President's Message

Ken Hamer

2024 - A New Year

Reminder:

- *Sam Frisby will happily accept your 2024 club dues. Make Sam smile!*

Announcement:

- *Sil and Carol Brander are having a Super Bowl get together at their home in San Jacinto after the next club meeting and y'all are invited. Kickoff is scheduled for 3:30pm so you will not be rushed following the morning meeting. Please bring some sort of finger food to share. Sil will be doing hot dogs on the grill.*

In case you were unable to attend the January club meeting, please be advised that following an extensive discussion it was decided to postpone our annual "Mopars in May" charity-benefit car show from May 19, 2024, to May 18, 2025. The decision was based on a number of contributing factors but primarily due to receiving a flyer for a "Mopars vs. The World" event at Irwindale Dragstrip scheduled for our traditional third-Sunday-in-May date. The Irwindale event flyer shows a combination of drag racing, car show with awards for both multiple classic Mopar vehicles and modern Mopars, and a swap meet. The flyer also states the Irwindale event will be presented by Full Blown Performance, a primarily modern Mopar performance shop located in Los Angeles.

Elite Mopars Car Club had previously agreed to partner with Inland Mopars to help with our 2024 car show and several representatives were in attendance at our January meeting for car show discussions. They reinforced the opinions of most of the Inland Mopars club members in attendance that the Irwindale event would severely impact the number of both participant entries and spectators to our event. During the continuing discussion we looked at alternate dates in the month of May but decided those dates were not feasible for multiple reasons.

Following the decision to postpone our annual car show to 2025, the representatives from Elite Mopars confirmed their club is fully on board to support and assist with the 2025 edition of "Mopars in May".

Not having a 2024 edition of "Mopars in May" will impact both our club treasury funds and our purchasing power to support our 2024 Fort

Bits 'n Pieces: Club Meeting & GNRS

This is a reminder that the Grand National Roadster Show is this weekend, February 2-4. The club meeting has been rescheduled to the following Sunday, February 11, at the usual spot, Cactus Cantina in Riverside.

President's Message (cont)

Irwin Toy Drive.

February 2024 brings the Grand National Roadster Show to the Fairplex in Pomona. This is our main fundraiser for Inland Mopars. The sign-up sheet for club member work shifts was passed around at both the December and January meetings. The following shifts are still open and available:

- Thursday, Feb. 1, 2:30-7:00PM (2 spots available)
- Friday, Feb. 2, 3:30-8:00PM (1 spot available)
- Saturday, Feb. 3, 2:30-8:00PM (2 spots available)
- Sunday, Feb. 4, 9:00AM-2:30PM (2 spots available)

First come, first served.

Remember, you will receive free Grand National Roadster Show admission (\$30 value) and free parking for the day(s) you sign up to work. Your time is yours either before or after your work shift to see this outstanding event

Please contact me as soon as possible to claim your preferred shift.

In other news, the Mullin Automotive Museum located in Oxnard announced they will be closing their doors on February 10, 2024, after being in operation for 13 years. The closure is due to the passing of Peter Mullin in September 2023. The museum was founded by Peter Mullin and his wife Merle Mullin in 2010, and showcased the largest private collection of Bugatti automobiles in the world as well as other French cars from the 1930s, furniture, and art from the Art Deco movement. The announcement said four cars from the museum's collection will be transferred to the Petersen Automotive Museum. There is no information yet on what will happen to the rest of the automobiles and art.

It is sad to see such a unique and beautiful museum close down. However, the Mullin Automotive Museum will always be remembered for its contribution to the preservation of French automotive history and art.

Plan your trip to Oxnard if you want to visit this museum before it is lost forever.

Because the Grand National Roadster Show is happening over the first weekend of February, the next club meeting is scheduled for Sunday, February 11, in the banquet room at Cactus Cantina restaurant in Riverside. Usual times: 9am for those wanting breakfast, with the meeting getting started as close to 10am as possible.

As always, *please* bring some suggestions for monthly club activities so we can expand our activity calendar for 2024. We will discuss if we have time...and remember, monthly club activities *DO NOT HAVE TO BE CAR RELATED!* What do you really enjoy that you would like to share with club members? Research what your city may offer and bring the information to our club meeting.

Let's plan some fun activities!

We also have a continuing need for one or more individuals to maintain our club social media platforms on both Facebook and Instagram, and we should develop a presence on X (formerly Twitter). Please let me know if you may be interested in any of these opportunities.

As always, thank you to everyone for all you do to make Inland Mopars Car Club the very best it can be - the club's reputation is a direct reflection of the membership //

- **Instagram** - No report. We need a volunteer to take care of our Instagram internet site.
- **Twitter/X** - We need a volunteer to set up an account.

Ken commented that both our Facebook and Instagram websites are vital for the attraction of new and younger club members and asked for volunteers to help post club information to our Facebook and Instagram sites. We also need a volunteer to establish a Twitter/X account.

Announcements/Prior Club Business or Activities

- Grand National Roadster Show - Ken said there were still a few openings for working the souvenir booth on Thursday, Friday & Sunday. Let him know if you were interested.
- Fort Irwin Christmas in January - Bill & Debbie Whitson, Norma Johnston, Ken Hamer & Mike Keller attended on Saturday January 6th.
 - Since this was Norma's first time attending the actual toy distribution, she was asked for her review. She said it was very nice and there was a lot more going on than she expected. She did meet Col. Bomar, Garrison Commander, and they hit it off immediately since she was wearing her San Francisco 49's attire and he was also a 49's fan.
 - Bill & Debbie thought it was very nice. A lot more brass than in the past. A group photo was taken with Fort Irwin Commanding General Curtis Taylor, as well as the Grinch (not an officer).
 - Mike commented it would be nice to have more club support (more bodies) in attendance at the toy distribution event.

Meeting Minutes – January (cont)

Announcements/Prior Club Business or Activities (cont)

- Pot Luck & Toy Drive Party - Saturday December 9th at Don & Ann Long's party barn.
 - Col. Bomar, Fort Irwin Garrison Commander, presented Mike & Inland Mopars with a Certificate of Appreciation for the toy drive. Mike accepted and thanked all of those in attendance, saying this was not just an Inland Mopars effort but a car community effort. This year, as in the past, the value of the toys, bikes, and sports equipment going to Fort Irwin was estimated at \$50, 000.
 - Club members in attendance seemed to enjoy it. It was brought up that the guests bringing toys would like to have them visible before they get packed in boxes.
 - It was brought up that Don was not happy with a few things and not sure if party will happen in 2024. Mike will send an email to Don & Ann to set up an after party meeting with Mike & Ken.
- "Wreaths Across America", Saturday December 16th, Riverside National Cemetery - Ken thanked those who had come out to help lay wreaths on the graves of their family members or former Inland Mopars members at RNC.

Annual Club Activities Update

- "Mopars in May" Car Show - currently scheduled for Sunday May 19th, at the Carpenter's Training Center in Ontario.
 - Elite Mopars members Luke Prosser, Tre Nottingham & Jesse Novarro were in attendance for Mopars in May discussions.
 - Mike brought up we were four months behind in planning.
 - Luke said at this time they would be able to provide 15 members to help with a 2024 show. They would be able to have 30 for a 2025 show.
 - The Irwindale Mopars VS The World show set for the same 2024 date was also brought up and discussed: joint show at Irwindale, two shows the same day, reschedule Mopars in May.
 - Joint show - how would it work, some didn't want to go to Irwindale (LA county) asphalt.
 - Two shows - both shows would suffer, not enough time since we were already behind.
 - Reschedule - no other May date suitable, didn't want to change Mopars in May to Summer Kickoff as in 2000 and change to June, no Mopars in May in 2024.
 - Vote was taken and it was decided to reschedule the 2024 show to May 18th, 2025, which would give us plenty of time (hopefully) to plan.
- Sunday February 11 - Super Bowl watch party at Sil & Carol's in San Jacinto after the February club meeting at Cactus Cantina in the morning. Sil will be grilling hot dogs. Plan on bringing a finger food. Please let Carol (951-312-4079) know prior to the party.

There being no additional business, the meeting was adjourned at 11:something.

Respectfully submitted,
DC (Recording Secretary)

Fort Irwin Toy Drive photos submitted by Norma Johnston, Mike Keller

Whew...the toy drive, the actual task of collecting toys, was over after the December 16th Santa's Rock'n Holiday in Apple Valley. On Sunday December 17th, all the collected toys, bikes and sports equipment that had been loaded in the 24-ft trailer, were delivered to the Fort Irwin field house, site of the actual *Christmas in January* toy distribution event scheduled for Saturday January 6th, when the men & women stationed at Fort Irwin, had returned from their Christmas leave.

So, Saturday January 6th, Bill & Debbie Whitson, Norma Johnston, Ken Hamer & Mike Keller met at the Fort Irwin visitor center parking lot to head in together. In the past we had requested someone meet us and escort us in, eliminating a hold up at the gate. With only two vehicles and five people, what could go wrong since we had already sent copies of our IDs in? How about a computer freeze? A couple of phone calls later we were on our way. We had factored in some extra time so we wouldn't be late and we weren't.

We unloaded a couple more boxes of late toys and a bike then headed in to check things out and take a few photos before the actual distribution started. Inside the field house were four sets of tables, each designated boy or girl and ages. They didn't use quite as many tables this year as in the past so each set of tables were stacked with toys, not as spread out as in the past.

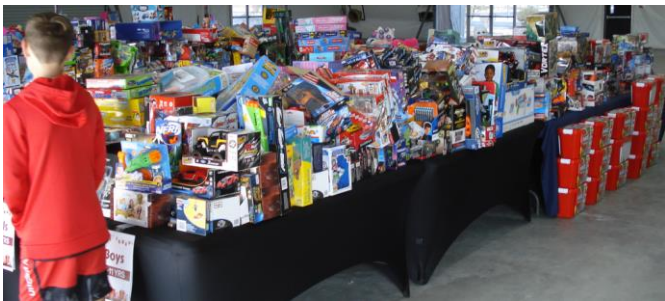

Christmas in January used to be held outside in the town center with a 30-ft Christmas and sleigh with Santa. Covid put an end to that. It is now a drive thru type event so they can now serve four families at a time, rather than one at a time in a single sleigh with Santa, knocking a couple of hours off the event.

Partial view of the 0-5 age kid's toys stacked three & four high. Kids in the first couple of rows would do the actual selecting of toys for the kids in the drive thru lanes. They had a good time & did a good job. Most of the Inland Mopars members are at the far right, next to Col. Bomar.

Fort Irwin Toy Drive (cont)

So the procedure now is a family vehicle is directed into the event by the MPs into a line where they get a card which they would fill out with the kid's age(s) and boy/girl. They are directed to one of four lanes where they were lined up. When the distribution actually starts, a runner goes to the first vehicle in each line and gets the card with the kid's info and heads into the field house where all the toys are arranged. Inside the field house, the runner & picker find the correct age group(s) that match the info on the card and choose a couple of items for each person on the card. The runner then takes those toys to the vehicle and hand them to the parent or child. That vehicle would then be motioned to pull out and the next vehicle would move forward and it is all done over again. If there was a bike indicated on the card, the vehicle would be directed to the bike loading area and the appropriate bike would be loaded in or on the vehicle. The MPs would direct the vehicle back onto the street and off they would go. A couple of hours later the four lanes are down to one and everyone can relax a little.

Sherm Taylor Scholarship Endowment

Some of you will remember Sherm Taylor as the big guy at the Chaffey College Car Show. He was an automotive instructor and ended up wearing many different hats at Chaffey. Last year he was diagnosed with pancreatic cancer and had started treatment. He passed away in March. Sherm had a 440 engine he was selling before his passing. It has been sold to Lonnie Clabaugh for use in the new 1968 Dodge Charger project. Sherm's sister decided to leave it to Chaffey College after his passing so Chaffey will be using the funds raised towards the scholarship endowment under his name. If you haven't heard about the endowment in his name yet, you can make a donation either on-line or checks can be made out to the Chaffey College Foundation & mailed to the address below:
