President's Message

Ken Hamer

...and now it's gone

But first, Reminders:

- *Sam Frisby will happily accept your 2023 club dues*
- *Our February club meeting is scheduled for Sunday, February 12. It will be held at our usual location, the banquet room at Cactus Cantina restaurant in Riverside. 9am for breakfast with the meeting getting started as close to 10am as possible.*

Several times Inland Mopars have participated in a car club movie drive-in night at the Mission Tiki Drive-In in Montclair. It was fun visiting with all of those from various car clubs who brought their classic rides out to revisit the "good old days" of drive-in movies. But no more, at least not at the Mission Tiki.

Open since 1956, before Montclair incorporated as a city, the Mission Tiki Drive-In closed for good recently after 67 years. De Anza Land and Leisure, the drive-in's owner and operator, had sold the property in 2019 for \$34.4 million to Oakmont Industrial Group. Oakmont let the Mission Tiki keep showing movies rent-free until its own plans were ready to go. Oakmont notified De Anza in early January that its plans had been approved and that the drive-in would need to be out by the end of the month.

The north half of the 27-acre property will have two warehouses of 110,000 square feet and 187,000 square feet.

The south half will have six buildings ranging from 30,000 to 42,000 square feet in a "campus-like setting" that could house light manufacturing or offices.

The article I read quoted one of the Montclair city council members, a Montclair native, who said, "I've always been one for nostalgia. It's hard for me, because I've lived here all my life, to let go of things. It's going to hurt to see that land no longer being used for that."

Evidently, it's not going to hurt enough to keep a huge part of Montclair's history in operation.

Recent club business developments since the January club meeting:

- The 2023 Grand National Roadster Show Souvenir Stand Agreement was recently received from Rod Shows. It was immediately signed and returned. A counter-signed copy has been received so we are good to go.
- GNRS daily entry and parking passes have been received and will be distributed soon to those who volunteered to work the show.
- The club general liability insurance policy through Hagerty Insurance was renewed. Our 2022 policy expires on February 6 and our 2023 policy will take effect immediately and continue to February 6, 2024. Please contact me directly if you have any questions regarding our general liability insurance.

Recent club non-business developments since the January club meeting:

- I received an email request from a gentleman with a Saskatchewan, Canada, email address and a '303'- area code telephone number. He is looking for information on a big block 440 crate motor or possibly even a stroker motor for his 1968 Chrysler New Yorker. He would like at least 500 horsepower. Please contact me if you would like his contact information. I replied to his email suggesting he check out the advertisements in the various Mopar publications. I also suggested he check out www.forbbodiesonly.com.

Once again, please bring some suggestions for monthly club activities to our February club meeting so we can expand our activity calendar for 2023...and remember, monthly club activities *DO NOT HAVE TO BE CAR RELATED!* Does the idea of a drive-in movie night sound like fun? There are still a few drive-in theatres left in the area. We can contact them to see if they may be interested in setting up something for a warm summer night.

Another option for a summer movie night is an outdoor movie at one of the city-planned "movies in the park" throughout the area. Research what your city may offer and bring the information to our club meeting.

Let's plan some fun activities!

As always, thank you to everyone for all you do to make Inland Mopars Car Club the very best it can be - the club's reputation is a direct reflection of the membership //

Clarke rode with Michael Harding and the rest of those in attendance drove out to watch the 11th Armored Cavalry 'mounted shooting team' train. The team was training riding a course similar to rodeo barrel racing while shooting period-correct Colt .45 'Peacemaker' revolvers loaded with black powder and wads at stationary balloon targets. The Fort Irwin team has won the Army's national competition four consecutive years and 6-7 times overall.

Blood Needed

As some of you know I donate platelets & plasma on a regular basis. Norma does too. We have AB+ blood type which can be used as platelets & plasma by more people than if we donated the red stuff. I donate at LifeStream Blood Bank while Norma donates at the Red Cross. It doesn't matter where you donate, it all goes to those in need. A listing of the LifeStream Blood Bank locations is on Page 15. Their website has multiple blood drives. You are on your own to find a Red Cross location or blood drive near you. Hopefully I can get a blood drive setup at Mopars in May. I realize not everyone can donate due to various reasons, but if you can, do it.

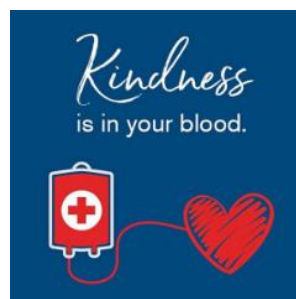

The following is from an email I received on January 12th. Email from January 16th follows.

Blood donors are needed in this critical time. 90% of hospital blood needs are going unfulfilled.

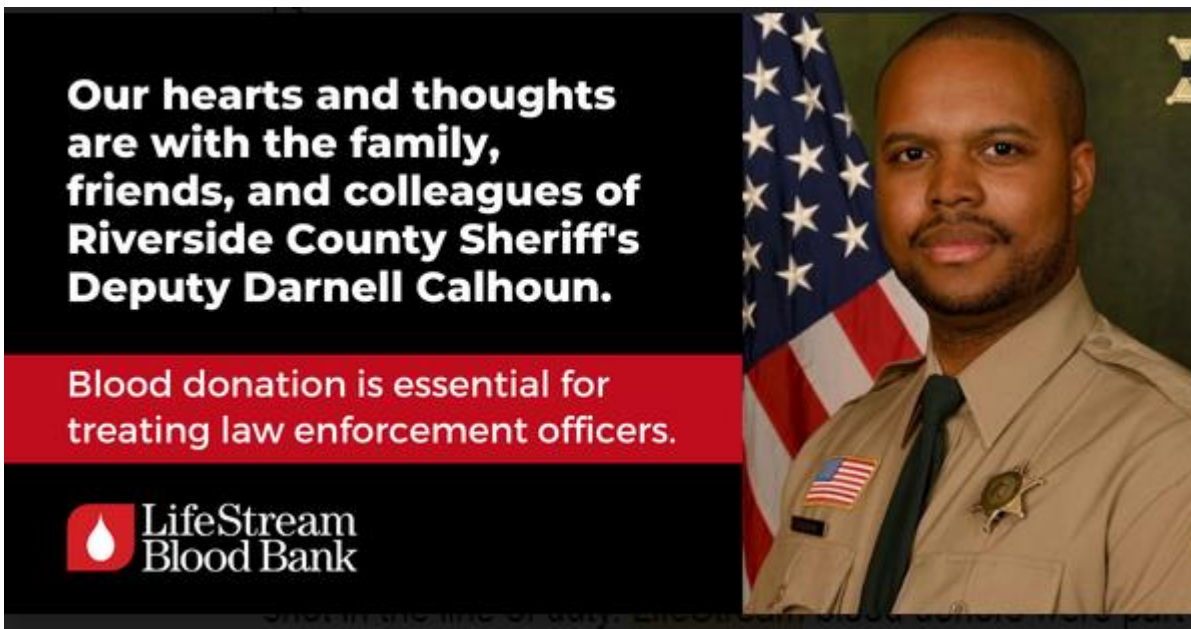

As of today, seven area hospitals have zero or low Type O inventory on their shelves, and LifeStream does not have the supply to meet patient needs. Hospitals requested over 1,000 pints of Type O blood products needed for transfusion-dependent patients, childbirths, surgeries, trauma preparedness and other procedures. LifeStream only has 48 pints of Type O available for its entire service area of 80 hospitals.

You may not be able to donate blood right now, but you can still help by hosting a blood drive. This can be at a location of your choice or at one of our donor centers. Please share this message with your family, friends and neighbors.

Our hearts and thoughts are with the family, friends, and colleagues of Riverside County Sheriff's Deputy Darnell Calhoun, who was killed in the line of duty after responding to a domestic violence call on Friday, Jan. 13.

Calhoun is the second Riverside County Sheriff's Deputy killed in the line of duty in two weeks. Deputy Isaiah Cordero was shot and killed during a traffic stop on Dec. 29.

These horrific incidents serve as a stark reminder of the importance of voluntary blood donation and community members coming together to protect our local blood supply. Few understand more about the necessity of a safe, ample community blood supply than our local law enforcement.

In 2021, San Bernardino County Sheriff's Deputy Dustin Whitson was shot in the line of duty. LifeStream blood donors were part of the incredible team who saved his life.

In case you hadn't guessed, I think if you are able, giving blood is an unselfish way to give life to others. Besides, when you are done you get to sit in the canteen, by state law, and get snacks and have 15 minutes of doing nothing but relaxing.

Old Fart Pride submitted by Pat from Old Farts Racing Team

I received in an email so I am passing this on as I did not want to be the only old fart receiving it. Actually, it's not a bad thing to be called, as you will see. Take a look around when you are at a car show and what do you see? A lot of old people, unless you are in a "Modern" car club.

1. Old Farts are easy to spot at sporting events; during the playing of the National Anthem. Old Farts remove their caps and stand at attention and sing without embarrassment. They know the words and believe in them.
2. Old Farts remember World War II, Pearl Harbor, Guadalcanal, Normandy and Hitler. They remember the Atomic Age, the Korean War, The Cold War, the Jet Age and the Moon Landing. They remember the 50 plus Peacekeeping Missions from 1945 to 2005, not to mention Vietnam.
3. If you bump into an Old Fart on the sidewalk he will apologize. If you pass an Old Fart on the street, he will nod or tip his cap to a lady. Old Farts trust strangers and are courteous to women.
4. Old Farts hold the door for the next person and always, when walking, make certain the lady is on the inside for protection.
5. Old Farts get embarrassed if someone curses in front of women and children and they don't like any filth or dirty language on TV or in movies.
6. Old Farts have moral courage and personal integrity. They seldom brag unless it's about their children or grandchildren.
7. It's the Old Farts who know our great country is protected, not by politicians, but by the young men and women in the military serving their country.

This country needs Old Farts with their work ethic, sense of responsibility, pride in their country, and decent values.

We need them now more than ever.

Thank God for Old Farts!

Pass this on to all the "Old Farts" you know.

I was taught to respect my elders. (It's just getting harder to find them! ;-)

The only "Old Fart" who never seems to age, despite the soda.

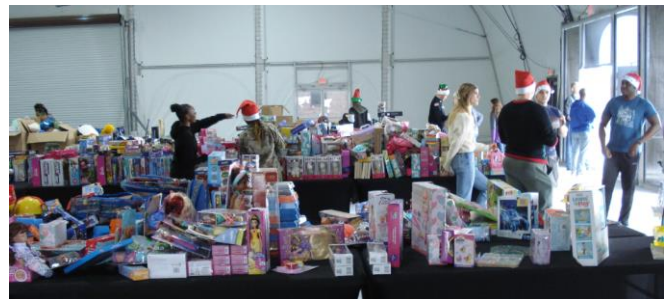

Fort Irwin Toy Drive 2022

The 2022 toy drive portion had ended & the toy distribution took place Saturday January 7th, 2023 at the Fort Irwin Christmas in January event when troops and their families came back from their Christmas leave.

Prior to the activities starting, a couple of group photos were taken. This was from a couple of rows away so a few toys would be in the picture. It takes a lot of dedicated people to efficiently pull this off.

This is what the Field House looked like at toy delivery time in December.

This is what the Field House looked like on toy distribution day.

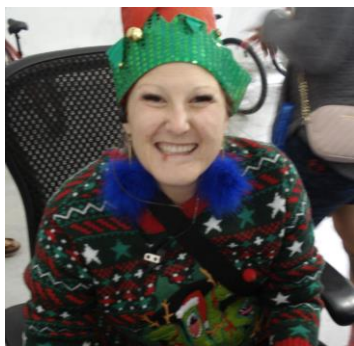

Members of MWR and others spent 4 days unpacking boxes, sorting by ages & gender, and having everything organized for the big day. This included assembling the seventy bikes. And from a different angle...

Fort Irwin Toy Drive 2022 (cont)

Seventy bikes from Hilton Vail and his friends in El Cajon plus a few bikes from the toy party and larger bikes from South Bay Mopars. Bikes were distributed using a drawing on Facebook Live.

MWR elf still smiling after days of prep

Drive up distribution was used again this year. No one had to get out of their vehicle. Runners would get the filled out info slip then head into the Field House to get the appropriate toys or sports equipment, and return to the vehicle. Knocked hours off distribution.

Sherm Taylor Scholarship Endowment

Some of you will remember Sherm Taylor as the big guy at the Chaffey College Car Show. He was an automotive instructor and ended up wearing many different hats at Chaffey. Last year he was diagnosed with pancreatic cancer and had started treatment. He passed away in March. Sherm had a 440 engine he was selling before his passing. It has been sold to club member Lonnie Clabaugh for use in the new 1968 Dodge Charger project. His sister decided to leave it to Chaffey College after his passing so Chaffey will be using the funds raised towards the scholarship endowment under his name. If you haven't heard about the endowment in his name yet, you can make a donation either on-line or checks can be made out to the Chaffey College Foundation & mailed to the address below:

Nuts & Bolts-

For Sale – Nevada

- 1970 V Code Road Runner. See email below.

A member is selling this rare 1970 Pistol Grip 6bbl road runner that was destined to be dispatched during the Vietnam War but never did leave the USA. The dog tag on the radiator core support shows Plymouth was going to export the car. You never will see this most likely. I have worked on this car, and have driven the car. It's a very nice car. I have actually used the car on my car club website so it's easy to show the car off to people. You can pass this email on to your contacts and they can reach out to me directly and I will put the interested party in touch with my member then.

The car is FOR SALE at a firm price of \$100,000.00
