President's Message

Ken Hamer

...and here we go again

But first, a couple of reminders:

- *For those who may have forgotten, Sam Frisby will happily accept your 2023 club dues*
- *Our July club meeting is scheduled for Sunday, July 9, because of July 4th being on a Tuesday and some people may take an extended 4-day weekend. It will be held at our usual location, the banquet room at Cactus Cantina restaurant in Riverside. 9am for breakfast with the meeting getting started as close to 10am as possible*

Before I get into the title topic, please join me in welcoming Ronald Gluskoter as the newest member of Inland Mopars Car Club. Ronald joined at our June club meeting. He lives in Riverside and currently owns both a 2010 Dodge Challenger 'Mopar 10' and a 2018 Dodge Challenger T/A in addition to a 1967 Corvette. Welcome to Inland Mopars!

Inland Mopars has been very fortunate for the past couple of years by having extremely supportive individuals at Fort Irwin who understood the importance to their community of our annual Fort Irwin Toy Drive. Garrison Commander Colonel Jason Clarke and Directorate of Emergency Services Sergeant Major Fred Killea were both extremely helpful in easing the communication process and getting things accomplished within the Fort Irwin military community. The help and assistance from both SGM Killea and Col. Clarke and their families made coordinating activities things easier and smoother and was very greatly appreciated.

Both SGM Killea and his family, and Col. Clarke and his family were regular visitors and participants at both our annual "Mopars in May" car show and our annual Toy Drive Christmas Party.

As happens with our outstanding professional military, individuals regularly move on to new duty assignments every few years. Several months ago, SGM Killea left Fort Irwin for his next duty assignment. Col. Clarke has now also moved on to his next duty assignment.

On Wednesday morning, June 21, Mike Keller and I drove out to Fort Irwin to attend the Fort Irwin Garrison Change of Command Ceremony. Col. Clarke is moving on to his next duty assignment as commanding officer of the 2nd Security Force Assistance Brigade based out of Fort

Bits 'n Pieces: Christmas in July

Bruster's Real Ice Cream in the Terra Vista Town Center in Rancho Cucamonga is having Santa in attendance on Saturday July 1st & 8th as part of their Christmas in July. I know, July 1st will have passed by the time you get this but July 8th is still coming up. Bring a toy for the Toy Drive for the Kids at Fort Irwin between July 1st & 15th.

President's Message (cont)

Liberty, North Carolina. Ironically, Col. Clarke's new command will be returning to Fort Irwin in February, 2024. Only this time they will be getting their butts kicked during the early part of their training out in the 'sand box'. During Col. Clarke's outgoing speech, he acknowledged the importance of the contributions of Inland Mopars Car Club to Fort Irwin.

The new Fort Irwin Garrison Commander is Col. Lane Bomar. Mike and I were able to meet Col. Bomar and it was apparent he had already been briefed by Col. Clarke about Inland Mopars and our annual Toy Drive efforts.

Have you received your August 2023 issue of *Hot Rod Magazine*? There is a good picture of Sil and Carol Brander's "Rambo" '84 Dodge Rampage on the Table of Contents page, but no mention of "Rambo" anywhere in the associated article.

They do mention Chris and Jessica Thompson's '68 Dodge Dart and Chris' Monday Roadkill Nights win in the Big Tire division. Check out the great wheels-up starting line photo on pages 20-21 and the story on page 23.

As always, **please** bring some suggestions for monthly club activities to our July club meeting so we can expand our activity calendar for 2023...and remember, monthly club activities **DO NOT HAVE TO BE CAR RELATED!** What do you really enjoy that you would like to share with club members? Research what your city may offer and bring the information to our club meeting.

Let's plan some fun activities!

We also have a continuing need for one or more individuals to maintain our club social media platforms on both Facebook and Instagram. We also have a continuing need for a club Secretary to fill our vacant club officer position. Please let me know if you may be interested in any of these opportunities.

As always, thank you to everyone for all you do to make Inland Mopars Car Club the very best it can be - the club's reputation is a direct reflection of the membership //

Mopars in May Part 1

photos submitted by Debbie Whitson, Jose DeLeon, Jerry Griffin, Diane Davis, Gene & Susan Endo

It was still pretty dark at 5am as the gates to the Ontario Carpenters Training Center were being unlocked. The 22nd Annual Mopars in May Car Show was underway. Lots to unload from the trailer and set up since we were starting with a blank canvas, er, car show area, which had been measured and marked the day before. Okay, not quite blank but empty. Pat Osterman from Old Farts Racing Team met us there with his truck filled with canopies and tables for the raffle area. Thanks once again for providing these items at 5am in the morning.

This year, in addition to judging help from the Mopar Club San Diego, we had parking, gate, & judging help from volunteers from South Bay Mopars, Chrysler Performance West and Mopar Larry. Judging would probably still be going on if we didn't have everyone's help. Thanks to all who volunteered. It is a bitch getting old and having help from half a club.

The gate opened early to accommodate swappers. Vendors were parked as they arrived. The Vietnam Veterans of America Chapter 1024 came in with their Vietnam era helicopter display. The one disappointment we had was a couple of days before the show we heard the army lawyers had disapproved our request for a color guard for the event. It only took 90+ days for them to make that decision, even though the color guard was able to be there the year before.

The LifeStream Blood Bank bloodmobile pulled in and got set up. It was encouraging to actually have people anxious to donate. At the end of the day, it was a little disappointing to find out there were a total of nine donations. A couple of them were double red so there were 11 pints collected. It should have been more with the shortage of blood these days. Thank you to those who took the time help save a life. Plus, there was that drawing for the \$300 custom pin striped 2½ pound halon fire extinguisher pin striped by Ron of Ron's Colorworks in Upland. With only nine donations you had a pretty good chance of taking it home.

Mopars in May 2023 was our first Toy Drive event for the Military Kids at Fort Irwin this year and kicked off the next seven months of toy collecting. The show brought in seven boxes of toys, a start towards gathering toys for over 3000 kids. Anyone who donated a toy got a raffle ticket that could be used in the general opportunity drawing or the special drawing for another \$300 custom pin striped 2½ pound halon fire extinguisher pin striped by Ron at Ron's Colorworks in Upland.

The custom awards were once again created by Lonnie & Robin Clabaugh and were highly sought after. More photos to come. Rumor has it they have retired from award making.

In addition to nineteen judged classes, there was also a Best of Show for both Modern & Vintage vehicles, a Charity's Choice, an Armed Forces Award, a Long Distance Award & Club Participation. Winners will be listed in the awards list next issue.

Best of Show-Modern went to Jason Fisk with his 2019 Dodge Charger. This was the same car he won Best of Show-Modern with in 2022 except he had completely redone the car. A first for Mopars in May.

Best of Show-Vintage went to Nathan Gonzales with his newly finished 1970 Dodge Challenger. One piece of dirt in the engine compartment was the difference in the E-Body Stock class judging.

Fort Irwin Garrison Commander Col. Clarke and his family took the time to select the Plum Crazy/In-Violet 1966 Plymouth Satellite convertible of Steve Bunch as Fort Irwin's Charity's Choice.

Fort Irwin Change of Command Ceremony

As Ken mentioned in his President's Message, we went to Fort Irwin to witness the Change of Command Ceremony from Col. Clarke to Col. Bomar. In all the years we had been associated with Fort Irwin through the toy drive for Christmas in January, I don't remember ever being invited to this ceremony. We may have been, but since it takes place in the middle of the week and some of us were still working, it would have been difficult to attend. Ken did manage to get a vacation day and I managed to get up early for the two-hour drive.

After an invocation and presentation of flowers to the wives and children of the incoming and outgoing garrison commanders, the ceremony itself starts with the color guard presenting colors. Command Sgt. Maj. Palmer, garrison senior enlisted advisor, moved in front of the color guard. Ms. Brenda McCullough, Director Installation Management Command - Readiness, outgoing garrison commander Col. Clarke, and incoming garrison commander Col. Bomar move to face the colors. Command Sgt. Maj. Palmer receives the U.S Army Garrison Fort Irwin colors from the color guard. He then hands the flag to outgoing garrison commander Col. Clarke. He in turn hands the flag to Ms. McCullough who in turn hands the flag to incoming garrison commander Col. Bomar. Col. Bomar completes the circle by handing the flag back to Command Sgt. Maj. Palmer who returns the flag to the color guard. You need to watch the short video at the link below to appreciate the significance of what seems like a simple passing of a flag between four people and the color guard. Every movement has a meaning.

Video link: https://www.facebook.com/watch/live/?ref=watch_permalink&v=676949174256173

After the formal act of passing the garrison colors, Brigadier General Taylor, Ms. McCullough, Col. Clarke and Col. Bomar said a few words. This basically ended the formal ceremony. A greeting line was formed by Col. Bomar and his family at the Heritage Center while a farewell line was formed to say good-bye to Col. Clarke and his wife.

Then it was off to In-N-Out for brunch and the drive home.

Outgoing garrison commander Col. Clarke addresses the audience, highlighting the many accomplishments he and his team did since taking over during Covid restrictions were in place. Since the garrison commander is comparable to a mayor, there were many things that had ceased due to Covid so he had his hands full. (Photo credit: Kimberly Hackbarth)

Incoming garrison commander Col. Bomar also addressed the audience, saying he was looking forward to the challenges and continuing the work of the previous garrison commander and his team. (Photo credit: Kimberly Hackbarth)

Fort Irwin Toy Drive Cambra photos by Norma Johnston & Editor

Our second toy drive event was Sunday June 25th at Cambra Speed Shop in Orange. Cambra once again held their Good Times Block Party event at their facility. This used to be a monthly event but is now yearly. This is a freebie event where we should have been collecting toys. Seems that not a lot of people read the fine print on the flyer. Toys were donated by Ron Cambra's wife, Debbie Whitson & Norma Johnston, both Inland Mopars members, along with a couple of participants. Kind of disappointing. Cambra has been one of our toy box donation spots for the last couple of years.

The booth was set up and ready to go. Ken Hamer, Bill & Debbie Whitson, Norma Johnston, DC, Gene Endo & Barrie Whitson were there supporting. Norma & DC brought their cars as part of the event. The place was packed with show cars, race vehicles, and vendors plus a band. All of a half dozen Mopars.

Fort Irwin Toy Drive (cont)

We are still looking for events to partner with to collect toys for Fort Irwin. If you know of anyone looking to hold an event that we should contact please let me know. It is best to be at the planning stages so the toy drive info gets on the promotional materials and flyers otherwise no one knows to bring a toy.

We are also always looking for businesses that would like to have a toy donation box at their business location. This works best where the business has a lot of repeat foot traffic. Restaurants work well so if you have a favorite, let me know. We had tried CDJR dealerships but most didn't have the repeat traffic or box placed where it would be seen.

As you can see from the schedule below, the toy drive consumes months of planning and coordination between clubs, businesses, toy donation box locations, as well as Fort Irwin. Planning started a while ago for 2023. We did lose J&M Speed Center in Riverside when they closed in March but the Riverside Cars & Coffee cruise is still taking place at the J&M site. Infinite Hero is looking for a new location for their Heroes & Hot Rods show when the previous location in Anaheim said they were no longer able to accommodate the event.

If you want to see the results from the past toy drives, you should look at www.inlandmopars.org/toydrives.

Sherm Taylor Scholarship Endowment

Some of you will remember Sherm Taylor as the big guy at the Chaffey College Car Show. He was an automotive instructor and ended up wearing many different hats at Chaffey. Last year he was diagnosed with pancreatic cancer and had started treatment. He passed away in March. Sherm had a 440 engine he was selling before his passing. It has been sold to Lonnie Clabaugh for use in the new 1968 Dodge Charger project. Sherm's sister decided to leave it to Chaffey College after his passing so Chaffey will be using the funds raised towards the scholarship endowment under his name. If you haven't heard about the endowment in his name yet, you can make a donation either on-line or checks can be made out to the Chaffey College Foundation & mailed to the address below:

LifeStream Blood Bank Placentia Donor Center Closing

The lease on the Placentia Donor Center (PLDC) is up, and the decision was made to not renew this lease. While LifeStream understands the need to have a presence in Orange County, we found that the location of PLDC was not ideal. Unlike our other centers, PLDC was not in a strip mall or near other major businesses. This impacted our ability to attract new donors to the location, and we struggled to increase collections.

Our final day of operations at PLDC will be Tuesday, July 18.

We appreciate the time and dedication of the staff who worked at PLDC.

For questions, contact Michelle Johnson, Vice President, Operations, at johnsomi@lstream.org.
