

- **Club Website** - Joey Garcia got caught up with Mike on the newsletters. Only 1% but page views were down, I think because people were just registering on the front page: 35 car show registrations. Last month we said we needed some finished pictures of Rambo from Sil. He said he hasn't done much other than get it home. And he can send them to Joey for the website. And also Jason & Cats Duster.
- **Facebook** - Mike Counts is very busy at work and would like for someone else with more time to take over responsibility. No volunteers so far.
- **Instagram** - Jason Gibbons, not at meeting.

### **Announcements/Prior Club Business or Activities**

- **GNRS** - still waiting for a check.
- **February 11<sup>th</sup>** - Robin's '69 Mach 1 Mustang won an award for best FOMOCO at Tuxies in Riverside.
- **February 12<sup>th</sup>** - Mike attended the Musclecar Show at the Automobile Driving Museum in El Segundo, along with Steve Ruiz and his '69 Dart. Had the flyer rack so promoted the upcoming Mopar events. He met Jerry Combs, who is the president of Mopars 360, who said they would like to help with the toy drive. They would talk later. Also talked with a past Mopars in May participant who would probably not be at the 2022 show because of the pre-registration only requirement. Usually decides if he can go as the show gets closer.
- **March 5<sup>th</sup>** - Joint club activity at Don & Ann Longs "Party Garage". Mopar Club of San Diego had 15 members attend, 909 Camaros had 9 members attend and Inland Mopars had 7 members attend. Mike K reported a total of about 30 members from all 3 clubs came.
  - Ken met with the new Mopar Club of San Diego President, Milton, who said he wants to also support our Ft. Irwin Toy Drive.

### Announcements/Prior Club Business or Activities (cont)

- **March 5<sup>th</sup> (cont)**
  - Ken and Milton also discussed how we can recruit more younger members to both our clubs. One of his thoughts was to maybe split the club into old cars and newer cars.
    - *Member Suggestions? Club consensus is that we don't understand the younger people and it would be hard to get them to be interested in our club. No positive suggestions.*
  - Ken and Milton spoke about the day of show registrations at Mopars in May and was told "nope", he about fell over. Are you really going to be turning people away? Ken said I guess so. Ken told him that's the plan, right now if they haven't preregistered.
  - 909 Camaros president Ed Saucerman asked if they can be invited to the December toy drive Christmas party and Ken said, "sure, here is the date."
  - Don Long had passed out a 2022 Classic Cars Calendar where most of the featured cars were photographed at his place and it was sponsored by Hagerty.
    - *It turns out that a couple of weeks ago a Farmers agent was talking to Ken and said he was also a Hagerty insurance agent as well. He wanted to include our club logo & contact info in next year's calendar. Ken said OK. Club motioned and seconded. Passed. Ken also mentioned that any club members that had Hagerty Insurance could change over to him locally with no increase in cost.*
- **DC** suggested that we talk to someone at Moss Bros. Dodge about possible club tie in with a new car purchase. Probably need to contact dealer location General Managers about it.

### Annual Club Activities/Business Status Reports/Upcoming Events

- **Annual Unholiday Party** - Saturday March 12<sup>th</sup> at Dave & Tanya Miller's home in Rancho Cucamonga.
  - Paul brought us up to date:
    - The original people catering the party dropped out so Kelly knew people from her group that catered and could serve Pulled Pork, Tri-tip, chili beans, potato salad, corn, rolls and all condiments. Cost was a little more and would be no additional cost to us. They will also be at our "Mopars in May" show where they will have a trailer and will BBQ on site.
    - 21 people who are going. DC asked if it was too late to sign up. Paul said no problem. Party starts at 4pm, food at 5pm. Gift exchange after that. All plates, utensils, etc. included.
    - Norma will get salad and deserts. Ice tea, lemonade will be furnished. Or BYOB.
- **Musclegars at the Strip (MATS)** - Las Vegas, March 18<sup>th</sup> to the 20<sup>th</sup>. Members attending will be Bill & Debbie Whitson with their '64 Plymouth, and Sil Brander with "Rambo", his '84 Dodge Rampage. Debbie said it may be the last one. Bob Mazzolini will be receiving the "Lifetime Achievement Award".

### Annual Club Activities/Business Status Reports/Upcoming Events (cont)

- **March 26<sup>th</sup>** - Fort Irwin Team RWB "Bataan Memorial Death March" in Yermo, CA. As approved at the January meeting Inland Mopars will sponsor a water stop as we did last year. It will be the last stop before the end of the shorter 14.2 mile honorary route, not the full 26.2 mile route. Bottled water and energy bars will be handed out as a club donation. Need to contact them to find out how many bars, etc. they will need.
- **April Events** - Need a club activity:
  - April 2<sup>nd</sup> - Bonelli Bluffs in San Dimas. So far Mike and Bill are going.
  - April 23<sup>rd</sup> - 20<sup>th</sup> Annual Corn Feed Run in Chino. So far Bill and Bill & Debbie are going. 8am - 3 pm, \$40 mail-in by 4/13 online, \$45 day of show.
  - April 23<sup>rd</sup> & 24<sup>th</sup> - 34<sup>th</sup> Annual Spring Fling at Woodley Park in Van Nuys.
  - April 29<sup>th</sup> & 30<sup>th</sup> - Show and Go in downtown Riverside.
  - April 30<sup>th</sup> - Grace Yokley School Music Car Show in Ontario. Benefits the school music program. So far Mike and Bill are going.
- **Mopars in May** - May 15<sup>th</sup> at the Southwest Carpenters Training Center in Ontario.
  - Lots of discussion about the pre-registration only. The plan right now is to turn people away if not registered. It was mentioned that what do we do if we don't fill the spots? Do we open it up until we do? There was a discussion about opening it up.
  - Most said there was not enough participation to run the show. Suggestion was made about talking to 909 Mopars to see if they would help out. DC asked how many members at the meeting are willing to help. If everyone there attended then it should be a go. Mike had sent an email to Fort Irwin asking if they might have some volunteers that might want to help with the show. They had responded that they would check.
  - Mike read Jason's thoughts on help (does not apply to SDM):
    - wanted to avoid help on judging
    - help with toy booth
    - help with shirt booth
    - help with parking
    - helping totaling up judging sheets, organizing numbers and names
    - help handing out awards
  - Mike then asked how many bodies should we ask for? Sil suggested a minimum commitment of 4-8 members to show up at 5am. Lonnie suggested that we team up with whatever help they send.
  - Paul suggested that any soldiers who come to work the show should get free entry of their cars.
  - DC said if we get more help could we still take day of show? And Ken is this something we want to think about. DC suggested again that the gate stay open to anyone with money.
  - Color guard if available. Ken asked if Mike turned in paper work for the color guard. Holding for Jason to sign.

### Annual Club Activities/Business Status Reports/Upcoming Events (cont)

- **Mopars in May (cont)**
  - Bill W. suggested that the swappers shutoff at awards time so they can get out on time.
  - Show participants were well behaved.
  - Leo suggested a countdown to the max number of entries.
  - Sam had the misconception that the Union Members weren't allowed in the show. The flyer for 2021 & 2022 shows both have a class for Carpenters Union members (Class 19) so should not be a problem. The problem in 2021 was the union didn't get the word out. Suggested that there be no charge for union members.
  - Need bodies to stay & help clean up after the show. This includes packing the trailer with anything left over.
  - Another planning meeting was suggested to discuss in more detail day of show registration and judging. Meeting will again be at Paul's house.
- **Mike** had sent an email with the December newsletter in February that if dues were not paid, the December newsletter would be the last newsletter you will get. Ken wants to email unpaid and past members about why they haven't renewed to get a feeling of any possible issues.
- **Leo** asked about local members needing to come to a few meetings a year and a few club activities to help boost member participation. Response was what do you want to do, kick them out?
- **May 28<sup>th</sup>** - A Flag for Every Hero at Riverside National Cemetery.
- **2022 Fort Irwin Toy Drive** - Potential fund raiser item Pedal Car. Leanna Johnson from Phoenix Specialty Coatings, wanted to decorate, but Ken hadn't been able to contact her yet to find out specifics. Ken asked if we still wanted to do it. No decision made yet since we don't know what will be involved or thoughts were on what to do with it once done.

### Round Table:

- Sam had a new canopy for donated tent frame.
- At the Long's, Mike had given Bill & Debbie boxes to go back to Sil's. They were donated by Steve Backer who recently moved to Henderson, Nevada.

There being no further business, the meeting was adjourned at 11:13 am.

Respectfully submitted,

Barbara & Leo Tafoya, Secretary (Team Tafoya)

## Inland Mopars Unholiday Party

photos by Norma Johnston, Dave Miller, Paul Roddy, Debbie Whitson

Not sure who or how many made it to the Unholiday party since I haven't seen a list of who went and pictures of actual bodies were kind of light. Holiday center pieces were made by Tanya Miller. Catered BBQ buffet food was provided by Garcia's on the Go, one of our Mopars in May food vendors. Below is the feedback from Joey Garcia I received on the March 12<sup>th</sup> Unholiday party.

I thought the Un-Holiday Party was great! I really got a kick out of the blow-up decorations for each of the Holidays - 4th of July, Easter, Christmas, Thanksgiving, Halloween, etc. Since Halloween is my favorite "Holiday", I sat at the Halloween table.

The food and desserts were fantastic!! I really liked the pulled pork, tri-tip, and that potato salad. The spicy corn on the cob was delicious. All the cookies were great too.

It was good to hang out and talk about cars, current events, and all sort of stuff. The turnout seemed a little smaller this year.

My only suggestion is some light background music or something. I don't know. Maybe some 60's, 70's, 80's rock, Jazz, whatever.

Dave had some really good suggestions on how we can tackle the Mopars in May car show with such a small crew. I thought he had some good ideas.

All in all, it was a great time!

## Don & Ann Long's Party Garage/Barn Club Get Together

photos by Ed Saucerman, Julie Walker, Paul Polentz, Debbie Whitson

Saturday March 5<sup>th</sup> was a little breezy but dry in Corona as members of Inland Mopars, The Mopar Club of San Diego & 909 Camaros converged on Don & Ann Long's party barn. We were hoping a few others might show up but there were about 30 in attendance. This gathering started at the December toy drive party when Jeff Walker from San Diego inquired how to set up a tour for his club. We talked with Don Long about a February date and he was good with that. Just let him know the date. Between Inland Mopars and San Diego the February dates were thrown out until it was decided that March 5<sup>th</sup> would have to do. An invite was sent out to a couple of the closer Mopar clubs as well as 909 Camaros who have supported us in the toy drive in 2021 and distribution.

## The 2022 Lone Star Throwdown (LST)

Here is something a little different. This article was in the Holley Motor Life electronic newsletter on March 9, 2022. Article and photos were by Shawn Brereton. I just borrowed a few Mopar photos from the Lone Star Throwdown in Conroe Texas the last weekend in February. The members of the IM Truck Club should enjoy them.

**Sherm Taylor Scholarship Endowment**

Some of you will remember Sherm Taylor as the big guy at the Chaffey College Car Show. He was an automotive instructor and ended up wearing many different hats at Chaffey. Last year he was diagnosed with pancreatic cancer and had started treatment. He passed away in March. Sherm had a 440 engine he was selling before his passing. It is still listed in the Nuts & Bolts section of this newsletter. His sister decided to leave it to Chaffey College after his passing so Chaffey will be using the funds raised towards the scholarship endowment under his name. If you haven't heard about the endowment in his name yet, you can make a donation either on-line or checks can be made out to the Chaffey College Foundation & mailed to the address below:

On-line at <https://chaffey.kindful.com/?campaign=1118679>

Snail mail to Chaffey College Foundation  
 5885 Haven Ave,  
 Rancho Cucamonga, CA 91737

Please note Sherm Taylor scholarship in the memo section.

USA MOPAR DOOR HINGE  
REMANUFACTURING SERVICE  
1967-1976 A-BODY  
1962-1978 B-BODY  
1970-1974 E-BODY

Why buy Taiwan made reproductions when you can get the highest quality remanufactured door hinges, using only original, Mopar made hinge cores.

I Remanufacture a complete line of Mopar application only door hinges using only new, high quality US made components. No import parts ever.

Over 25 years experience remanufacturing Mopar only door hinges.

I remanufacture the following hinge applications: 1967-1976 A-body, 1962-1965 B-body, 1967-1970 B-body, 1971-1978 B-body, 1970-1974 E-body. I can refurbish your old hinges with quick turn-over time.

Cores are occasionally available for an additional cost. Check with us first.

Refurbish process:

- \* Disassemble and inspect for damage or excessive wear or rust pitting. Must meet my quality standards (undamaged, unaltered, rebuildable). If they pass inspection: then I remove door check pins (these are pressed in and must be cut out). Remove pins and bushings in upper hinges.
- \* Square up hinge bodies. Bore & ream to fit oversized pivot pins in lower hinges. NO BUSHINGS.
- \* Install new roller pins by MIG welding with new wave springs and refurbished rollers.
- \* Tighten upper hinges.
- \* Prime hinges with Automotive grade primer. Compatible with enamel or lacquer.
- \* Install new Oil-lite bronze bushings and new pins in upper hinges.
- \* Lube all pins and other moving parts with a Teflon lube.
- \* Install pins and "S" lower pivot springs.
- \* Chase all threads with proper sized thread chaser die.
- \* Mark hinge install location on hinge bottoms.
- \* Package in moisture proof, sealed heavy thickness transparent packaging.
- \* Box up, enclose packing slip, install and adjust instructions from service manual.
- \* Ship out by US Priority Mail.

Mention you are a member of Inland Mopars Car, FABO, FBBO, FEBO or E-Bodies.org and receive a member discount off of 2022 retail prices (effective January 1, 2022):
