Different Times

But first, a couple of reminders:

- *Sam Frisby will happily accept your 2023 club dues*
- *Because of the upcoming long Labor Day weekend, our September club meeting is re-scheduled to Sunday, September 10 at our usual location, the banquet room at Cactus Cantina restaurant in Riverside. 9am for breakfast with the meeting getting started as close to 10am as possible*

Different times indeed! As I am writing this it is raining in Southern California in the summertime thanks to, now tropical storm, Hilary. As you have seen and heard in the news, this is the first tropical storm to hit SoCal in 89 years. Stay safe and keep your Mopars dry.

The main message of 'Different Times' is, for the first time that I am aware of, Inland Mopars Car Club is reaching out to possibly find a co-host for our annual charity-benefit car show. Our prized Mopars are not the only things growing older.

In attendance at our upcoming September club meeting will be several board members from a modern Mopar club based in the Inland Empire. Our Mike Keller has had preliminary conversations with their club president and vice-president and they are onboard to co-host the 2024 edition of "Mopars in May". Please make extra effort to attend our next club meeting on September 10 at Cactus Cantina restaurant for the first general meet-and-greet. Bring your questions, concerns and an open mind. Remember, the main beneficiary of our car show is our annual toy drive for the soldier's kids at Fort Irwin. We are hoping to be able to schedule an initial planning meeting with members of both clubs to work out the details.

As always, *please* bring some suggestions for monthly club activities to our September club meeting so we can expand our activity calendar for the remainder of 2023 and beyond. We will discuss if we have time...and remember, monthly club activities *DO NOT HAVE TO BE CAR RELATED!* What do you really enjoy that you would like to share with club members? Research what your city may offer and bring the information to our club meeting.

Let's plan some fun activities!

President's Message (cont)

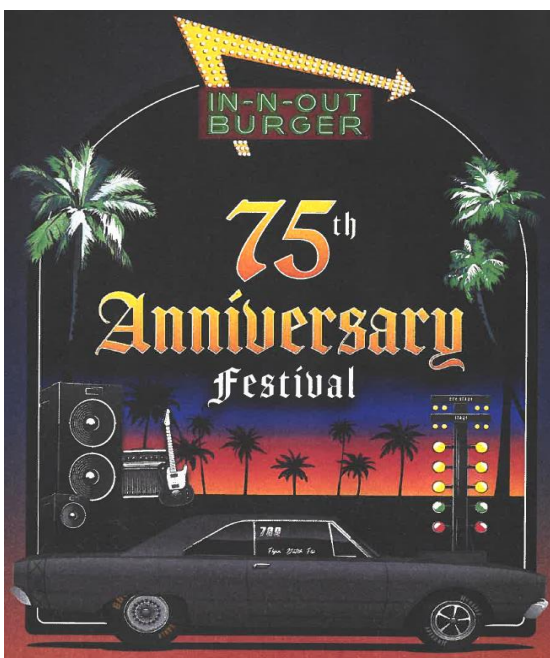

Speaking of activities, it is almost past time to get volunteers for the club car display at the 2024 Grand National Roadster Show February 2-4 at the Fairplex in Pomona. Entries need to be in by October 1 or a late fee will be charged.

FYI; the October club meeting will be held on Sunday October 1st at the Ontario Elks Car Show in one of the Elks meeting rooms. Regular 10 am start time.

The other big club activity will be in October at the In-N-Out Burger 75th Anniversary Festival at the In-N-Out Burger Pomona Dragstrip. Mike has not seen the event layout so we are not sure where we will be setting up the booth for the toy drive for the military kids at Fort Irwin or if there will be club parking near the booth. Volunteers will be needed to staff the booth for the day collecting and boxing toys and getting them loaded in the trailer. Mike needs a staffing headcount by the September 10 club meeting. Event date is Sunday October 22nd.

We also have a continuing need for one or more individuals to maintain our club social media platforms on both Facebook and Instagram. Most important is the need for a club Secretary to fill our vacant club officer position. Please let me know if you may be interested in any of these opportunities.

As always, thank you to everyone for all you do to make Inland Mopars Car Club the very best it can be - the club's reputation is a direct reflection of the membership //

Lyon Air Museum photos by the Editor

Saturday July 29th was the open date Bill Heckman and I had to visit the Lyon Air Museum on the backside of the John Wayne Airport in Orange County. We made the trip to see a special display going on thru September 4th, Labor Day; *Santa Ana Drags & Beyond*. A nice collection of planes, vehicles and drag race cars that raced at the original Santa Ana Drag Strip from 1950 to 1959. Well worth the visit. Add another hour if you check out all the side wall displays. Sampling of the display is shown here.

After a couple of hours wandering thru the planes and vehicles, we headed to Adams Electronics in Huntington Beach to pick up the club printer. From there it was over to Duke's Café in Placentia for lunch. Duke's has hosted a toy donation box for us the last three years.

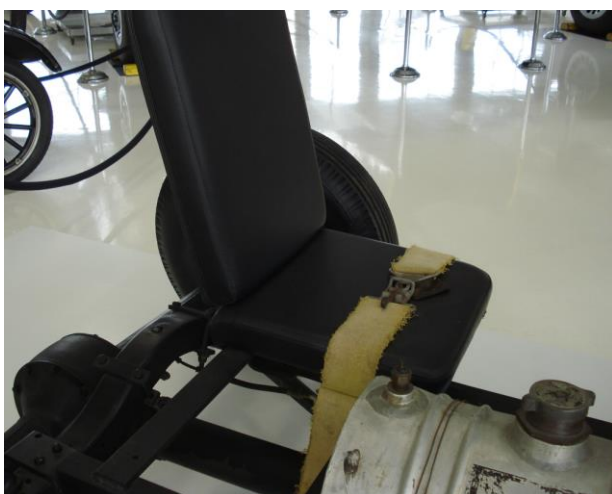

In addition to the planes on display, there were race cars represented from the Bug Rail Dragster, built in 1950, to Shirley Muldowney's original 1977 World Champion Top Fuel Dragster. There is still time to go see this exhibit.

Fort Irwin Toy Drive

We are still looking for events to partner with to collect toys for Fort Irwin. If you know of anyone looking to hold an event that we should contact please let me know. It is best to be at the planning stages so the toy drive info gets on the promotional materials and flyers otherwise no one knows to bring a toy.

We are also always looking for businesses that would like to have a toy donation box at their business location. This works best where the business has a lot of repeat foot traffic. Restaurants work well so if you have a favorite, let me know. We had tried CDJR dealerships but most didn't have the repeat traffic or box placed where it would be seen.

As you can see from the schedule below, the toy drive consumes months of planning and coordination between clubs, businesses, toy donation box locations, as well as Fort Irwin. Planning started a while ago for 2023. We did lose J&M Speed Center in Riverside when they closed in March but the Riverside Cars & Coffee cruise is still taking place at the J&M site. Infinite Hero is looking for a new location for their Heroes & Hot Rods show when the previous location in Anaheim said they were no longer able to accommodate the event. But we did gain Bruster's Real Ice Cream, the In-N-Out Burgers 75th Anniversary Festival, and the Flabob Airport Veterans Celebration.

If you want to see the results from the past toy drives, you should look at www.inlandmopars.org/toydrives.

Sherm Taylor Scholarship Endowment

Some of you will remember Sherm Taylor as the big guy at the Chaffey College Car Show. He was an automotive instructor and ended up wearing many different hats at Chaffey. Last year he was diagnosed with pancreatic cancer and had started treatment. He passed away in March. Sherm had a 440 engine he was selling before his passing. It has been sold to Lonnie Clabaugh for use in the new 1968 Dodge Charger project. Sherm's sister decided to leave it to Chaffey College after his passing so Chaffey will be using the funds raised towards the scholarship endowment under his name. If you haven't heard about the endowment in his name yet, you can make a donation either on-line or checks can be made out to the Chaffey College Foundation & mailed to the address below:

You Are Needed

Over the weekend, Southern California was impacted by historic rain, extreme flooding and a tropical storm warning it hadn't seen since 1939. As a result, blood drives in our community were canceled and lifesaving blood products were not collected for local patients. LifeStream needs the help of its generous community members to help replenish our blood supply. Without volunteer blood donors, area hospitals will not have the needed blood products for scheduled treatments and unexpected traumas. Our donor centers are open and ready for gracious donors like you! Make an appointment now by calling 800-879-4484. Or contact your local Red Cross if LifeStream is not in your area.

There is no substitute for blood. Without it, patients' lives are at risk.
