President's Message

Ken Hamer

Service

First, I want to thank those who are currently serving as club officers for 2022: Sam Frisby (Treasurer), Leo and Barbara Tafoya (Secretary), Mike Keller (Newsletter Editor) and Bill Whitson (Sergeant at Arms). Inland Mopars could not exist without your help.

During our July club meeting I mentioned that we currently have an open club officer position at Vice-President and outlined the duties of the office. When I asked for a volunteer to fill the office for the remainder of 2022 the only thing that was heard by all was the sound of silence. This made me wonder why people shy away from volunteering to help an organization they all seem to enjoy being a part of.

One of the first articles I found while doing an internet search on the subject is titled, "Three Reasons Why People Don't Volunteer, and What Can Be Done About It." I am not going to get into the latter part of the title because the solution discussed in the article seemed much more relative to employers and the workplace.

Here are the three reasons mentioned why people don't volunteer:

- *"I don't have enough time and volunteer schedules are too inflexible"* - Almost all club members are retired, we meet once a month, and schedules are yours to develop to meet your available time.
- *"I don't have enough information and most volunteer roles aren't interesting"* - All club officer duties and responsibilities are spelled out in the club Constitution.
- *"No one asked me to"* - Not only did we ask, we practically begged!

This same article states there is a relationship between volunteering and improved physical health and cognitive function. Research has also shown that volunteers report elevated mood and less depression, and that volunteers report increased social interactions and social support, better relationship quality, and decreased loneliness.

Bits 'n Pieces: Dumb Ass(es)

Earlier in July a group of car people got together to hold an impromptu car show. During the "car show" a couple of people (the Dumb Ass(es)) had a dispute & the guns came out. Reports I read earlier said up to four hand guns were found. Why do you need to bring a gun to a car show?

Not sure if the fallout from this event is related to the postponement of the Heroes & Hot Rod show at the STC Anaheim Gardenwalk or not. I am sure city fathers, or whoever owns the STC Anaheim Gardenwalk, see "Car Show Shootings" and it is hold on. This event is put on by a non-profit organization and was held in the same place last year with no problems, other than the nitro fuelers setting off car alarms in the parking garage during the cacklefest.

The internet article was published by the Stanford Center for Longevity in case you may be interested in reading all of it.

We will continue to ask for volunteers for club officers, and our annual elections for the following year are at the upcoming November club meeting. Come on, jump on in and make a difference in Inland Mopars Car Club.

By the way, we also have a continuing need for volunteers to assist with our social media presence (Facebook, Instagram). We need a social media presence to reach out to potential new younger members.

Reminders:

- Sam Frisby will happily accept your 2022 club dues if you have not yet paid.
- Our August club meeting is scheduled for Sunday, August 7. The club meeting will be held at our usual location, the banquet room at Cactus Cantina restaurant in Riverside. 9am for breakfast with the meeting starting as close to 10am as possible.

As always, thank you to everyone for all you do to make Inland Mopars Car Club the very best it can be - the club's reputation - and both our annual car show and toy drive - is a direct reflection of the membership //

The following are specific sections of the Inland Mopars Car Club Constitution and By-Laws which apply to Officers and Directors, as amended November 2013, effective January 1, 2014.

ARTICLE III: Directors and Officers

1. The club shall be governed by a Board of Directors consisting of six (6) officers, who are: President, Vice President/Events Coordinator, Secretary, Treasurer, Editor and Sergeant at Arms and are elected according to the following terms of this Article. Each Director shall serve a term of one (1) year or until a successor shall be qualified and elected.
4. Vacancies arising on the Board of Directors resulting from the resignation, death or incapacity or other cause preventing any Director from fulfilling his or her duties as Director shall be filled within thirty (30) days by a plurality vote of the remaining Directors. Any Director shall have the right to nominate any member in good standing to serve as a successor Director.

ARTICLE IV: Duties of Officers and Directors

2. The President shall preside at all meetings of the Board and shall appoint all committee heads and such other committee members as may be appropriate. During the absence of the President, the Vice President shall perform the above duties.
3. The Vice President shall assist the President in all matters and functions as required and, as Event Coordinator, will arrange logistics for Club events.

Meeting Minutes – June

The June 5, 2022 meeting of Inland Mopars was held at the Cactus Cantina in Riverside. Bill Whitson, Sergeant-at-Arms, called the meeting to order at 10:00 AM. Bill led the Pledge of Allegiance.

Members present: Sil & Carol Brander, David "DC" Castagno, Lonnie & Robin Clabaugh, Gene & Susan Endo, Sam Frisby, Jim Froelich, Ken Hamer, Ken & Kim Strathman, Leo & Barbara Tafoya, Bill & Debbie Whitson.

Ken's comment; "I don't know if the price of gas is affecting our attendance today or not. I know I did get an email from my nephew up in Idaho and he said he was able to fill up his tank for \$22.00."

Known Missing today: Paul Roddy is working as are Joey & Daemon Garcia. Norma Johnston is in Hawaii. BJ is in Virginia. Mike Keller is attending a car show in Torrance..

Visitors: None documented.

New Members: None documented.

Happy Birthday wishes to our club members with June birthdays: Robin Clabaugh, Leo Tafoya, Lonnie Clabaugh, Chris Thompson.

Treasurer's Report - Sam went over the past months finances. Car show finances elsewhere. No other car show info until Mike K checks in. Total paid families are now at 32.

Club Social Media

- **Club Website** - Joey Garcia was working so no report.
- **Facebook** - Ken said we still need a volunteer for Facebook.
- **Instagram** - Ken said we still need a volunteer for Instagram.

Announcements/Prior Club Business or Activities

- **Ken** - "I want to say thank you to anyone who participated in the '*Flags for Every Hero*' at the Riverside National Cemetery. Did anybody get over there this year?" Response was No. We did buy flags.
- **Ken** - "Any reports on any other events or car shows in May other than ours? No. Maybe it will be a quick meeting today."
- **Mopars in May 2022**
 - Paul Roddy is missing one of the hand held radios. Does anyone happen to have one that doesn't belong to you? An email was put out about it. Ken said "I believe that Mike Keller picked up the radios from Paul and all of the day of show registrations so Mike will be able to give us an actual car count for the show."
 - Has anyone watched any of the four videos currently posted on YouTube about the show?
 - And although they are not here, I would like to give out a special thanks to SGM Fred Killea and his wife and children in driving down from Fort Irwin and helping with our car show. We have asked for help from the people out of Fort Irwin, whethet it be soldiers or the auxiliary the we help out with the toy drive, and nobody has shown up. Except for SGM Killea and his family. He helped direct traffic after registration. He did a very fine military type job with that. There were no questions where cars needed to go. His son ran errands, helped set up cones, and ran for ice for the people at the registration table. Both his wife and daughter worked the registration tables.

- Mopars in May (cont)

- Sil wondered what the final car count was. Ken said we would know after we get the info from Mike K who got the registration forms from Paul yesterday.
- Judging:
 - Ken; there were a few people asking about judging. They said they didn't think that their cars were judged because the judging sheets were still on the dash board. He told them he was sure that their cars had been judged.
 - Jim Froelich; "Those judging sheets on the dash boards were last years. This year there was a brand new judging sheet. I had 4 people show me last year's sheet which was paper clipped to their entry form causing confusion."
 - Lonnie; "because Paul was going to make it so the judges could pick up the card and the people filled out the top of their own judging sheet so the judges just went to the car and took the owner info filled out judging sheet, did their judging and took it with them. Well, at the last minute Paul & Cliff got together and decided Cliff was going to take care of the judging. I don't know how that happened and have no idea..."
 - Jim; "I have an answer to that because I think Eric, who was supposed to be the head judge, had a family matter come up and he wouldn't be able to do it. Paul asked Cliff to do it and it was 5 days before the show. Ok, so Cliff didn't know about the judging sheets. Paul didn't tell me about that part of it. So Mike went ahead and put them with the dash cards and people got those judging sheets. Well Cliff said he was in charge of judging so he was in charge of the judging and did a very good job. I think he did an excellent job, the judging sheet is everything. He would take it to his wife who was sitting there doing all the paperwork. It was just a simple, easy process. I have to commend him on how easy he made it for the judges."
 - Lonnie; "So that is what happened. That's how they got stuck in there. And there were cranky people, 'How come my car didn't get judged?' Well it probably did, 'but the judging sheet is still on the dash.' Well we didn't use those judging sheets. At the last minute they decided to use other ones. So that is how we lost one of the Best of Show cars. He didn't think his car got judged and he went home. Mike found him (**The Best of Show Modern winner didn't get called as a winner of the LX Charger class so he assumed he had not won and left for an appointment at LAX.**) and I thought that's what happened to the other guy, the winner of the LX Charger class and he was talking to his friends and didn't hear the announcement. He was standing right there! A friend of his came by the house and picked it up. He lives in Las Vegas."
 - Sil; "Just for the record, I heard Mike comment that he spent several hours printing, filling in the owners info and attaching all the judging sheets, along with the t-shirt coupon, to the dash cards and then it wasn't used. I don't know if it was a complaint or what, but I heard the comment he spent a lot of time getting them ready."

- Judging (cont):

- Ken; "Well, if there is one lesson we can take from all of this, I think it is about communication."
- Lonnie; "and that's what it was. I understand that it was at the last minute and they were scrambling with a lot of stuff and that's what happened. You know, just an oversight. I think actually Paul did a fairly decent job of communicating.. I didn't have a lot of communication with him but what communication I did have, you know was good."
- Ken; "Yeah he let me know about Eric not being able to make it and I suggested that he get a hold of Cliff, because I knew Cliff had a lot of experience in judging."
- Jim; "and I talked to Cliff after the show and said he would have had time, he would have made up some sort of a judging rules list so that all of the judges could go by some kind of criteria on how to judge a car. He would have liked to have done that if he had the time plus maybe a class for the judges on what to look for and what to actually look at on a car. Maybe we could do that for next year, if he wants to do it."
- There was a lot of discussion on whether to judge every car regardless of condition or whether we need new judging rules and if new cars should get higher points than cars that have made improvements or just some new classes. Further discussions to be had at future meetings.
- Sam; "did we send out a letter to the training center thanking them for using the property last year?" Ken replied "Yes, and would get one done for this year."
- A comment was made that there were several women working and that there was no one apparently in charge to let people know what to do, where things would go, or where to put things. Very confusing. A comment was made that Norma was in charge but wasn't there in the morning to direct anyone. (She was there a little after 5:00 when I got there.)
- Debbie; "Part of that too is there weren't enough tables to set up. Where were the tables? Well the gentleman didn't bring enough so Norma had to scrounge to get somebody to bring tables." (Pat brought the same amount of tables as last year. Not his responsibility to provide tables. He does this as a favor to us. The club should have provided enough tables. Lonnie brought tables for the trophies, I brought tables for the toy booth.) Someone replied that if we do it again next year we will solve that problem. "And then people who had already registered came over and wanted to buy stuff and we were not ready, and part of the reason was we were not organized. There should have been a schematic of where things should go, assign someone to work that area. Nobody knew what to do. No plan in place."

Annual Club Activities/Business Status Reports/Upcoming Events

- Mopars in May 2023

- Ken; "We should start our discussions about the 2023 show. I did hear a couple of comments at the show from some members that this would be their last year at the show. Unfortunately we are all getting older. And some things are getting harder to do. Just a comment on an email I had seen from Milton, the club president for the Mopar Club San Diego; 'I am doing the president's article for our club newspaper and was wondering if you could tell me how many cars you had at your show? I am doing an article volunteerism and using your club as an example of how if everybody gets involved, we can do big things.' After receiving Mike's reply, Milton further sent along another email saying 'great job doing the show under staffed, no one would ever know.'"
- Ken; "What I would like to get from people regarding 2023 ideas and suggestions, or both, to make putting on the 2023 car show both easier and better for the club. The suggestion that I have, since we are not getting any younger and we are not getting an influx of younger members, would be to consider asking a modern Mopar club if they would be willing to work with us to help run the show. Get their club name on all the forms, *Inland Mopars and XXX Present Mopars in May*. I would want them to understand that all proceeds from the show go towards toys. None of the proceeds would be going to their club. And also, their vehicles like our club vehicles and not eligible for any awards. Modern clubs in the area are 909 Mopars, Elite Mopars, & Fast Lane Mopars. Any other suggestions?"
- Cliff; knows someone who produces car shows and does all the work, something we can explore."
- We need to do something to get another group in here, hire someone, or just not do the show anymore.
- We need to find out how much it would cost to hire someone.
- Many discussions were had about different options to explore for a future show.

- Suggestions for monthly activity?

- Ken; "We do have a club event coming up on June 25th at the Deer Park Winery & Museum in Escondido. I did call them and they confirmed they will be open that day. They do wine tasting all day. Museum admission for over 55, AAA, or active military is \$10; regular admission is \$12. Wine tasting is \$15 for up to 5 wines. Picnic grounds on site if you want to bring lunch. Meeting spot will be at the Shell gas station on Old Town Front Street in Temecula at 9:00 am on June 25th.
- We have no July activity on the calendar for July.
- Our July meeting will be on July 10th because of the 4th of July weekend.
- July 3rd is the concert for Heroes at the Riverside National Cemetery. It starts at 6:30 pm. It is a free concert that is put on by the Riverside Philharmonic.

There being no further business, the meeting was adjourned at 11:00 am.

Respectfully submitted, Barbara & Leo Tafoya, Secretary (Team Tafoya)

Mopars in May 2022 Part 2

Mopars in May 2022 was once again held at the Southwest Carpenters Training Center in Ontario. Last year with 286 show vehicles and a sold out vendor/swap area, you got the idea that people were tired of not being able to go to a car show, whether to actually participate or spectate. This year, with a few more shows being held, overall car, swap & vendor count was down a little but not really enough to be noticeable. There were representatives from both classic & modern Mopar & non-Mopar clubs.

Again, if you missed it, Google "2022 Mopars in May" for several car show videos ranging from a little over 7 minutes to over 48 minutes. Jonny Mopar on Instagram has photos & video. Also on Instagram is Hot Desert Mopars with more photos. If you are looking for just photos, check out Dave Parker Photography (daveparkerphotos.com).

Events You Didn't Go To

20th Annual Old Town Montrose Car Show

Sunday July 3rd I was once again on the road to a car show, this time going west on the 210 freeway to Montrose. This show takes place in downtown Montrose and is hosted by the Montrose Shopping Park Association. It is an open show that had lots of everything but only 7 Mopars out of 300 vehicles. Seems to be a trend. Held in downtown Montrose there was a farmers market at one end and blocks of cars the other way. There were even a few nitro and alcohol cars for a cackle fest. I would definitely go again. Lots of cars, spectators and shade. The show sold out this year so you need to plan ahead for next year.

Events You Didn't Go To (cont) Relay for Life of Torrance Car Show

On Sunday July 10th, I once again headed west to the cooler temps of Redondo Beach to meet Steve Ruiz and former members Alan & Joann Miyamoto a block or so from the Redondo Beach Performing Arts Center. This was the same location as last years Wounded Warrior Car Show. Seems they had the same problem we do, the guy in charge wanted someone else to take over and they didn't, so a new group and show were started in the old location. .

Steve had his '69 Dart, Alan & Joann had their Corvette, and a couple of their Mustang club friends had their Mustangs. Probably close to 200 cars. Again, a half dozen or so Mopars. Weather was great. Trophies & raffle seemed a little disorganized. Yes I would go again.

Lyon Air Museum

I came across the info for the Lyon Air Museum in the Holley Motor Life newsletter. It was covering a July 16th event at the museum, *Hot Rods on the Tarmac*, limited to basically pre-1942 vehicles. That event has come and gone but they have a special display going on now thru September 5th, Labor Day; *War Surplus on Wheels, WWII's Influence on Hot Rodding*.

We seem to be always looking for something to do that is not a car show and this sounded like something anybody could enjoy. Ticket prices aren't unreasonable and are shown below. The only issue for some is it is in Orange County at the John Wayne Airport. Something to think about. Group tours of 10 or more need to be booked at least 2 weeks in advance.

Fort Irwin Toy Drive 2022

The toy drive for Fort Irwin is starting to look for toy donation drop off box locations. We have some already committed after the 2021 toy drive. If you know of a business that you think might like to have a donation box on their premises, please let me know. We have dates booked for the Ramona Tire Get Together and the Mopars and Friends at MoTech Performance events. See the March 2022 Scat Pack Newsletter for a listing of known clubs that participated in the 2021 toy drive.

As you can see from the schedule below, the toy drive consumes months of planning and coordination between clubs, businesses, toy donation box locations, as well as Fort Irwin. Planning has started for 2022.

<p>2022 Toy Drive Event Schedule:</p>	<p>May 15 - Mopars in May, Inland Mopars, Ontario (happened)</p> <p>August 20 - Heroes & Hot Rods, Anaheim (postponed)</p> <p>October 15 - Champion Cooling Systems, Lake Elsinore</p> <p>October 15 - Legends Burgers, Rancho Cucamonga</p> <p>November 12 - Ramona Tire, Rancho Cucamonga</p> <p>November 19 - Mopars at MoTech Performance, Murrieta</p> <p>November 20 - Riverside Cars & Coffee at J&M Speed Center</p> <p>November 20 - Inglis Classics Cruise In, Hesperia</p> <p>December 3 - The Zimmerman Automobile Driving Museum, El Segundo</p> <p>December 9 - Set up for the Toy Drive & Pot Luck at the Longs</p> <p>December 10 - Toy Drive & Pot Luck at the Longs</p> <p>December tbd - Toy Delivery to Fort Irwin</p> <p>December tbd - Highway 39 Event Center Car Show & Toy Drive, Anaheim</p> <p>December 17 - Inglis Classics Holiday Car Show & Toy Drive, TBD</p> <p>December tbd - If necessary, second Toy Delivery to Fort Irwin</p> <p>January tbd - Christmas in January toy distribution at Fort Irwin</p>

Sherm Taylor Scholarship Endowment

Some of you will remember Sherm Taylor as the big guy at the Chaffey College Car Show. He was an automotive instructor and ended up wearing many different hats at Chaffey. Last year he was diagnosed with pancreatic cancer and had started treatment. He passed away in March. Sherm had a 440 engine he was selling before his passing. It is still listed in the Nuts & Bolts section of this newsletter. His sister decided to leave it to Chaffey College after his passing so Chaffey will be using the funds raised towards the scholarship endowment under his name. If you haven't heard about the endowment in his name yet, you can make a donation either on-line or checks can be made out to the Chaffey College Foundation & mailed to the address below:

On-line at <https://chaffey.kindful.com/?campaign=1118679>

Snail mail to Chaffey College Foundation
5885 Haven Ave,
Rancho Cucamonga, CA 91737

Please note Sherm Taylor scholarship in the memo section.

<p>MoparLeo's Parts</p>  <p>11308 Evans Court Moreno Valley, Ca. 92555-5249 moparleo@hotmail.com</p>	<p>Leo Tafoya Cell (951) 413-4775 USA MOPAR DOOR HINGE REMANUFACTURING SERVICE 1967-1976 A-BODY 1962-1978 B-BODY 1970-1974 E-BODY</p>
---	---

Why buy Taiwan made reproductions when you can get the highest quality remanufactured door hinges, using only original, Mopar made hinge cores.

I Remanufacture a complete line of Mopar application only door hinges using only new, high quality US made components. No import parts ever.

Over 25 years experience remanufacturing Mopar only door hinges.

I remanufacture the following hinge applications: 1967-1976 A-body, 1962-1965 B-body, 1967-1970 B-body, 1971-1978 B-body, 1970-1974 E-body. I can refurbish your old hinges with quick turn-over time.

Cores are occasionally available for an additional cost. Check with us first.

Refurbish process:

- * Disassemble and inspect for damage or excessive wear or rust pitting. Must meet my quality standards (undamaged, unaltered, rebuildable). If they pass inspection: then I remove door check pins (these are pressed in and must be cut out). Remove pins and bushings in upper hinges.
- * Square up hinge bodies. Bore & ream to fit oversized pivot pins in lower hinges. NO BUSHINGS.
- * Install new roller pins by MIG welding with new wave springs and refurbished rollers.
- * Tighten upper hinges.
- * Prime hinges with Automotive grade primer. Compatible with enamel or lacquer.
- * Install new Oil-lite bronze bushings and new pins in upper hinges.
- * Lube all pins and other moving parts with a Teflon lube.
- * Install pins and "S" lower pivot springs.
- * Chase all threads with proper sized thread chaser die.
- * Mark hinge install location on hinge bottoms.
- * Package in moisture proof, sealed heavy thickness transparent packaging.
- * Box up, enclose packing slip, install and adjust instructions from service manual.
- * Ship out by US Priority Mail.

Mention you are a member of Inland Mopars Car, FABO, FBBO, FEBO or E-Bodies.org and receive a member discount off of 2022 retail prices (effective January 1, 2022):
