President's Message

Ken Hamer

Origins - What Brought You to Mopars?

Reminder:

- *Sam Frisby will happily accept your 2024 club dues. Make Sam smile!*

Before I get into the "Origins" topic, congratulations to Bill and Debbie Whitson for bringing home a 1st Place award from the recently completed MATS event in Las Vegas. Their beautiful 1964 Plymouth Fury was judged to be the best B-body Modified at MATS. Congratulations!

At the February club meeting, Jim Froelich suggested each club member provide an article for the club newsletter about how they became a Mopar enthusiast. Jim has since provided his article to our newsletter editor (see page 7). Now it is your turn to write up the details of what brought you to Mopars rather than the other "brand X" rides out there. While you are busy composing your story, why not include the origins of your current Mopar? Although most of our club member owned cars began as projects that were purchased from others, I know several in Inland Mopars that drove their car away from the dealership as original owners. If you did, be sure to mention the name and location of the dealership. All stories will be interesting. Please provide the details of any changes, upgrades or modifications you may have made to your cars over the years. All information will be interesting. Forward your articles to Mike Keller, our club newsletter editor.

Did you happen to see the initial episode of "Last Chance Garage"? This new series from MotorTrend can be found on your local cable

RESCHEDULED

MOPARS IN MAY

MOPARS IN MAY, ORIGINALLY SCHEDULED FOR MAY 19, 2024, HAS BEEN POSTPONED & RESCHEDULED TO MAY 18, 2025

President's Message (cont)

television channels. The show is based out of Philadelphia-area garage D'Antonio Automotive, and "embodies the spirit of second chances, igniting the same excitement and heartfelt connections that made "Overhaulin'" a beloved *MotorTrend* sensation". Each of the episodes will feature a car with a horrifying backstory: multiple shops, years lost, and tens of thousands of dollars in sunk costs. Sound familiar? You will also see the customer and learn about their unique, and often deeply personal, connection to their car. This is something we can all identify with. One of the cars featured on the inaugural episode was a 1956 DeSoto Firedome that the current owner's grandfather purchased in 1958 for the princely sum of \$1,600 (remember those days?). The current owner had never heard the car run because it had been parked forty years ago so repairs could be made to some brake issues.

The next club meeting is scheduled for Sunday, April 7, in the banquet room at Cactus Cantina restaurant in Riverside. Usual times: 9am for those wanting breakfast, with the meeting getting started as close to 10am as possible. Visitors welcome.

As always, *please* bring some suggestions for monthly club activities so we can expand our activity calendar for 2024. We will discuss if we have time...and remember, monthly club activities *DO NOT HAVE TO BE CAR RELATED!* What do you really enjoy that you would like to share with club members? Research what your city may offer and bring the information to our club meeting.

Let's plan some fun activities!

We also have a continuing need for one or more individuals to maintain our club social media platforms on both Facebook and Instagram, and we should develop a presence on X (formerly Twitter). Please let me know if you may be interested in any of these opportunities.

As always, thank you to everyone for all you do to make Inland Mopars Car Club the very best it can be - the club's reputation is a direct reflection of the membership. //

Meeting Minutes – March *(items in red are editors comments)*

The March 3, 2024 meeting of Inland Mopars, held at the Cactus Cantina in Riverside, was called to order at 10:00AM by Sergeant at Arms, Bill Whitson. Our meeting opened with Bill Whitson leading the Pledge of Allegiance. Ken Hamer thanked all for attending.

Members present: Sil & Carol Brander, DC Castagno, Gene & Susan Endo, Sam Frisby, Joey Garcia, BJ Hayden, Ken Hamer, Bill Heckman, Norma Johnston, Dan Richards, Bill & Debbie Whitson, and Harry Windhorst.

Members missing: Mike Keller (after effects of Covid vac).

New members: None.

Visitors: None.

Happy Birthday wishes to our club members with March birthdays: Ken Strathman, Kim Strathman, Scott Whiteman, Jennie Frisby, David (DC) Castagno.

Announcements from Ken

- **Daylight Savings Time** - Daylight Savings Time will start the following Sunday, March 10.
- **Twilight Cruise** - The NHRA Museum Twilight Cruise Nights are returning starting in March. The first Wednesday of the month, except May due to the LA County Fair, from 4 to 7 pm. Gate opens at 3 pm. (3/06, 4/03, 6/05, 7/03, 8/07, 9/04, 10/02, 11/06, 12/04).
- He received a call from Scott Whiteman (club member living in Shasta). He said to tell everyone "Hello" and tell Sam that their membership dues are "...in the mail". Also, that it was snowing.
- He also received a call from Rob McLean (lives in Australia). Rob is still doing his Mopar parts and memorabilia importing and selling at local car shows, just not as extensive as before the pandemic. He also has gotten back into one of his previous hobbies/ventures: breeding and raising Budgerigars (parakeets) for show and sales. He belongs to several clubs in Australia. Rob also said to tell everyone "Hello".
- Ken said he was recently asked about an update on Daemon Garcia (Joey's son). He had sent an email to Joey and received the following: Daemon's health is stable so far and he generally says he's feeling fine but Joey said some days he looks tired. He's still working so he can get medical insurance. His most recent lab results showed an improvement in his kidney functions. When he was first diagnosed in November his eGFR (estimates how well the kidneys are filtering blood) was at 27. In January the reading was 32. If it dips into the teens then he might need dialysis. He's on a low-sodium, low-potassium, and low phosphorus diet. He's also on a ton of medication to lower his cholesterol, blood pressure and stuff. There are new medications that treat the root cause of the disease but they're still in trials and testing. If his kidneys get any worse then he's going to need dialysis; Daemon will be 26 in April. Joey updated the club.
- **Discounts:**
 - Glendora Dodge offers a 10% discount on parts. Contact Matt Deane at Glendora Dodge.
 - Former club member Leo Tafoya offers discount for door hinge rebuilding. Contact Leo for details (see contact info in the monthly club newsletter in the Club Member Recommended Businesses).

Meeting Minutes – March (cont)

Announcements from Ken (cont)

- **Discounts (cont):**
 - In late January he received an email offer from a web-based auto appraisal service offering club members a 10% discount in exchange for a link to their business shown on our club website (01/28/24 email from Jordan Bischoff at ARI Appraisal). Those in attendance at our February club meeting voted to accept this offer. ARI Appraisal was advised of the offer acceptance. ARI Appraisal issued the discount code to be used when ordering an appraisal. An email was sent to webmaster Joey Garcia requesting information regarding the discount and a link to ARI Appraisal be placed on the club website. (As of April 3, no ARI Appraisal info on the website.) The discount code will not be shown on the club website. Contact Ken if/when you wish to use the discount code. Standard vehicle appraisal is \$249 so this would offer a \$25 discount. Appraisal is 100% web-based and done online. (Business card would be nice to have for the newsletter Club Member Recommended Businesses.)

Treasurer's Report: Sam gave the treasurer's report for February.

Club Social Media:

- **Club website** -Webmaster Joey Garcia said he would help with social media.
- **Facebook** - No report. We need a volunteer to take care of our Facebook internet site.
- **Instagram** - No report. We need a volunteer to take care of our Instagram internet site.
- **Twitter/X** - We need a volunteer to set up an account.

Ken commented that both our Facebook and Instagram websites are vital for the attraction of new and younger club members and asked for volunteers to help post club information to our Facebook and Instagram sites. We also need a volunteer to establish a Twitter/X account.

Prior Club Business or Activities

- GNRS - Payment check received from Rod Shows and given to Sam. "Thank you" to all club members who supported this event by working the souvenir booth and displaying their vehicles.

Current/Future Club Business

- Ken asked if anyone planned on going to Phoenix for the 38th Annual High Energy Mopar Invitational (HEMI) car show on Saturday March 9th? No takers from those in attendance.
- The traditional club activity for March was MATS in Las Vegas when we were parking show cars. Since only a few club members (Bill & Debbie, Sil & Carol) will be taking vehicles to the March 15-17, 2024 MATS, suggestions for an alternative club activity were requested. In February Mike Keller had suggested either the 4th Annual Route 66 Classic Car Show presented by Pickups Ltd. event in Fontana on Saturday March 9, or the 11th Annual Bonita High School Auto Shop Car Show in La Verne on Saturday March 23.
- The traditional club activity for April has been the Chaffey College car show, but there has not been any information available yet for a 2024 show. (Finally have confirmation that there will not be a Chaffey College Car Show this year.)

Meeting Minutes – March (cont)

Current/Future Club Business (cont)

- Alternate April activities mentioned at the February club meeting:
 - April 6 - Bonelli Bluffs Car/Vintage Trailer Show (Cal Rods), San Dimas, 10am-2pm @ Bonelli Bluffs RV Resort, 1440 Camper View Rd, \$25 pre-reg (3/15 cutoff), \$30 day of show.
 - April 6 - Cool Cruise Car Show (Flying Deuces), old town La Verne (3rd and D St), benefits La Verne K9 Police Foundation, 10am-4pm, \$45 pre-reg (3/19 cutoff), \$55 day of show, \$65 VIP parking space, includes event t-shirt.
 - April 20-21 - Spring Fling (CPW), Woodley Park, Van Nuys, ask Jim Froelich for event details.
 - April 27 - 22nd Annual Corn Feed Run Car Show and Cruise, Central Ave, \$40 pre-reg (4/17 cutoff) includes event t-shirt, \$45 day of show no shirt.
- Our club activity for May is our Fort Irwin Toy Drive booth at the Mopar vs. the World drag race/car show/swap meet event at Irwindale Drag Strip on 5/19. Ask Mike Keller for current event updates. **(Irwindale website now has registration info.)**
- Norma Johnston is still exploring options for our annual "Unholiday Party", possibly June 23 or 30.
- Ken reported a date for "A Flag for Every Hero" flag placement at Riverside National Cemetery will be May 25th from 8 to 11 am.

Round Table Discussion

- Before Round Table was started, Ken mentioned a comment from MATS about club members not getting together to help each other out on projects. Any specific reason? 1) No current projects going on, 2) No help needed, 3) No help asked for. Don't be shy.
- DC brought up treating Ken to breakfast for President's Day. No second to the motion.
- Gene wanted to know when our club started, we all looked at Sammy, Dec 1992 was said.
- DC brought up Von's Transmissions in San Bernardino, good prices. (DC told Von after the meeting and he would love to advertise in our newsletter. He asked him about manuals and he does them, but mostly autos. He'll bring a business card.)

There being no further business to discuss, the meeting was adjourned at unknown am.

Respectfully submitted,

David Castagna, Recording Secretary along with notes from Ken Hamer

1904 Riverview Dr. St #103, San Bernardino, CA

How I Became a Mopar Enthusiast submitted by Jim Froelich

My best birthday ever was my 16th. I got my driving permit and my 1st car. A 1965 Ford Mustang convertible! My dad bought it for me and he paid only \$80 for it. This was in 1970. The Mustang was missing the transmission, the tires were bald, the top was ripped to shreds and the car had rust holes, dents & dings, but I loved it!

My dad showed me how to do bodywork. Basically, just fill all the holes and dents with Bondo. Then we went to the auto paint store and my dad said pick any color you want. Well, I picked Dodge plum crazy purple.

Dad showed me how to spray the primer, then the paint. After I repaired and replaced everything else, the Mustang was my high school car for my junior & senior years. After graduating, I started working full time. By the time I turned 19, I was ready to go find my dream car. A 1969 Ford Mustang, 428 cobra jet and 4 speed, because my friend had one. I checked the newspaper ads, but there were none. So, I started driving around checking the used car lots. I finally found a '69 with the 428 and 4-speed. I took it for a test drive. It was very fast, but at about 100 mph, the front suspension was shaking badly. I told the salesman I would buy the car, but he has to fix the front end. He said no, buy as is. I said forget it. I continued to look for another one.

Late one night, I pulled up in front of another used car lot. There it was, a plum crazy purple 1970 Plymouth Cuda. (I know, Plymouth's name is In Violet.) The dealership was closed, but I wanted to look. Black vinyl top, 15x7 Rallye wheels, chrome side exhaust. (I found out later, they were AAR Cuda side exhaust, but this car is not an AAR.) The hood callout said 340. I looked in the passenger window. What the heck is that? A shifter with a pistol grip handle! I had never seen one before!

I came back the next day after work. I took the Cuda for a test drive, and it was fast! And it handled smooth, no shaking. I bought the Cuda then and there. \$2200.

I've been a Mopar guy ever since!

Three more '70 Cuda's, a '71 Cuda (my friends called me "the Cuda man"), '64 Sport Fury, '64 Polara, '64 Belvedere, '65 Satellite, '65 Belvedere, '69 Charger, '70 Charger, '73 Charger, '69 Chrysler station wagon, '72 Dodge van, and an '87 Dakota pickup - the only vehicle I ordered brand new. My favorite cars were the '70 purple 340 Cuda, the '70 Hemi Cuda, and the '70 Charger R/T SE, 440 six pack, 4 speed, and 4:10 dana. The '70 Hemi Cuda was a factory Hemi car and the '70 Charger R/T SE was a factory six pack car.

I wish I could have kept them all! But real life is priority one. Marriage, kids. Now, I'm retired. I now have a '70 Challenger. I'm rebuilding it from the ground up. I'm excited!

I feel like I'm 19 years old again! Mopar to ya!

Inland Mopars at Musclecars at the Strip (MATS)

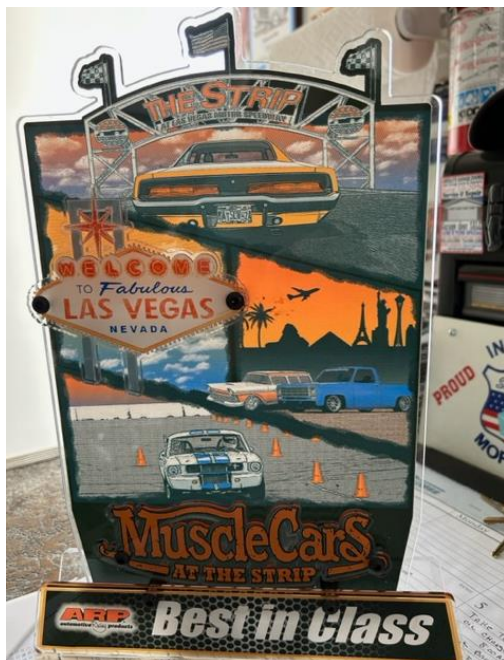

Bill & Debbie Whitson took their 1964 Plymouth Fury for the MATS car show while Sil & Carol Brander took their 1984 Hellcat powered Dodge Rampage "Rambo" for the drags. Bill & Debbie's son-in-law, Jerry Shory, provided support & a couple of hundred show photos which will be seen in this and the next couple of newsletters. Debbie provided the from-the-stands "Rambo" photos. Tony Mandella of PMR, drove "Rambo" on the shake down runs. No times provided.

"Rambo in the staging lanes, burn-out box and at the line

Right & below: Bill & Debbie Whitson along with Carol Brander, the winning 1964 Plymouth Fury and the 1st place award for B-Body 62-66 Modified

Inland Mopars at MATS (cont)

Again, I am not sure who went and who didn't but I do know that former members Steve Backer & Jason Gibbons were in attendance. Steve brought his long term project 440 powered 1974 Duster, with 1971-72 front fenders, hood & Shark Tooth grille. He took 2nd place in A-Body Modified to a stock looking 1971 Dart. Not sure with the weather whether the Duster was driven or trailered but at least he, and the Duster, were there. Congrats.

Below: Steve with the trophy girls and the Count, Danny Kokar, from Count's Kustoms in Las Vegas

Revised '60s Song Titles for Baby Boomers submitted by Ken Hamer

- Herman's Hermits: "Mrs. Brown You Have A Lovely Walker"
 - Beatles: "With a Little Help from Depends"
 - The BeeGees: "How Can You Mend a Broken Hip"
 - Roberta Flack: "The First Time Ever I Forgot Your Face"
 - Johnny Nash: "I Can No Longer See Clearly Now"
 - Paul Simon: "Fifty Ways To Lose Your Liver"
 - The Commodores: "Once, Twice, Three Times To The Bathroom"
 - Procol Harum: "A Whiter Shade of Hair"
 - Leo Sayer: "You Make Me Feel Like Napping"
 - The Temptations: "Papa's Got a Kidney Stone"
 - Abba: "Denture Queen"
 - Helen Reddy: "I Am Woman, Hear Me Snore"
 - Leslie Gore: "It's My Hormones and I'll Cry If I Want To"
 - Willie Nelson: "On The Commode Again"

Sherm Taylor Scholarship Endowment

Some of you will remember Sherm Taylor as the big guy at the Chaffey College Car Show. He was an automotive instructor and ended up wearing many different hats at Chaffey. Last year he was diagnosed with pancreatic cancer and had started treatment. He passed away in March. Sherm had a 440 engine he was selling before his passing. It has been sold to Lonnie Clabaugh for use in the new 1968 Dodge Charger project. Sherm's sister decided to leave it to Chaffey College after his passing so Chaffey will be using the funds raised towards the scholarship endowment under his name. If you haven't heard about the endowment in his name yet, you can make a donation either on-line or checks can be made out to the Chaffey College Foundation & mailed to the address below:

On-line at <https://chaffey.kindful.com/?campaign=1118679>

Snail mail to Chaffey College Foundation
5885 Haven Ave,
Rancho Cucamonga, CA 91737

Please note Sherm Taylor scholarship in the memo section.

Answer to **What type of fuel is used on the 1963 Chrysler Turbine Car?**

Unleaded gasoline or Kerosene or Diesel fuel or JP-4 Jet Fuel or Vegetable oil or Furnace oil or Perfume or Peanut oil or Soybean oil or Tequila.

From: Wikipedia and from a book by Steve Lehto: Chrysler's Turbine Car. Also see "Chrysler's Turbine Car" on Jay Leno's Garage on You Tube.

Jim says "Jay brought his Turbine car to Spring Fling one year. It sounds like a vacuum cleaner!"
