## **President's Message**

Ken Hamer

### *Mopars in May*

#### *But first, Reminder:*

- *Sam Frisby will happily accept your 2023 club dues*

As I write this it is a week after our annual charity-benefit "Mopars in May" car show and the first thing I want to do is express a huge 'THANK YOU' to all club members who helped in any way to make our 2023 car show another successful show. I heard many congratulatory comments from both participants and spectators alike.

Well done, Inland Mopars!

Our car show is a testament to the quality and hard work of the club members who help do this each year. During the show I looked around and, once again, thought, "We have no business putting on a car show of both this magnitude and quality with the relatively small membership count of our club."

Working the show or participating as a vendor, all helps toward the success of the show. So does all of the work that goes on both before and after the show.

Again, 'THANK YOU' to all who made the extra effort!

What makes the success of our 2023 car show even more remarkable is the fact that only half of our member families helped in some way with our car show this year!

We will find out at our June club meeting just how financially successful our 2023 car show was regarding our annual toy drive for the kids at Fort Irwin.

I would also like to thank members of Chrysler Performance West (CPW), South Bay Mopars, the Mopar Club San Diego, and several independent volunteers who helped with parking and judging. They took the place of all the missing Inland Mopars members.

In case you may not be aware, Fort Irwin garrison commander Col. Clarke, his Sergeant Major, and their families stopped by to express their thanks for both all of your work on the car show and our support. Please know that what we do is appreciated. Col. Clarke and his family took the time to select the Plum Crazy/In-Violet 1966 Plymouth Satellite convertible of Steve Bunch as Fort Irwin's Charity's Choice.

**Bits 'n Pieces: Update on Newsletter Timing**

You may have noticed the June newsletter is a little late this month. That is because the Windows 7 computer I have been using for 10 years died on the Tuesday before the car show. Seems that when I had a new hard drive put in a few years ago, they also added a video card for my second monitor. Evidently the video card got warm and all I was seeing were red & blue vertical stripes.

Since this was a Windows 7 computer, they were not allowed to work on it. A couple of weeks and \$\$\$ later, I have a brand new Windows 11 system. I haven't taken the time to try to install the second monitor yet but I do know it has to go back since there is no audio card installed. Most U-Tube videos are worthless without sound. So is a lot of the videos I have been sent.

Anyway, I will muddle through to get something out.

## President's Message (cont)

Our June club meeting is scheduled for Sunday, June 4 in the banquet room at Cactus Cantina. Usual schedule: 9am for those wanting breakfast, 10am start for the meeting. We will review our car show, both what was good and what can be improved. We will also discuss the plans for the remainder of 2023 and beyond. Please make every effort to attend.

*As always, thank you to everyone for all you do to make Inland Mopars Car Club the very best it can be - the club's reputation is a direct reflection of the membership //*

## Mopars in May Awards by Lonnie & Robin Clabaugh

## Fort Irwin Toy Drive toy photos by Debbie Whitson

Our first Toy Drive event for the Military Kids at Fort Irwin has come & gone. The Mopars in May Car Show brought in seven boxes of toys. Thank you to John Smithson & DC for manning to booth, taking in toys and getting them boxed up.

Anyone who donated a toy got a raffle ticket that could be used in the general opportunity drawing or the special drawing for a custom pin striped 2 ½ pound halon fire extinguisher pin striped by Ron at Ron's Colorworks in Upland. I wasn't at the booth at the time the drawing was held for the fire extinguisher so I have no idea who won.

Our next toy drive event is Sunday June 25<sup>th</sup> at Cambra Speed Shop in Orange. Cambra is once again able to hold their Good Times Block Party event at their facility. This is a freebie event where we will be collecting toys. Cambra has been one of our toy box donation spots for the last couple of years.

We are still looking for events to partner with to collect toys for Fort Irwin. If you know of anyone looking to hold an event that we should contact please let me know. It is best to be at the planning stages so the toy drive info gets on the promotional materials and flyers otherwise no one knows to bring a toy.

We are also always looking for businesses that would like to have a toy donation box at their business location. This works best where the business has a lot of repeat foot traffic. Restaurants work well so if you have a favorite, let me know. We had tried CDJR dealerships but most didn't have the repeat traffic or box placed where it would be seen.

As you can see from the schedule below, the toy drive consumes months of planning and coordination between clubs, businesses, toy donation box locations, as well as Fort Irwin. Planning started a while ago for 2023. We did lose J&M Speed Center in Riverside when they closed in March but the Riverside Cars & Coffee cruise is still taking place at the J&M site. Infinite Hero is looking for a new location for their Heroes & Hot Rods show when the previous location in Anaheim said they were no longer able to accommodate the event.

**Sherm Taylor Scholarship Endowment**

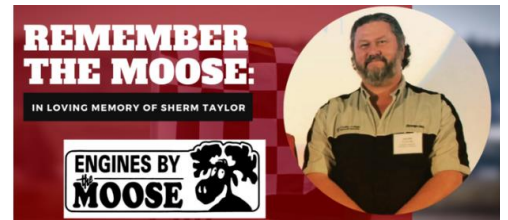

Some of you will remember Sherm Taylor as the big guy at the Chaffey College Car Show. He was an automotive instructor and ended up wearing many different hats at Chaffey. Last year he was diagnosed with pancreatic cancer and had started treatment. He passed away in March. Sherm had a 440 engine he was selling before his passing. It has been sold to club

member Lonnie Clabaugh for use in the new 1968 Dodge Charger project. His sister decided to leave it to Chaffey College after his passing so Chaffey will be using the funds raised towards the scholarship endowment under his name. If you haven't heard about the endowment in his name yet, you can make a donation either on-line or checks can be made out to the Chaffey College Foundation & mailed to the address below:

### Mopars in May Blood Drive

Lifestream Blood Bank had their mobile unit on-site at Mopars in May, Sunday May 21<sup>st</sup>, from 10 am to 3:30 pm. There were a total of nine donations. A couple of them were double red so there were 11 pints collected. It should have been more with the shortage of blood these days.

Donors were included in a special donors-only drawing for another custom pin striped 2 ½ pound halon fire extinguisher pin striped by Ron of Ron's Colorworks in Upland.
