President's Message

Ken Hamer

Happy Holidays!

But first, a reminder:

- *Sam Frisby will happily accept your 2024 club dues...and your 2023 dues if not yet paid. Make Sam smile!*

Here we are closing in on the end of another calendar year of our annual trip around the Sun. The Thanksgiving holiday is done and both the Christmas holidays and New Year's celebrations are right around the corner.

Inland Mopar's annual main charity effort, the Fort Irwin Toy Drive activities, are continuing every weekend as we strive to gather toys to add to the holiday joy and bring a smile to the faces of the soldier's kids.

Just my opinion, but it seems like the Toy Drive has been more challenging in 2023 as some scheduled events were impacted by the weather and some new events turned out to be not as promising as initially thought. One constant that continues from year to year is the outstanding

effort and dedication of our Toy Drive Coordinator. Thank you, Mike Keller, for all of the time and effort you continue to put in each year. Also, thank you to our shopper extraordinaire, Norma Johnston, for your time and skill in making the most of donations and getting the most bang for the bucks. And thank you to all club members who have helped with the toy drive in any way. Our results would not be what they are without everyone who has helped.

But our Toy Drive efforts are still ongoing. See the remaining event dates elsewhere in this newsletter for details.

Regarding the 2024 club member dues mentioned above. Sam has already received some in the mail. Included in these was a membership renewal for Ed and Therese Lowrie. Welcome back to Inland Mopars! It will be good to get an update on their 1972 Plymouth Scamp.

Reminder #1: Our annual Toy Drive holiday potluck dinner and party is scheduled for Saturday, December 9. Thanks once again to the

Bits 'n Pieces: Fort Irwin Toy Delivery & Distribution

This is a reminder for anyone interested in attending either the toy delivery in December and/or the toy distribution January 6th, you will need to provide me with a copy of your drivers license so I can get them to Fort Irwin so we do not have a problem when we get there. If you have attended in the past I probably have your license on file but I would need confirmation from you which you will be attending. For toy delivery, license needed by December 5th. For toy distribution, license needed by December 22nd.

President's Message (cont)

generosity of Don and Ann Long, our party will be held in their 12,000 square foot "party barn" in Corona. As always, this is a "not-to-be-missed" event so keep your schedule open and bring some friends. We will need club members help in both party set-up the morning of Friday December 8 and prior to the start of the Saturday party, and for clean-up after the close of the party. Details will be discussed at the December club meeting.

Reminder #2: "Wreaths Across America" at Riverside National Cemetery is scheduled for Saturday, December 16. Wreaths have been ordered and I will pick them up at the distribution point at RNC. At the December club meeting we will discuss where to meet at RNC to coordinate the wreath distribution. If you are new to Inland Mopars, or not familiar with "Wreaths Across America", the club purchases Christmas wreaths for placement on club member's family member internment sites at RNC.

I have not yet received an update on a scheduled date or location for the initial planning meeting for our 2024 "Mopars in May" charity-benefit car show. Hopefully we will have information for discussion at our December club meeting. Stay tuned.

Our December club meeting is scheduled for Sunday, December 3, in the banquet room at Cactus Cantina restaurant in Riverside. Usual times: 9am for those wanting breakfast, with the meeting getting started as close to 10am as possible. **We will be discussing something very important that I forgot to mention at our November meeting. That is all I am going to say at this time. Be at the December club meeting to find out what it is.**

As always, *please* bring some suggestions for monthly club activities so we can expand our activity calendar for 2024. We will discuss if we have time...and remember, monthly club activities *DO NOT HAVE TO BE CAR RELATED!* What do you really enjoy that you would like to share with club members? Research what your city may offer and bring the information to our club meeting.

Let's plan some fun activities!

We also have a continuing need for one or more individuals to maintain our club social media platforms on both Facebook and Instagram, and we should develop a presence on X (formerly Twitter). Most important is the need for a club Secretary to fill our vacant club officer position. Please let me know if you may be interested in any of these opportunities.

As always, thank you to everyone for all you do to make Inland Mopars Car Club the very best it can be - the club's reputation is a direct reflection of the membership //

Anthesis Takes Flight

Some of you who have been in the club for a while may remember Doug Vincent. He was doing a car show with the Kiwanis at the Farmer Boys in Rancho Cucamonga and he let us have a toy drive booth there for a couple of years. That show came to an end but Doug did not forget us. Doug has been a past president and board member of Anthesis, an organization that provides services for adults with disabilities. In 2021, the Anthesis community came together and gathered toys for us. Between Anthesis and the Kiwanis Aktion Club, we filled almost a dozen boxes.

I talk with Doug occasionally. A couple of months ago I received an email from him asking for donations for the Anthesis Takes Flight dinner raffle at the Cal-Aero hanger at the Chino Airport. I sent it off to Ken and we both thought of a gift basket. Our gift basket maker, Norma Johnston, was contacted and she agreed. She put together a baking basket with lots of baking items. The basket was delivered to Anthesis on October 30th, in time for the November 3rd dinner. (The basket looked better than what is shown in the photo to the right.) A big **Thank You** to Norma.

THANK YOU

Anthesis Takes Flight

As we reflect on the success of our recent Annual Dinner, "Anthesis Takes Flight," it's evident that such accomplishments are a direct result of the incredible support from our community. Your presence at the event was not just about celebrating a year of achievements but also a testament to the unwavering commitment you have shown towards Anthesis.

We are especially grateful to our sponsors, partners, and community, whose generosity played a pivotal role in the success of this year's dinner. Your contributions have been instrumental in achieving a remarkable milestone - we are thrilled to announce that we have raised \$17,151 in donations. This significant sum will be channeled towards the continued development of the Bloom Initiative.

The Bloom Initiative is more than just a program; it's a beacon of hope and opportunity. These series of learning labs are designed to impart core skills in various industries such as food handling, safety, retail, and manufacturing. They are crucial in preparing our participants for meaningful employment opportunities in our community, in collaboration with our local business partners. Your support is making a tangible difference in the lives of many.

In closing, we want to reiterate our deepest gratitude. Your belief in our cause and your generous support are what make all of this possible. We are genuinely thankful for your contribution and are excited to continue this journey with you.

Warm regards,
Shawn Prokopiec

Grand National Roadster Show (GNRS) Reminder

We will again be working the GNRS as the annual club fund raiser. For those newer members, the GNRS had been held the last weekend in January but changed to the first weekend in February a year ago due to the NFL lengthened season. It is where the America's Most Beautiful Roadster trophy is awarded so there are some high dollar cars there. Don't be confused by the name of the show thinking this is an all-roadster show. The show is open to all kinds of vehicles.

Our role in this show is we work the souvenir booth. A couple of days prior to the show for set up & early sales plus for the three days the show is open. We usually take the show hours each day, add an hour before opening, and then split it in half. It usually ends up being 4 ½ to 5 ½ hours. It isn't hard work but it can get crazy busy on Friday & Saturday. If you work the booth, you get free parking as well as entry into the show so plan on viewing the cars either before or after your shift.

We also do an Inland Mopars club display with 3-4 member cars on display inside the secure building for the weekend. This year's display cars belong to Bill & Debbie Whitson, 1964 Plymouth Fury and Bill Heckman, 1966 Dodge Coronet, along with our newest member Steve Ruiz, 1969 Dodge Dart. We have a couple of event flyer racks in the display for Mopar events as well as open show events. An entry form for the Friday, Saturday and/or Sunday Drive-in is available at Rodshows.com, or ask me, in case you want to be part of the weekend show. Sign-up days & work times shown below. Limited to 4 persons per shift. Ken will have the actual sign-up sheet.

In-N-Out Burger 75th Anniversary Festival Part 2

Bill & Debbie Whitson's son-in-law, Jerry Shory, wandered around the October 22nd car show with his phone taking lots of photos. There were a few of his in the Scat Pack News November issue. Here are a few more to give you a glimpse of what you missed if you didn't make it out to the In-N-Out Burger Pomona Dragstrip. Maybe at their 80th Anniversary celebration.

There was a car show with 700 cars. There were displays by AAA, the Lions Automobilia Museum, Jay Leno's Garage, the In-N-Out Museum, So-Cal Speed Shop, the NHRA Motorsports Museum, and the LA County Sheriff's Department. There were bands, carnival rides and games, plus the In-N-Out Burger cookout trucks. And drag racing. Somewhere there was a toy drive booth. In the evening there was a concert benefiting the Slave 2 Nothing Foundation headlining ZZ Top.

Ramona Tire Get Together & Toy Drive

Saturday morning, November 4th, was the Get Together & Toy Drive at Ramona Tire & Service Center in Rancho Cucamonga. It was sunny, dry and not windy. We were hoping to grow a little. The last two years have been pretty static car count wise and we ended up at the same number for the third year in a row. We still get cars and people returning from previous years. We have seen more toys in the donation box. Ramona Tire continues to supply a band (this year Kul Gardy) for the day plus they fed everyone, from coffee & pastries in the morning & provided the barbeque for lunch. Advance Auto in Rancho Cucamonga provided the hot dogs, chips & drinks, as well as ten buckets filled with raffle items. We collected about a quarter of what we had collected a couple of weeks before but considering our turnout we were about where we have been the past couple of years. Again, we had a little bit of everything.

Flabob Airport Veterans Celebration

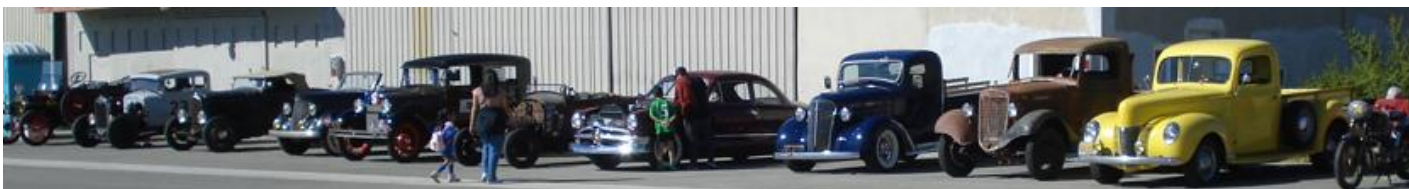

In November 2022 when we scheduled the Ramona Tire Get Together on Veterans Day weekend, Kool Gang and the Flabob Airport hadn't announced their car show. Several people who normally went to the Ramona event chose the Flabob show that year.

In 2023 we moved the Ramona Tire event to a week earlier to not conflict with a possible Flabob event.

We also contacted Flabob about having a toy drive booth at their car show. At the time, Kool Gang was talking with Flabob about the car show and its location. They were at an impasse so Kool Gang backed away from the event. Flabob got in touch with Joe Buffardi of The Race of Gentlemen and the Hornets SCTA car club. Joe agreed to host the car show so we were set for the toy booth.

The day of the show was sunny and bright. Cars started showing up. Pickups with old motorcycles were there. Some newer stuff was also there but I think they were out numbered by the pre-forties stuff.

After the parade on Mission Blvd, people started showing up. The only thing is, they were going to the festival portion of the airport. Where the car show as couldn't be seen since it was hidden around the corner of the tower and a couple of hangers. Plus, after the sky divers landed, they moved the C-47 to the other side of the tower building, hiding the car show even more. Ken & I did manage to get some monetary donations and enough toys to fill the donation box, but it was a long, dusty day.

Mopars & Friends at MoTech Performance

The Monday before the show at MoTech Performance I got a call from Chris saying we needed to watch the weather for the next weekend. The next day he called to cancel due to the weather. He would need to move customers cars out of the shop to clean and for the show. Some were bare metal which could not get wet. Later in the week I told him I would be there for a couple of hours Saturday morning in case someone didn't get the cancellation message. I had also talked with Randy from the AMC club and he said he would bring some toys Saturday. We did get four of the AMC guys to stop by and drop off toys.

Saturday it had rained by the time I got to MoTech. The sun was out and it didn't rain again. After the AMC guys left, I went over to see Marc at MoparMall, just a couple of rows over from MoTech. He had a few of his cars out for display, along with a teardrop trailer. He wanted to reschedule so we settled on December 2nd at his place since that date didn't work for Chris. Marc did have a couple of cars stop by.

Legends Burgers Rancho Cucamonga

Mark Barnett of Blue Diamond Entertainment has been helping us out at his monthly October and/or November car shows starting way back in 2018 at Fatburger in Montclair. Fatburger closed so Mark was still doing a couple of Legends Burgers and a Farmer Boys in Rancho. Then Covid. Farmer Boys stopped doing cruises. Legends also stopped cruises but did start back up again in 2021. In 2022 the toy drive was back at Legends, along with toy donation boxes inside the restaurant.

In 2023 Mark has been doing his monthly cruises at both Legends Upland and Legends Rancho Cucamonga. Again, in October & November he has been pushing the toy drive, collecting both toys and monetary donations so Norma can do more toy shopping. Here are a few shots of the November Legends.

Riverside Cars & Coffee

We know J&M Speed Center closed in March of this year but Mike the car guy (not me) made arrangements to continue using the street in front of and behind the closed J&M to be able to continue his monthly cars & coffee. The parking lot is now off limits. J&M had a toy donation box for us the last two years, and when the November Cars & Coffee came around, everyone showed up with toys that would fill the J&M Speed Center El Camino. This year was slightly different. They got to fill the bed of a 2003 Dodge Ram. And they did. A couple of hundred cars with generous owners managed to fill the bed in two hours. When Ken & I boxed them up, we had nine boxes. That was more than we collected all day at the Pomona event the previous month. Thanks to Mike the car guy.

Detail Garage Montclair

Back in May we did a little car show called Mopars in May. One of our vendors was the Detail garage in Montclair. We talked about doing a toy drive event in the November/December time frame, maybe in conjunction with their monthly Rides & Coffee events. Between us and them, we managed to fit it in on the Saturday after Thanksgiving.

It was sunny, but chilly. Jacky ran off to get the coffee & donuts. Ken & I got the booth set up with some help from Bill Heckman & John Smithson. Gene Endo showed up in time to shoot the breeze a bit & help take the booth down.

Jacky came back with the eats. He informed us that his boss forgot to publicize the toy drive so we didn't get a whole lot of business. We did get an Independent Mustang owner and a couple of the Cruisin' Bros. We did see a lot of people pull up, go in and come out after doing their morning car detailing shopping. Jacky would like to do this again on December 10th, only this time with a little more advertising. We will see if that happens.

Fort Irwin Toy Drive

For next year, we will be looking for events to partner with to collect toys for Fort Irwin. If you know of anyone looking to hold an event that we should contact please let me know. It is best to be at the planning stages so the toy drive info gets on the promotional materials and flyers otherwise no one knows to bring a toy.

We will also be looking for businesses that would like to have a toy donation box at their business location. This works best where the business has a lot of repeat foot traffic. Restaurants work well so if you have a favorite, let me know. We had tried CDJR dealerships but most didn't have the repeat traffic or box placed where it would be seen.

As you can see from the schedule below, the toy drive consumes months of planning and coordination between clubs, businesses, toy donation box locations, as well as Fort Irwin. Planning started a while ago for 2023. We did lose J&M Speed Center in Riverside when they closed in March but the Riverside Cars & Coffee cruise is still taking place at the J&M site. We did gain Bruster's Real Ice Cream, the In-N-Out Burgers 75th Anniversary Festival, Flabob Airport Veterans Celebration, MoparMall.com in Murrieta, and the Detail garage in Montclair.

If you want to see the results from the past toy drives, you should look at www.inlandmopars.org/toydrives.

Sherm Taylor Scholarship Endowment

Some of you will remember Sherm Taylor as the big guy at the Chaffey College Car Show. He was an automotive instructor and ended up wearing many different hats at Chaffey. Last year he was diagnosed with pancreatic cancer and had started treatment. He passed away in March. Sherm had a 440 engine he was selling before his passing. It has been sold to Lonnie Clabaugh for use in the new 1968 Dodge Charger project. Sherm's sister decided to leave it to Chaffey College after his passing so Chaffey will be using the funds raised towards the scholarship endowment under his name. If you haven't heard about the endowment in his name yet, you can make a donation either on-line or checks can be made out to the Chaffey College Foundation & mailed to the address below:

On-line at <https://chaffey.kindful.com/?campaign=1118679>

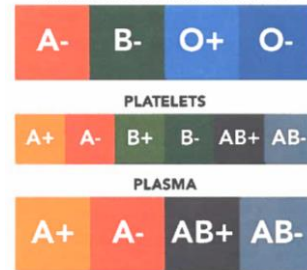

Snail mail to Chaffey College Foundation
5885 Haven Ave,
Rancho Cucamonga, CA 91737

Please note Sherm Taylor scholarship in the memo section.
